### PROXY STATEMENT Annual Meeting of Common Shareholders

June 16, 2010

Why am I receiving these proxy materials?

We are providing these proxy materials to you in connection with the solicitation by the Board of Directors (the "Board") of Shoe Carnival, Inc. (the "Company," "we," "us" or "our") for proxies to be voted at our annual meeting of common shareholders. We are holding this annual meeting at 9:00 a.m., C.D.T., on Wednesday, June 16, 2010, at our corporate headquarters located at 7500 East Columbia Street, Evansville, Indiana. The approximate date on which these proxy materials are first being sent to shareholders is on or about May 10, 2010.

In accordance with the rules of the Securities and Exchange Commission, in addition to mailing a full set of the proxy materials to our shareholders, we are also providing access to our proxy materials on a publicly accessible website. Our notice of annual meeting of common shareholders, proxy statement, form of proxy card and annual report to shareholders are available at <http://www.shoecarnival.com/Investors/ProxyInformation.aspx>.

What proposals will be voted on at the annual meeting?

There are two proposals scheduled to be voted on at the annual meeting:

- To elect one director to serve until the 2013 annual meeting of shareholders and until his successor is elected and has qualified; and
- To ratify the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for fiscal 2010.

In addition, any other business that may properly come before the annual meeting will be considered and voted on. The Board currently knows of no additional business that is to be brought before the meeting. However, if other matters properly come before the meeting, the persons indicated on the enclosed proxy will vote that proxy based on their judgment on such matters.

How does the Board recommend that I vote on the proposals?

The Board recommends that you vote your shares "FOR" the election of Mr. Mark L. Lemond as director (Proposal 1) and "FOR" the ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for fiscal 2010 (Proposal 2).

Who may vote?

You may vote at the annual meeting or by proxy if you were a shareholder of record at the close of business on April 16, 2010, the record date for the meeting. As of April 16, 2010, there were 13,176,758 shares of our common stock outstanding and entitled to vote at the meeting. On all matters, including the election of a director, each common shareholder will have one vote for each share held.

## Edgar Filing: SHOE CARNIVAL INC - Form DEF 14A

What constitutes a quorum for the annual meeting?

In order to constitute a quorum, a majority of the votes entitled to be cast at the annual meeting must be present either in person or by proxy. Abstentions and broker non-votes will be considered as present for the purpose of determining a quorum.

It is possible that a proxy would indicate that not all shares represented by it are being voted for specific proposals. For example, a broker cannot vote shares held in street name on certain proposals when the owner of those shares has not provided instructions on how he or she would like them to be voted, which are called "broker non-votes." Due to a recent change, Proposal 1, The Election of a Director, now falls into this category. Accordingly, if you hold your shares in street name and wish your shares to be voted in the election of our director, you must give your broker voting instructions.

What vote is required for each of the proposals to be approved?

For Proposal 1, the director receiving a plurality of the votes cast "FOR" will be elected. Neither abstentions nor broker non-votes will affect the outcome of this proposal.

Proposal 2 will be approved if more shares are voted "FOR" the proposal than "AGAINST". Neither abstentions nor broker non-votes will affect the outcome of this proposal.

How do I vote my shares?

**Voting of Shares Registered Directly in the Name of the Shareholder.** If you hold shares of our common stock in your own name as the holder of record, you may vote your shares by signing, dating and mailing the proxy card in the postage-paid envelope that has been provided to you. Shares held directly in your name as the shareholder of record may also be voted in person at the annual meeting. If you choose to vote in person at the meeting, please bring proof of identification. Even if you plan to attend the annual meeting, we recommend that you vote your shares in advance so that your vote will be counted if you later decide not to attend the meeting.

**Voting of Shares Registered in the Name of a Brokerage Firm or Bank.** If your shares of our common stock are held in "street name" through a brokerage account or by a bank or other nominee, you will receive instructions from your nominee, which you must follow in order to have your shares voted. If you are a "street name" shareholder and you wish to vote in person at the annual meeting, you must obtain a legal proxy from your nominee giving you the right to vote the shares. Even if you plan to attend the annual meeting, we recommend that you vote your shares in advance so that your vote will be counted if you later decide not to attend the meeting.

What if I return my proxy card but do not provide voting instructions?

Your shares will be voted in accordance with your instructions as specified on your proxy card. If you sign and return your proxy card but do not give voting instructions, your shares will be voted "FOR" the election of the nominee listed under Proposal 1 and "FOR" Proposal 2. If any other matters properly come before the meeting, the persons indicated on the enclosed proxy will vote that proxy based on their judgment on such matters.

May I revoke my proxy?

If you have executed and submitted your proxy, you may still revoke it at any time as long as it has not been exercised. Your proxy may be revoked by giving written notice of revocation to us, executing a subsequently dated proxy that is delivered to us, or attending the annual meeting and voting in person.

How are votes counted?

Votes cast by proxy or in person at the annual meeting will be counted and certified by representatives of our transfer agent, Computershare Investor Services LLC.

## Edgar Filing: SHOE CARNIVAL INC - Form DEF 14A

Where can I find the voting results of the annual meeting?

We will announce preliminary voting results at the annual meeting and publish final results in a Form 8-K to be filed with the Securities and Exchange Commission within four business days of the annual meeting.

Who pays for the cost of proxy preparation and solicitation?

The cost of this solicitation of proxies will be borne by us. Proxies may also be solicited personally or by telephone, facsimile transmission or other electronic means of communication by our employees acting without additional compensation.

### INFORMATION REGARDING THE BOARD OF DIRECTORS AND COMMITTEES

The primary functions of our Board are:

- To oversee management performance on behalf of our shareholders;
- To ensure that the long-term interests of our shareholders are being served; and
- To monitor adherence to and the effectiveness of our internal standards and policies.

#### Board Meetings

During fiscal 2009, the Board held four meetings. Each director during fiscal 2009 attended at least 75% of the total Board meetings and the meetings of the respective committees on which he served. Directors are expected to attend the annual meeting of shareholders each year, and each of our directors attended our 2009 annual meeting of shareholders.

#### Board Leadership Structure

The Board has determined at this time that the separation of the offices of Chairman of the Board and President/Chief Executive Officer enhances Board independence and oversight. Moreover, the separation of these positions allows the President/Chief Executive Officer to better focus on his responsibilities of running the Company, enhancing shareholder value and expanding and strengthening our brand while allowing the Chairman of the Board to lead the Board in its fundamental role of providing advice to and independent oversight of management.

A majority of our directors are "independent directors" as defined by the listing standards of The NASDAQ Stock Market LLC ("NASDAQ"), and the Board has determined that such independent directors have no relationship with us that would interfere with the exercise of their independent judgment in carrying out the responsibilities of a director. The independent directors are Messrs. Bindley, Kleeberger and Schoor. Mr. Schoor has been designated as the Lead Director, and presides at all executive sessions of the non-management directors. Following an executive session, the Lead Director discusses any issues or requested actions to be taken with the President/Chief Executive Officer.

The Board evaluates its leadership structure on an ongoing basis and may change it as circumstances warrant.

## Board Committees

The Board has an Audit Committee, a Compensation Committee, and a Nominating and Corporate Governance Committee. Each of the committees operates pursuant to a written charter, which can be viewed on our website at [www.shoecarnival.com](http://www.shoecarnival.com) under Investors--Corporate Governance.

### Audit Committee

The Audit Committee is solely responsible for the selection and hiring of the independent registered public accounting firm to audit our books and records and pre-approves audit and permitted non-audit services undertaken by the independent registered public accounting firm. It is also responsible for the review of our (i) financial reports and other financial information, (ii) systems of internal controls regarding finance, accounting, legal compliance and ethics, (iii) auditing, accounting and financial reporting processes, and (iv) financial and enterprise risk exposures. See "Board and Committee Role in Risk Oversight." The committee approves all related person transactions, including our relationships with LC Footwear, LLC and PL Footwear, Inc. described under "Transactions with Related Persons – Current Transactions" and meets with management and our independent registered public accounting firm as necessary.

The Audit Committee is comprised of our three non-employee directors: Messrs. Kleeberger (Chair), Bindley and Schoor. Our Board has established the Audit Committee in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"). The Board and the Audit Committee believe the current member composition satisfies the listing standards of NASDAQ governing audit committee composition, including the requirement that the audit committee members all be "independent" directors, as that term for audit committee members is defined in the listing standards of NASDAQ and Rule 10A-3 of the Exchange Act. The Board has also determined that Mr. Kleeberger qualifies as the "audit committee financial expert" as defined by the Securities and Exchange Commission rules adopted pursuant to the Sarbanes-Oxley Act of 2002. The Audit Committee met seven times during fiscal 2009, with three of these meetings being conducted via teleconference.

### Compensation Committee

The Compensation Committee is responsible for evaluating and approving our director and officer compensation plans, policies and programs. The committee also administers our equity compensation and retirement plans and reviews the risks related to our compensation policies and programs. For a detailed description of the roles of the Compensation Committee and management in setting compensation, see "Executive and Director Compensation – Compensation Discussion and Analysis".

The Compensation Committee consists of our three non-employee directors: Messrs. Bindley (Chair), Kleeberger and Schoor. Each of the members is "independent", as such term for compensation committee members is defined in the listing standards of NASDAQ, each is a "Non-Employee Director" as defined in Rule 16b-3 under the Exchange Act and each is an "Outside Director" as defined by the regulations under Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Internal Revenue Code"). During fiscal 2009, none of the members were involved in a relationship requiring disclosure as an interlocking executive officer/director or as a former officer or employee. In addition, none of the members were involved in a relationship requiring disclosure under Item 404(a) of Regulation S-K. The Compensation Committee held three meetings during fiscal 2009.

### Nominating and Corporate Governance Committee

The Nominating Committee exercises a leadership role in shaping our corporate governance and recommends to the Board corporate governance principles on a number of topics, including (i) Board organization, membership and function, (ii) committee structure and membership, and (iii) oversight of evaluation of the Board. As the nominating body of the Board, the committee also interviews, evaluates, nominates and recommends individuals for membership on the Board and on the various committees of the Board. Nominees will be evaluated based on their experience, judgment, integrity, ability to make independent inquiries, understanding of our business environment and willingness to devote adequate time to Board duties.

Our Corporate Governance Guidelines provide that in identifying potential director nominees, our Nominating Committee is to take into account geographic, occupational, gender, race and age diversity. Broadly defined, diversity means diversity of viewpoints, background, experience and other demographics. The committee implements that policy, and assesses its effectiveness, by examining the diversity of all of the directors on the Board when it selects nominees for directors. The diversity of directors is one of the factors that the Nominating Committee considers, along with the other selection criteria described above.

The Nominating Committee also will consider director candidates recommended by shareholders. A shareholder who wishes to recommend a director candidate for consideration should send such recommendation to our Secretary at 7500 East Columbia Street, Evansville, Indiana 47715, who will forward it to the Nominating Committee. Any such recommendation should include a description of the candidate's qualifications for board service, the candidate's written consent to be considered for nomination and to serve if nominated and elected, and addresses and telephone numbers for contacting the shareholder and the candidate for more information. A shareholder who wishes to nominate an individual as a director candidate at an annual meeting of shareholders, rather than recommend the individual to the Nominating Committee as a nominee, must comply with the advance notice requirements set forth in our by-laws, a copy of which may be obtained from our Secretary. A summary of such requirements is provided in this proxy statement under "Shareholder Proposals for 2011 Annual Meeting".

The Nominating Committee consists of our three non-employee directors: Messrs. Schoor (Chair), Bindley and Kleeberger. Each member is "independent," as such term for nominating committee members is defined in the listing standards of NASDAQ. The Nominating Committee met four times during fiscal 2009.

#### Board and Committee Role in Risk Oversight

While the Board has the ultimate oversight responsibility for the risk management process, various committees assist in fulfilling its oversight responsibilities in certain areas of risk. In particular, the Audit Committee focuses on financial and enterprise risk exposures, including internal controls. The Audit Committee discusses with management, internal audit, and the independent registered public accounting firm our major financial risk exposures, including risks related to fraud, liquidity and regulatory compliance, our policies with respect to risk assessment and risk management, and the steps management has taken to monitor and control such exposures. The Board also periodically receives information about our risk management activities and the most significant risks we face. This is principally accomplished through Audit Committee reports to the Board and summary briefings provided by management. The Audit Committee members, as well as each other director, also have access to our Chief Financial Officer and any other members of our management for discussions between meetings as warranted.

### CODE OF BUSINESS CONDUCT AND ETHICS

We have adopted a Code of Business Conduct and Ethics (the "Ethics Code") that applies to all of our directors, officers and employees, including our principal executive officer, principal financial officer, and principal accounting officer. The Ethics Code is posted on our website at [www.shoecarnival.com](http://www.shoecarnival.com) under Investors--Corporate Governance. We intend to disclose any amendments to the Ethics Code by posting such amendments on our website. In addition, any waivers of the Ethics Code for our directors or executive officers will be disclosed in a Current Report on Form 8-K.

### SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires our executive officers and directors, and persons who own more than 10% of our common stock, to file initial reports of ownership and reports of changes in ownership with the Securities and Exchange Commission. Such persons are required by Securities and Exchange Commission regulations to furnish us with copies of all Section 16(a) forms they file.

Based solely on a review of the copies of such forms furnished to us and written representations from certain reporting persons, we believe that during fiscal 2009 all filing requirements applicable to our executive officers, directors and greater than 10% shareholders were timely satisfied.

## EXECUTIVE AND DIRECTOR COMPENSATION

### Compensation Discussion and Analysis

#### Overview

We are one of the nation's largest family footwear retailers, offering customers a broad assortment of moderately priced dress, casual and athletic footwear for men, women and children with an emphasis on national and regional name brands. We differentiate our retail concept from our competitors' by our distinctive, highly promotional in-store marketing effort and large stores that average 10,900 square feet, generate an average of approximately \$2.2 million in annual sales and house an average inventory of approximately 26,000 pairs of shoes per location. As of January 30, 2010, we operated 311 stores in 30 states primarily in the Midwest, South and Southeast regions of the United States.

This Compensation Discussion and Analysis is intended to supplement the more detailed information concerning executive compensation that appears in the tables and the narrative discussion that follows the tables. Our goal is to provide shareholders with a better understanding of our compensation policies and programs and the material decisions made under those policies and programs that affect the compensation payable to our executive officers, including our Chief Executive Officer, Chief Financial Officer, Chairman of the Board and two additional executive officers named in the Summary Compensation Table (our "Executives").

Our Compensation Committee (the "Committee") is responsible for establishing our compensation philosophy and strategies and has overall responsibility for approving and evaluating the director and officer compensation plans, policies and programs. Annually, the Committee reviews and approves corporate goals and objectives relevant to Executive compensation, evaluates each Executive's individual performance as well as their collective performance in light of these goals and objectives, and sets compensation levels based on this evaluation. The Committee believes its obligation is to structure programs that best serve the Company's interests and the interests of our shareholders. The Committee currently consists of three directors, none of whom is a current or former employee and each of whom is deemed independent as defined in the listing standards of NASDAQ. The Compensation Committee Report immediately follows this discussion.

#### Compensation Philosophy and Objectives of the Overall Compensation Program

Our compensation philosophy is to design programs to attract, retain and motivate the finest talent possible for all levels of the organization. In addition, the programs are designed to maintain a performance and achievement-oriented environment, to be cost-competitive, to treat all employees fairly and to maximize the tax deductibility of employee compensation. All programs have the following characteristics:

- Compensation is based on the level of job responsibility, the individual's level of performance and the Company's overall performance. As employees assume greater responsibility, a larger portion of their total compensation should be "at risk" incentive compensation (both annual and long-term), subject to corporate and individual performance metrics.
- A combination of short-term compensation in the form of base salaries and annual cash incentives and long-term equity based compensation in the form of service-based and performance-based restricted stock awards and stock option grants are utilized to provide incentive to Executives to create shareholder value through the attainment of both short and long-term goals.
- Compensation also takes into consideration the value of the job in the marketplace. To retain our highly skilled work force, we strive to remain competitive with the pay of employers who compete with us for talent.

The Committee, along with management, recognizes that the challenges faced by an entrepreneurial and growth-orientated retail organization requires that compensation programs remain flexible to meet the prevailing market conditions for key management roles. Determination of appropriate compensation for our Executives is based on the Committee's in-depth knowledge of our operations and the competitive environment in which we operate, along with the accumulated business expertise of the members of the Committee. This process is inherently subjective, but we do not believe that a purely formula-driven approach to compensation can adequately take into account all of the various aspects that will lead to our long-term success.

Regarding most compensation matters, including Executive and director compensation, management provides recommendations to the Committee; however, the Committee does not delegate any of its functions to others in setting compensation. The Committee does not currently utilize external consultants in Executive or director compensation matters; however, the Committee does review comparisons to other retailers compiled by management. Details of our review process are contained in "Determination of Compensation Amounts" on page 11.

#### What the Compensation Program is Designed to Reward

The Committee emphasizes the relationship of compensation to performance. In evaluating the Company's performance and the contribution of the Executives, the Committee generally considers increases in store growth, sales, operating income, net earnings and earnings per share as compared to both the financial plan for the year and prior year performance. The Committee also evaluates free cash flow generated by the Company, management's success in managing merchandise inventories and the impact of prevailing economic conditions. In the current difficult economic climate, management's ability to position the Company to emphasize financial stability and liquidity while protecting market share is paramount.

#### Compensation Program Components, Why Each Component Is Chosen and How Each Component Relates To Our Compensation Philosophy and Objectives

The basic components of our Executive compensation program consist of base salary, annual cash incentives, long-term equity based incentives and other benefits, which include retirement plans, health and welfare benefits, limited perquisites and other fringe benefits.

##### Base Salary

The base salary component provides for fixed compensation and rewards the core competencies of each Executive relative to skill set, experience, tenure and individual performance.

##### Annual Cash Incentives

We typically utilize a performance-based cash incentive program, which is designed to reward the Executives' focus on meeting annual financial goals that will lead to our long-term success. Under our 2006 Executive Incentive Compensation Plan, performance targets may be based on one or more of the following business criteria: annual return to shareholders, net income, net income before nonrecurring items, net sales, operating income, return on assets, return on equity, EPS, EBITDA or EBITDA before nonrecurring items. Each of the foregoing business criteria may also be calculated before bonus expense.

The Committee annually selects the business criteria that performance targets will be based on, determines the minimum threshold, target and maximum performance target levels and sets the percentage of salary each Executive can earn for achievement of the performance target levels. The Committee utilizes financial projections prepared by management in setting the performance targets. These projections incorporate various assumptions related to attainable comparative store sales increases, merchandise gross margin, new store openings and selling, general and administrative expense levels. These projections attempt to incorporate the known risk factors inherent with the current economic retail climate and present both the challenges and opportunities facing the Company. The parameters under which the program will be administered are established by the Committee, typically within the first 60 days of each fiscal year. Mr. Weaver, Chairman of our Board, has not participated in the 2006 Executive Incentive Compensation Plan in the past and is not expected to do so in the future.

We may also award discretionary cash bonuses to Executives for their work on special projects, for promotions, when the Committee seeks to align compensation levels more closely to market conditions or when the Committee otherwise determines.

### Long-Term Equity Based Incentives

We consider equity compensation, in the form of restricted stock or stock options, to be an important element in the overall compensation of our Executives and other key employees. Equity based incentive awards that typically vest over time, or upon the achievement of long-term goals, help to retain Executives and encourage them to manage through difficult periods and to improve our long-term performance. This philosophy serves to more closely align the interests of our Executives with the interests of our shareholders.

We currently utilize both performance-based and service-based restricted stock awards as our primary forms of equity based incentive compensation. The vesting of performance-based awards is tied to the attainment of defined increases in earnings per diluted share and rewards each Executive for the creation of shareholder value. Up to 100% of the number of shares of restricted stock may be forfeited if the performance goals are not achieved within a six-year window of time. Restricted stock awards with only service-based vesting are utilized on a limited basis as appropriate when retention or recruitment is our primary and immediate objective. These awards are issued pursuant to the terms and conditions of the 2000 Stock Option Plan.

Mr. Weaver does not receive long-term equity based incentive awards.

### Other Benefits

We provide the Executives with health and welfare programs, a 401(k) retirement plan and employee benefit plans, programs and arrangements generally available to all employees. We also provide the Executives, along with all of our other officers, other executive benefit programs and perquisites in order to provide a competitive executive compensation program and to foster executive retention.

The additional levels of benefits available to the Executives (other than Mr. Weaver, who does not participate in any of our sponsored benefit plans) include an executive life insurance program, an executive long-term disability program, additional medical benefits and a nonqualified deferred compensation plan. The life insurance and long-term disability programs provide the Executives with life and disability benefits greater than the benefits available under our standard broad-based life insurance and long-term disability programs. The additional medical benefits serve to supplement our standard health benefits program and provide additional reimbursement of out-of-pocket expenses including co-payments and deductibles. The nonqualified deferred compensation plan is offered to the Executives due to the federally mandated maximum deferral limitation under our 401(k) plan. The nonqualified deferred compensation plan provides benefits comparable to those which would be available under our 401(k) plan if the federal regulations did not include limits on covered compensation and benefits. Further details on the nonqualified deferred compensation plan can be found under "Non-Equity Based Compensation – Narrative Discussion" on page 21. In addition, we currently offer limited perquisites to each Executive other than Mr. Weaver. Details of our perquisites are contained in footnote 4 to the Summary Compensation Table on page 17.

### Determination of Compensation Amounts

It is the Committee's intention to set total Executive compensation at a level to attract and retain a talented and motivated leadership team and balance the perception of other stakeholders that Executive compensation is reasonably competitive. In making compensation decisions, the Committee reviews executive compensation practices within the retail and footwear industries with consideration given to, among other factors, differences in sales, growth rates and total market capitalization. Our retail peer group consists of leading apparel retailers with sales greater than \$425 million and less than \$1.9 billion. Our footwear peer group consists of leading footwear retailers. We do not limit our comparisons to only footwear retailers as our competition for talent falls within a wide range of companies and industries.

The Committee also utilizes a tally sheet to review the total compensation package provided to the Executives for the current and prior three fiscal years. The tally sheet sets forth the dollar amounts of all components including base salary, annual cash incentives, long-term equity based incentives, the incremental expense related to the additional level of benefits provided to Executives and perquisites. The tally sheet is supplemented by a summary of stock ownership and other equity interests (both vested and unvested) in the Company as well as a summary of accumulated wealth for each Executive derived from the vesting or exercise of equity incentives. The stock ownership and accumulated wealth of the Executives did not influence the Committee's decision on equity-based compensation awards in fiscal 2009.

## Edgar Filing: SHOE CARNIVAL INC - Form DEF 14A

Executives are compensated through a combination of short-term compensation components (base salary and annual cash incentives) and long-term equity based incentives. The Committee does not have a specific policy for the allocation of compensation between short and long-term components or cash and equity based compensation. The Committee establishes all performance targets associated with compensation program components in a manner to encourage achievement of increases in shareholder value. In setting total compensation, the Committee applies a consistent approach for all Executives and applies appropriate business judgment in how the standard approach is applied to the facts and circumstances associated with each Executive. Although the Committee reviews compensation data of peer group companies, it does not benchmark the compensation of the Executives utilizing the peer group data. Instead, the Committee only utilizes our peer group data to determine whether the types and amount of Executive compensation are reasonable and competitive in view of the peer group data. The peer group information is compiled by our management and provided to the Committee for its use. Amounts earned by each Executive in fiscal 2007, 2008 and 2009 are detailed in the Summary Compensation Table following this section.

Our current peer groups are comprised of the following companies:

### Base Salary

The Committee reviews and approves salaries for the Chief Executive Officer and other Executives on an annual basis or at other times as necessary to accommodate the hiring of new employees, promotions or other considerations. The Chief Executive Officer provides recommendations to the Committee for those reporting directly to him. Recommended base salaries are reviewed and set based on a number of factors, including job responsibilities, individual industry experience, individual performance, the Company's overall performance and industry data for comparable positions. No predetermined weight is given to any of the above factors.

Salary increases for the Executives have averaged approximately 2.3% annually for the past three years. Certain Executives have received greater salary increases corresponding to expanded responsibilities as a result of our continued growth. In particular, we increased Mr. Jackson's salary by approximately 20% in March 2007 in order to make his compensation more competitive and to reflect his increasing responsibilities.

In view of the Company's financial performance in fiscal 2008 and the economic conditions in the footwear industry and generally at the end of fiscal 2008, the base salaries for our Executives were not increased for fiscal 2009.

#### Annual Cash Incentives

A portion of the annual cash compensation the Executives could earn has for the past several years included a performance-based bonus payment pursuant to the 2006 Executive Incentive Compensation Plan. The Executives could also have been awarded discretionary cash bonuses for their work on special projects, for promotions or as the Committee otherwise determined. The Committee reviewed the 2006 Executive Incentive Compensation Plan at its March 2009 meeting and determined that realistic performance targets could not be set given the economic conditions at that time in the footwear industry and generally. The Committee therefore suspended the 2006 Executive Incentive Compensation Plan for fiscal 2009 and determined that any bonuses awarded to Executives for fiscal 2009 would be at the discretion of the Committee based on the Company's performance and other subjective factors, including individual performance.

The Committee met on March 16, 2010 to review our fiscal 2009 financial results.

Despite the challenging retail environment, during fiscal 2009 we exceeded numerous internal performance goals and reported significant increases over the prior year's financial performance including:

- Total sales increased 5.4% driven by a comparable store sales increase of 3.5%;
- The gross profit margin increased to 28.4% as compared to 26.9% for fiscal 2008;
- Operating income increased by over 200% to \$25.1 million from \$8.4 million for fiscal 2008;
- Net income increased to \$15.2 million as compared to \$5.3 million in fiscal 2008; and
- Diluted EPS increased to \$1.20 as compared to \$0.43 in fiscal 2008.

As a result of the significant improvement in financial performance and to recognize the individual contributions of each Executive, the Committee approved a discretionary bonus for Mr. Lemond at approximately 60% of his 2009 base salary, for Mr. Baker at approximately 39% of his 2009 base salary, for Mr. Jackson at approximately 48% of his 2009 base salary and for Mr. Sifford at approximately 45% of his 2009 base salary. The discretionary bonus percentages were based on the target percentages of annual salary as defined under the 2006 Executive Incentive Compensation Plan. Adjustments were made to the target percentages by individual to reflect the Executive's level of performance and job responsibility.

#### Long-Term Equity Based Incentives

Incentive awards are granted pursuant to the 2000 Stock Option Plan at the discretion of the Committee. The Committee relies in large part on the recommendation of our Chairman and our Chief Executive Officer in determining the number of incentive awards to be granted to Executives. With the exception of new employees and promotions, incentive awards are typically granted on an annual basis at the Committee's regularly scheduled meeting in March of each year. This meeting is scheduled in advance and occurs before the release of our fourth quarter and annual earnings.

Based upon the recommendation of our Chairman and our Chief Executive Officer, and in view of the Company's financial performance in fiscal 2008 and the economic conditions at that time, the Committee did not award options or restricted stock to any Executive in fiscal 2009.

#### Other Benefits

At its meeting in March 2009, and in view of the Company's financial performance in fiscal 2008 and the economic conditions at that time, the Committee suspended certain perquisites provided to our Executives. Specifically, the Committee determined that each Executive would be required to reimburse us for any automobile lease payments or country club memberships paid by us for the remainder of fiscal 2009. At its meeting in June 2009, the Committee re-evaluated the perquisites provided to our Executives. Based on our improved fiscal 2009 financial performance through the date of its meeting, the Committee re-instituted the automobile allowance provided to our Executives.

#### Deductibility of Compensation and Other Related Issues

Section 162(m) of the Internal Revenue Code generally provides that publicly held companies may not deduct compensation paid to an Executive to the extent such compensation exceeds \$1 million per officer in any fiscal year. However, pursuant to regulations issued by the Treasury Department, certain limited exceptions to Section 162(m) apply with respect to "qualified performance-based compensation." Our Compensation Committee believes that tax deductibility is an important factor when evaluating executive compensation and has taken steps to provide that these exceptions will generally apply to incentive compensation paid to the Executives. However, our Compensation Committee may exercise its discretion to provide base salaries or other compensation that may not be fully tax deductible to us.

Section 409A of the Internal Revenue Code provides certain requirements for deferred compensation arrangements. Those requirements, among other things, limit flexibility with respect to the time and form of payment of deferred compensation. If a payment or award constitutes deferred compensation subject to Section 409A and the applicable requirements are not satisfied, the recipient could be subject to tax on the award and all other deferred compensation of the same type, and an additional 20% tax and interest at the underpayment rate plus 1%, at the time the legally binding right to the payment or award arises or, if later, when that right ceases to be subject to a substantial risk of forfeiture. We have made modifications to our plans and our employment and noncompetition agreements with our Executives such that payments or awards under those arrangements either are intended to not constitute "deferred compensation" for Section 409A purposes (and will thereby be exempt from Section 409A's requirements) or, if they constitute "deferred compensation," are intended to comply with the Section 409A statutory provisions and final regulations.

The Sarbanes-Oxley Act of 2002 subjects our Chief Executive Officer and our Chief Financial Officer to forfeiture of incentive compensation and profits from the sale of stock in the event of an accounting restatement associated with non-compliance, as a result of misconduct, with any financial reporting requirement under the securities laws. Our Compensation Committee has not adopted at this time any additional forfeiture provisions for incentive compensation.

#### Termination and Change-in-Control Arrangements

We have entered into an employment and noncompetition agreement with each of our Executives, which specifies various payments to be made to the Executive in the event his employment is terminated. The type and amount of payments vary by Executive and the nature of the termination. We believe the severance benefits payable under these agreements are competitive with general industry practices and that these agreements serve to ensure the continued dedication of the Executive team and minimize the likelihood of the transfer of trade secrets to our direct competitors.

Mr. Lemond's employment and noncompetition agreement does not contain a specific change-in-control provision; however, it does contain an assignment clause which requires any successor company to assume the agreement. Therefore, upon a change-in-control of the Company, the terms of the triggering events would still apply upon Mr. Lemond's termination from the Company. Messrs. Baker, Jackson and Sifford's individual employment and noncompetition agreements contain specific types and amounts of payment in the event of a change-in-control.

Further information on termination and change-in-control arrangements is contained under "Termination and Change-in-Control Arrangements," beginning on page 22.

#### Fiscal 2010 Executive Compensation

The Committee met on March 16, 2010 and completed its review and approval of the fiscal 2010 corporate goals and objectives relevant to Executive compensation, evaluated each Executive's individual performance as well as their collective performance in light of the prior year internal goals and objectives and set Executive compensation levels for fiscal 2010 based on this evaluation. This process was consistent with that performed in fiscal 2009.

## Edgar Filing: SHOE CARNIVAL INC - Form DEF 14A

The Committee established the following with respect to Executive compensation for fiscal 2010:

1. The base salary for Mr. Lemond was increased by \$21,500, Mr. Jackson's base salary was increased by \$25,000 and Mr. Sifford's base salary was increased by \$15,000. These increases were made to make each of their respective salaries more competitive and for Messrs. Jackson and Sifford to reflect their increasing responsibilities.
2. The 2006 Executive Incentive Compensation Plan, which was suspended in fiscal 2009, was reinstated.

For fiscal 2010, the Committee selected our operating income before officer bonus expense ("Operating Income") as the business criteria for all officers included in the plan and established the minimum threshold, target and maximum performance target levels. These targets attempt to incorporate the known risk factors inherent with the current economic retail climate and present both the challenges and opportunities facing the Company. The following table reflects the percentage of salary each Executive could earn based upon the achievement of the various target levels of Operating Income. These percentages were the same as those used in fiscal 2008.

Name	Percentage of Annual Salary		
	Threshold	Target	Maximum
Mark L. Lemond	0%	60%	100%
Timothy T. Baker	0%	45%	75%
W. Kerry Jackson	0%	45%	75%
Clifton E. Sifford	0%	45%	75%

The minimum threshold for fiscal 2010 was selected as the Operating Income achieved in fiscal 2009, or \$26.8 million. If the minimum threshold is met, the Executives will earn an incremental bonus, as a percentage of their base salary, as the fiscal 2010 Operating Income exceeds the fiscal 2009 level. Upon the achievement of the target Operating Income for fiscal 2010, or \$31.4 million, which is a 17% increase over Operating Income recorded in fiscal 2009, each Executive would earn his target bonus. With the achievement of 120% of the target Operating Income, or \$37.7 million, which is a 41% increase over Operating Income recorded in fiscal 2009, each Executive would earn his maximum allowable bonus under the 2006 Executive Incentive Compensation Plan. The Committee, at its March 2011 meeting, will review the Company's financial results against these goals.

3. Based on the recommendation of our Chairman and our Chief Executive Officer, the Committee granted an aggregate of 54,000 shares of performance-based restricted stock to the Executives, excluding Mr. Weaver, as follows: Mr. Lemond 18,000 shares; and Messrs. Baker, Jackson and Sifford 12,000 shares each. An additional 68,000 shares were granted to other members of management. One-third of these restricted shares vest upon the achievement of annual earnings per diluted share of \$1.40, a 17% increase over fiscal 2009 earnings per diluted share; one-third vest upon the achievement of annual earnings per diluted share of \$1.61, a 15% increase over the prior tier; and one-third vest upon the achievement of annual earnings per diluted share of \$1.85, a 15% increase over the prior tier. Multiple tranches of these restricted shares may vest in a given year. Any restricted shares that are unvested after six fiscal years will be forfeited.

Our Chairman and our Chief Executive Officer based their recommendation for the fiscal 2010 restricted stock awards on a total of approximately 1% of our then outstanding shares, with consideration given to the dilutive effect of the proposed grant. Recommendation of the allocation of shares amongst members of management was made based on the individual's potential for making significant contributions in the future and the relative importance of the individual's position to others in our organization. No other forms of equity-based compensation were recommended or awarded to the Executives.

4. The other executive benefit programs and perquisites described above under "Other Benefits" were not changed, except that Mr. Lemond will be allowed limited personal use of our Company-owned aircraft.

Compensation Committee Report

We have reviewed and discussed with Company management the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K under the Exchange Act. Based on the review and discussion referred to above, we recommended to the Board that the Compensation Discussion and Analysis be included in our Annual Report on Form 10-K for the fiscal year ended January 30, 2010 and in our proxy statement for the 2010 annual meeting of shareholders for filing under the Exchange Act.

Compensation-Related Risk Assessment

In March 2010, our Compensation Committee reviewed our compensation policies and practices for all employees, including our Executives, and the risks that could arise from our compensation policies and practices. As part of the Compensation Committee's review, it specifically noted the following factors that reduce the likelihood of excessive risk-taking:

- Our overall compensation levels are competitive with the market.
- There is a balanced mix of cash and equity and annual and longer-term incentive compensation.
- While the performance criteria used under our 2006 Executive Incentive Compensation Plan has historically been operating income achieved in a particular fiscal year, the overall compensation of our Executives is not overly-weighted toward this annual measurement period.
- For fiscal years like 2009 where the Compensation Committee determined that realistic performance targets could not be set due to external factors, the Committee suspended the 2006 Executive Incentive Compensation Plan.
- Our 2006 Executive Incentive Compensation Plan has payouts at multiple levels of performance. Assuming achievement of at least a minimum level of performance, payouts under the plan result in some compensation at levels below full target achievement, rather than an "all-or-nothing" approach. The maximum bonus percentage payable under the 2006 Executive Incentive Compensation Plan is also capped at percentages ranging from 100% to 75% of the Executives' annualized base salary to protect against disproportionately large shorter-term incentives.
- The Compensation Committee has the discretion to reduce performance-based awards when it determines that such adjustments would be appropriate based on our interests and the interests of our shareholders.
- We currently do not grant stock options to our Executives.
- The performance-based restricted stock awards granted to our Executives vest based on our achievement of certain earnings per diluted share targets, aligning the interests of our Executives with those of our shareholders.
- Some of our non-executive employees are eligible to receive bonus and equity awards. With respect to the non-executive employees' bonus awards, the performance criteria and targets are not unreasonable or clearly unattainable without excessive risk-taking. For those non-executive employees who are eligible to receive equity awards, the equity awards typically vest over three years.

Based on these factors, the Compensation Committee believes that our compensation policies and practices encourage behaviors that are aligned with our long-term interests, and that any short-term incentives do not make up a significant portion of compensation and do not encourage our employees to take risks for short-term gain. As a result, the Compensation Committee determined that any risks arising from our compensation policies and practices are not reasonably likely to have a material adverse effect on the Company.

No stock awards were granted in fiscal 2009.

#### Grants of Plan-Based Awards

There were no non-equity or equity grants of plan-based awards made during fiscal 2009 to any Executive.

#### Equity Based Compensation – Narrative Discussion

Our Board and shareholders approved the 1993 Stock Option Plan, effective January 15, 1993, and amended it at our 1997 annual meeting of shareholders. The 1993 Stock Option Plan reserved 1,500,000 shares of our common stock for stock option grants (subject to adjustment for subsequent stock splits, stock dividends and certain other changes in the common stock). On January 14, 2003, the 1993 Stock Option Plan expired. Previously issued stock options can be exercised for up to 10 years from their date of grant.

Our Board and shareholders approved the 2000 Stock Option Plan, effective June 8, 2000. The 2000 Stock Option Plan initially reserved 1,000,000 shares of our common stock for stock option and restricted stock grants, but on June 11, 2004, the 2000 Stock Option Plan was amended to increase the number of shares reserved for issuance to 1,500,000 (subject to adjustment for subsequent stock splits, stock dividends and certain other changes in the common stock). On June 14, 2005, the 2000 Stock Option Plan was amended to include our non-employee directors as individuals eligible to receive awards; to stipulate that the exercise price of all options granted may not be less than the fair market value of our common stock on the date that the option is granted; and to delete the provision permitting loans to participants. On June 12, 2008, the 2000 Stock Option Plan was further amended to increase the number of shares of our common stock reserved for issuance from 1,500,000 to 2,000,000 and extended the term of the plan until the later of ten years from the date of adoption of the plan by our shareholders or the approval of any amendment of the plan by our shareholders. On October 8, 2008, the Board adopted and approved an amendment to the 2000 Stock Option Plan to modify the change in control provisions and to provide that upon a change in control, any shares of restricted stock, including restricted stock intended to qualify as "performance-based compensation" under Section 162(m) of the Internal Revenue Code, will become fully vested in the participants.

The Compensation Committee administers and grants incentive awards under the 2000 Stock Option Plan. The 2000 Stock Option Plan provides for the grant to our officers, other key employees, and non-employee directors of incentive awards in the form of stock options or restricted stock. Stock options granted under the plan may be either options intended to qualify for federal income tax purposes as "incentive stock options" or options not qualifying for favorable tax treatment ("nonqualified stock options").

(1) On December 11, 2008, 194,000 shares of service-based restricted stock were awarded under the 2000 Stock Option Plan and of these restricted shares, 79,000 were awarded to the Executives and the balance was awarded to other key employees. One-third of the shares vested on January 1, 2010. This vesting included 8,333 of the 25,000 shares held by Mr. Lemond and 6,000 of the 18,000 shares held individually by Messrs. Baker, Jackson and Sifford. An additional one-third will vest on January 1, 2011 and January 1, 2012.

(2) The value of the shares that have not vested was computed utilizing \$18.27, the closing price of our common stock on Friday, January 29, 2010.

(3)

On March 13, 2006, 55,250 shares of restricted stock were awarded under the 2000 Stock Option Plan and of these restricted shares, 19,500 were awarded to the Executives and the balance was awarded to other key employees. One-third of these restricted shares vest upon the achievement of each of three different levels of annual earnings per diluted share. Annual earnings per share achieved for fiscal 2006 resulted in the vesting of one-third of the shares on March 31, 2007. This vesting included 2,500 of the 7,500 shares held by Mr. Lemond and 1,333 of the 4,000 shares held individually by Messrs. Baker, Jackson and Sifford. The remaining annual earnings per share targets were not achieved during fiscal 2009, therefore no shares vested on March 31, 2010. Any restricted shares that are unvested after six years will be forfeited and returned to us.

On March 13, 2007, 98,000 shares of restricted stock were awarded under the 2000 Stock Option Plan and of these restricted shares, 56,000 were awarded to the Executives and the balance was awarded to other key employees. One-third of these restricted shares vest upon the achievement of each of three different levels of annual earnings per diluted share. None of the annual earnings per share targets were achieved during fiscal 2009, therefore no shares vested on March 31, 2010. Any restricted shares that are unvested after six years will be forfeited and returned to us.

On March 18, 2008, 120,000 shares of restricted stock were awarded under the 2000 Stock Option Plan and of these restricted shares, 48,000 were awarded to the Executives and the balance was awarded to other key employees. One-third of these restricted shares vest upon the achievement of each of three different levels of annual earnings per diluted share. Annual earnings per share achieved for fiscal 2009 resulted in the vesting of one-third of the shares on March 31, 2010. This vesting included 5,333 of the 16,000 shares held by Mr. Lemond, 2,666 of the 8,000 held by Mr. Baker and 4,000 of the 12,000 shares held individually by Messrs. Jackson and Sifford that are still included in this column. Any restricted shares that are unvested after six years will be forfeited and returned to us.

- (3) Represents our Outside Directors Stock Option Plan, which has been approved by our Board but was not required to be approved by our shareholders. The plan called for each non-employee director to be granted on April 1 of each year an option to purchase 1,000 shares of our common stock at the market value on the date of the grant. The options vest six months from the date of grant and expire ten years from the date of grant. No grants have been made since fiscal 2004 under this plan, and it is currently the intention of the Board not to grant stock options under this plan in the future.

### Non-Equity Based Compensation – Narrative Discussion

The Pension Benefits Table has been excluded, as we do not have a defined benefit plan. On February 24, 1994, our Board approved the Shoe Carnival Retirement Savings Plan. The primary savings mechanism is a 401(k) plan. Further information regarding the Shoe Carnival Retirement Savings Plan can be found in Note 8 of the Notes to Consolidated Financial Statements included in Part II, Item 8 of our Annual Report on Form 10-K for the fiscal year ended January 30, 2010.

In fiscal 2000, we established a nonqualified deferred compensation plan for certain highly compensated employees who, due to Internal Revenue Service limitations, cannot defer an adequate level of replacement income for their retirement planning.

Features of the plan include:

- Participants elect on a calendar year basis to defer, on a pre-tax basis, portions of their current base salary and bonus until retirement, or earlier if so elected, up to a maximum of \$100,000 per calendar year.
- The compensation deferred under this plan is credited with earnings or losses on a daily basis and measured by the mirrored rate of return on investments elected by plan participants similar to those available under our 401(k) plan. These services are provided by a third-party provider.
- While not required to, we can match a portion of the participant's contributions, which are then subject to immediate, one or two year vesting requirements depending on the length of service of the participant.
- Benefits are paid out upon death, disability, retirement, financial hardship or termination of employment based on each participant's pre-selected payout schedule.
- Designated future in-service distributions may be taken two years after the year of deferral and must be requested at a minimum of two years in advance. The amount of the distribution is restricted to the maximum of the actual deferral amount and vested employer match if elected for the specific year, adjusted by any investment gain or loss.
- The plan is currently unfunded.

Termination and Change-in-Control Arrangements

Mark L. Lemond

On December 11, 2008, we entered into an Amended and Restated Employment and Noncompetition Agreement (the "Agreement") with Mark L. Lemond. The Agreement amended and restated a similar agreement entered into with Mr. Lemond as of December 31, 2006. The term of the Agreement is through January 31, 2011. The term of the Agreement will be automatically extended one year on each February 1st beginning February 1, 2009, unless either party gives written notification not more than 90 and not less than 30 days prior to February 1, in which case the Agreement will terminate three years after such February 1st (such term, including any extension is referred to as the "Term"). No such notification was given by either party prior to February 1, 2010.

The Agreement provides for an annual base salary equivalent to Mr. Lemond's salary for fiscal 2008, subject to increase by the Compensation Committee. Mr. Lemond is entitled to participate in our 2006 Executive Incentive Compensation Plan, and in any successor plan adopted by us from time to time. Mr. Lemond is also entitled to participate in any and all welfare and health benefit plans and other employee benefit plans. Under the Agreement, employment will terminate upon Mr. Lemond's death, and may be terminated by us upon Mr. Lemond's disability, or by us for cause or without cause. Mr. Lemond may terminate employment with good reason, without good reason or by voluntary retirement. Under the Agreement, "cause" is defined as any one or more of the following actions by Mr. Lemond:

- conviction for a felony or other crime involving moral turpitude;
- engaging in illegal conduct or gross misconduct which is injurious to us;
- engaging in any fraudulent or dishonest conduct in his dealings with, or on behalf of, us;
- failure or refusal to follow the lawful and reasonable instructions of our Chairman of the Board or the Board if such failure or refusal continues for a period of 10 days after we deliver to Mr. Lemond a written notice stating the instructions which Mr. Lemond has failed or refused to follow;
- material breach of any of his obligations under the Agreement;
- material breach of our policies;
- use of alcohol or drugs which substantially interferes with the performance of his duties for us or which compromises our integrity or reputation; or
- engaging in any conduct, which as a result of such conduct, our integrity or reputation is substantially compromised.

In addition, "good reason" is defined as (i) a material diminution in Mr. Lemond's base compensation; (ii) a material diminution in Mr. Lemond's authority, duties, or responsibilities; (iii) a material diminution in the budget over which Mr. Lemond retains authority; (iv) a material change in the geographic location at which Mr. Lemond must perform services; or (v) any other action or inaction that constitutes a material breach by us of the Agreement.

## Edgar Filing: SHOE CARNIVAL INC - Form DEF 14A

The following table sets forth the estimated payout Mr. Lemond would receive from us under each of the specific triggering events and assumes that the triggering event took place on January 30, 2010, the last day of our most recently completed fiscal year.

Description of Payout and/or Accelerated Vesting	Death, Retirement or Disability	Without Cause or by Employee for Good Reason	For Cause or by Employee Without Good Reason	Change-in- Control (1)
Bonus for year of separation (2)	\$ 492,500	\$ 492,500	\$ -	\$ 492,500
Cash severance (3)	-	3,587,900	-	3,587,900
Medical and dental benefits (4)	-	52,400	-	52,400
Restricted stock, accelerated vesting (5) (6)	-	304,500	-	1,053,600
Gross up on excise tax (7)	-	-	-	1,226,800
Excise tax (7)	-	-	-	806,000
<b>Total</b>	<b>\$ 492,500</b>	<b>\$ 4,437,300</b>	<b>\$ -</b>	<b>\$ 7,219,200</b>

- (1) The Agreement does not contain a specific change-in-control provision for Mr. Lemond. However, the Agreement does contain an assignment clause which requires any successor company to assume and agree to perform the Agreement in the same manner and to the same extent that we would be required to perform it if no such succession had taken place. Therefore, upon a change-in-control of the Company, the terms of the triggering events would still apply upon Mr. Lemond's termination from the Company. This example assumes both a change-in-control of the Company and termination of Mr. Lemond without cause or by him for good reason as of January 30, 2010.
- (2) The bonus for year of separation would be paid in a lump sum within 15 days of termination in an amount equal to 70% of his current base salary for the fiscal year in which the termination occurs, multiplied by a fraction, the numerator of which is the number of days elapsed in such fiscal year through the termination date and the denominator of which is 365. In this table, the annual base salary is equivalent to Mr. Lemond's base salary for fiscal 2009.
- (3) The cash severance would be paid in a lump sum within 15 days of termination in an amount equal to three times 170% of his current base salary for the fiscal year in which the termination occurs. In this table, the annual base salary is equivalent to Mr. Lemond's base salary for fiscal 2009.
- (4) Upon a termination without cause or by Mr. Lemond for good reason, Mr. Lemond would qualify for medical and dental benefits for 36 months after the calendar month in which the termination occurs or until Mr. Lemond is re-employed and is covered under that employer's medical benefit plan. The table assumes three years of estimated benefits.
- (5) Upon termination by us without cause or by Mr. Lemond for good reason, the Agreement states that all shares of restricted stock granted to Mr. Lemond after December 31, 2006 which are not intended to qualify as "performance-based compensation" under Section 162(m) of the Internal Revenue Code shall contain provisions which shall provide for immediate vesting of the restricted stock. In this example, the value was calculated by multiplying \$18.27, the closing price of our common stock on January 29, 2010, by the number of "non-performance based" unvested shares of restricted stock held by Mr. Lemond on January 30, 2010.
- (6) The 2000 Stock Option Plan under which our restricted stock was issued includes a change-in-control provision providing for the immediate vesting of any currently unvested shares of restricted stock, including restricted stock intended to qualify as "performance-based compensation" under Section 162(m) of the Internal Revenue Code. In this example, the value was calculated by multiplying \$18.27, the closing price of our common stock on January 29, 2010, by the number of unvested shares of restricted stock held by Mr. Lemond on January 30, 2010.
- (7) If any payment under the Agreement would be subject to the excise tax under Section 4999 of the Internal Revenue Code, Mr. Lemond would be entitled to receive additional compensation from us to cover the excise taxes, interest and penalties (if applicable) and other taxes arising from the additional compensation. In this example, under the "Change-in-Control" triggering event, Mr. Lemond would have qualified to receive additional compensation from us to cover excise taxes at January 30, 2010. The taxes have been computed in accordance with Section 280G of the Internal Revenue Code.

Other factors material to the Agreement include the following:

- The benefits granted to Mr. Lemond under the Agreement are subject to certain employment and post-employment conditions. This includes, but is not limited to, Mr. Lemond's agreement not to contribute his knowledge and abilities to any business or entity in competition with us for a period of two years following the termination of his employment.
- Notwithstanding any other provision of the Agreement, upon termination of Mr. Lemond's employment for any reason, he shall be entitled to receive all accrued but unpaid compensation, bonuses and benefits under all of our compensation, bonus and benefit plans in which he is a participant, all in accordance with the terms of such plans. These plans include, without limitation, our 401(k) plan, deferred compensation plan and bonus plans which are earned in a fiscal year, but paid in the following year.

Edgar Filing: SHOE CARNIVAL INC - Form DEF 14A

- In the event we terminate Mr. Lemond without cause or he terminates with good reason, any outstanding stock options issued to Mr. Lemond will be exercisable during the remainder of the term of the stock option. Stock options held by Mr. Lemond at January 30, 2010 are set forth in the "Outstanding Equity Awards at Fiscal Year-End" table on page 19.

## Edgar Filing: SHOE CARNIVAL INC - Form DEF 14A

Timothy Baker, Kerry Jackson and Clifton Sifford

On December 11, 2008, we entered into Amended and Restated Employment and Noncompetition Agreements (the "Agreements") with Timothy Baker, Kerry Jackson and Clifton Sifford. The Agreements amended and restated similar agreements entered into with these individuals as of December 31, 2006. The terms of the Agreements are through January 31, 2009 (such terms, including any extension are referred to as the "Terms"). The Agreements are subject to early termination as provided in the Agreements. The Agreements shall be renewed automatically for successive terms of one year each unless either party provides written notice of non-renewal to the other party not more than 90 days and not less than 30 days before the end of the then current Term. No such notification was given by any party prior to February 1, 2010.

The Agreements provide for an annual base salary equivalent to each such Executive's salary for fiscal 2008, subject to adjustment by the Compensation Committee. Messrs. Baker, Jackson and Sifford are each entitled to participate in our 2006 Executive Incentive Compensation Plan, and in any successor plan adopted by us from time to time. Such Executives are also entitled to participate in any and all welfare and health benefit plans and other employee benefit plans. Under each of the Agreements, employment will terminate upon death, and may be terminated by us upon the disability of such Executive, or by us for cause or without cause. Each such Executive may terminate employment voluntarily or with good reason.

Under the Agreements, "cause" is defined as any one or more of the following actions by the respective Executive:

- conviction for a felony or other crime involving moral turpitude;
- engaging in illegal conduct or gross misconduct which is injurious to us;
- engaging in any fraudulent or dishonest conduct in their dealings with, or on behalf of, us;
- failure or refusal to follow the lawful and reasonable instructions of our Chief Executive Officer, President, or other executive officer to whom each Executive reports, if such failure or refusal continues for a period of 10 days after we deliver to such Executive a written notice stating the instructions which such Executive has failed or refused to follow;
- material breach of any of his obligations under the Agreement;
- material breach of our policies;
- use of alcohol or drugs which interferes with the performance of his duties for us or which compromises our integrity or reputation; or
- engaging in any conduct tending to bring us into public disgrace or disrepute.

In addition, "good reason" is defined as the occurrence, without the Executive's written consent, of a material reduction by us in the Executive's base salary.

The following tables set forth the estimated payout each such Executive would receive from us under each of the specific triggering events and assumes that the triggering event took place on January 30, 2010, the last day of our most recently completed fiscal year.

- (1) The bonus for year of separation would be paid in a lump sum within 30 days of termination in an amount equal to 55% of each Executive's current base salary for the fiscal year in which the termination occurs, multiplied by a fraction, the numerator of which is the number of days elapsed in such fiscal year through the termination date and the denominator of which is 365. In this table, the annual base salary is equivalent to the Executive's base salary for fiscal 2009.
- (2) The cash severance for termination without cause or by employee for good reason would be paid in a lump sum within 30 days of termination in an amount equal to 150% of each Executive's current base salary for the fiscal year in which the termination occurs. Upon a change-in-control, a lump sum cash severance would be paid within 30 days of termination in an amount equal to 310% of each Executive's current base salary for the fiscal year in which the termination occurs. In this table, the annual base salary is equivalent to the Executive's base salary for fiscal 2009.
- (3) We will provide out-placement services at a cost not to exceed \$2,500 in the event of a change-in-control.
- (4) Upon a termination without cause, by employee for good reason or a change-in-control, each Executive would be paid in a lump sum within 30 days of termination an amount equal to 18 times (i) the COBRA premium rate plus (ii) any additional state and federal taxes such Executive will incur as a result of the lump sum payment.
- (5) Upon termination by us without cause or by the Executive for good reason, the Agreement states that all shares of restricted stock granted to the Executives after December 31, 2006 which are not intended to qualify as "performance-based compensation" under Section 162(m) of the Internal Revenue Code shall contain provisions which shall provide for immediate vesting of the restricted stock. In this example, the value was calculated by multiplying \$18.27, the closing price of our common stock on January 29, 2010, by the number of "non-performance based" unvested shares of restricted stock held by each Executive on January 30, 2010.

## Edgar Filing: SHOE CARNIVAL INC - Form DEF 14A

- (6) The 2000 Stock Option Plan, under which our restricted stock was issued, includes a change-in-control provision providing for the immediate vesting of any currently unvested shares of restricted stock, including restricted stock intended to qualify as "performance-based compensation" under Section 162(m) of the Internal Revenue Code. In this example, the value was calculated by multiplying \$18.27, the closing price of our common stock on January 29, 2010, by the number of unvested shares of restricted stock held by each Executive on January 30, 2010.
- (7) If any payment under the Agreement would be subject to the excise tax under Section 4999 of the Internal Revenue Code, each Executive would be entitled to receive additional compensation from us to cover the excise taxes, interest and penalties (if applicable) and other taxes arising from the additional compensation. In this example, each Executive would have qualified to receive additional compensation from us to cover excise taxes at January 30, 2010. This includes, but is not limited to, the agreement by each Executive not to contribute his knowledge and abilities to any business or entity in competition with us for a period of one year following termination of the Executive's employment.

## Edgar Filing: SHOE CARNIVAL INC - Form DEF 14A

- Notwithstanding any other provision of the Agreements, upon termination of employment for any reason, the Executive shall be entitled to receive all base salary earned but unpaid and all other payments and benefits accrued before the termination date.
- In the event we terminate any of the three Executives without cause or they terminate for good reason, any stock options issued after December 31, 2006 that would have vested within 12 months of termination would immediately vest. Under the same conditions but within two years of a change-in-control, all stock options issued to each Executive would be exercisable within 90 days of termination. Stock options held by the Executives at January 30, 2010 are set forth in the "Outstanding Equity Awards at Fiscal Year-End" table on page 19.

### J. Wayne Weaver

On January 15, 1993, we entered into a noncompetition agreement with J. Wayne Weaver. As long as Mr. Weaver is our executive officer or director, he may not engage directly or indirectly through any other company or entity in the retail shoe business without the prior approval of our Audit Committee. The Audit Committee has approved Mr. Weaver's association with LC Footwear, LLC and PL Footwear, Inc. Effective February 1, 1993, Mr. Weaver became our employee at an annual salary of \$300,000. Although Mr. Weaver will continue to be involved in other business activities and will not devote his full time to the Company, he will devote such time to the Company as he deems necessary or appropriate to perform his duties as Chairman of the Board.

## Edgar Filing: SHOE CARNIVAL INC - Form DEF 14A

On March 4, 1999, the Board approved the Outside Directors Stock Option Plan. The plan reserves for issuance 25,000 shares of our common stock (subject to adjustment for stock splits, stock dividends and certain other changes to the common stock). No grants have been made under this plan since fiscal 2004 and it is currently the intention of the Board not to grant stock options under this plan in the future. As of January 30, 2010, each non-employee director held shares issuable upon the exercise of presently exercisable options granted under the Outside Directors Stock Option Plan. Mr. Bindley held 5,000 options, Mr. Schoor held 4,000 options and Mr. Kleeberger held 1,000 options under this plan.

The Board adopted, and the shareholders approved on June 14, 2005, amendments to the 2000 Stock Option Plan to allow non-employee directors to participate. Each non-employee director was awarded 1,428 shares of restricted stock under the 2000 Stock Option Plan on June 9, 2009, with a grant date fair value of \$17,507 based on the closing market price of our common stock on that day. The restrictions on these shares lapsed on January 2, 2010. At January 30, 2010, no additional shares of restricted stock were held by any of the non-employee directors.

**PROPOSAL NO. 2  
RATIFICATION OF OUR INDEPENDENT  
REGISTERED PUBLIC ACCOUNTING FIRM**

The ratification of the appointment of Deloitte & Touche LLP ("Deloitte") as our independent registered public accounting firm for fiscal 2010 is recommended by the Audit Committee and will be submitted to a vote at the meeting in order to permit our shareholders to express their approval or disapproval. In the event of a negative vote, a selection of another independent registered public accounting firm will be made by the Audit Committee. A representative of Deloitte is expected to be present at the meeting, will be given an opportunity to make a statement if desired and will respond to appropriate questions. Notwithstanding approval by our shareholders, the Audit Committee reserves the right to replace the independent registered public accounting firm at any time.

The Board and the Audit Committee recommend a vote FOR the ratification of Deloitte & Touche LLP as our independent registered public accounting firm for fiscal 2010.

Audit-related fees (2)	\$ 14,390	\$ 15,000
Tax fees	\$ -	\$ -
All other fees (3)	\$ 2,140	\$ 7,200

- (2) Audit-related fees consist of fees related to employee benefit plan audits.
- (3) All other fees represent expenses related to consultation provided by Deloitte on various items.

**Audit Committee Pre-Approval Policy**

The Audit Committee's policy is to pre-approve all audit and permissible non-audit services provided by our independent registered public accounting firm. These services may include audit services, audit-related services, tax services and other services. Pre-approval is generally provided for up to one year and any pre-approval is detailed as to the particular service or category of services, the Audit Committee is informed of each service and the pre-approval is generally subject to a specific budget. The Audit Committee may also pre-approve particular services on a case-by-case basis. In addition, the Chairman of the Audit Committee may act to pre-approve services in interim periods and request ratification by the full Audit Committee at the next regularly scheduled committee meeting.

For fiscal 2009, pre-approved non-audit services included those services described above under "Audit-related fees" and "All other fees". The aggregate amount of all such non-audit services constituted approximately 3.7% of the total amount of fees paid by us to Deloitte.

**Report of the Audit Committee**

Management of the Company is responsible for the financial reporting process, including the system of internal control over financial reporting, and for the preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States. The Company's independent registered public accounting firm, Deloitte & Touche LLP ("Deloitte"), is responsible for performing the audit of the Company's consolidated financial statements and expressing an opinion on those statements, as well as auditing the effectiveness of the Company's internal control over financial reporting. The Audit Committee is responsible for oversight of all aspects of the Company's financial reporting, internal control over financial reporting and audit processes.

In fulfillment of its responsibilities, the Audit Committee on a regular basis discusses with both management and Deloitte the adequacy and effectiveness of the Company's internal control over financial reporting. The Audit Committee has reviewed and discussed the audited financial statements with the Company's management and Deloitte. In addition, the Audit Committee has discussed with Deloitte all matters required to be discussed with audit committees by Statement on Auditing Standards No. 61, "Communication with Audit Committees" (Codification of Statements on Auditing Standards, AU 380), as adopted by the Public Company Accounting Oversight Board ("PCAOB") in Rule 3200T. This discussion involved certain information relating to Deloitte's judgments about the quality, not just the acceptability, of the Company's accounting principles and included such other matters as are required to be discussed with the Audit Committee under standards established by the PCAOB.

The Audit Committee also has received the written disclosures and the letter from Deloitte required by applicable requirements of the PCAOB regarding Deloitte's communications with the Audit Committee concerning independence, and has discussed with Deloitte its independence from the Company and the Company's management. In addition, the Audit Committee considered whether Deloitte's independence would be jeopardized by providing non-audit services to the Company.

Based on the Audit Committee's review and discussions referenced in this report, the Audit Committee recommended to the Board that the Company's audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended January 30, 2010, as filed with the Securities and Exchange Commission.

## TRANSACTIONS WITH RELATED PERSONS

### Conflicts of Interest and Related Person Transaction Policies

Under our Ethics Code, our directors, officers and employees are not permitted to conduct business on our behalf with a member of his or her family, or a business organization with which he or she or a family member has an interest or employment relationship that could be considered significant in terms of potential conflict of interest unless such business dealings have been disclosed to, and approved by, the Audit Committee (in the case of directors or executive officers), the Chief Financial Officer (in the case of officers) or the employee's Department Vice President (in the case of other employees).

Further, under our Audit Committee's charter, the Audit Committee must review and approve all related person transactions in which any executive officer, director, director nominee or more than 5% shareholder, or any of their immediate family members, has a direct or indirect material interest. The Audit Committee may not approve a related person transaction unless it is in, or not inconsistent with, our best interests and, where applicable, the terms of such transaction are at least as favorable to us as could be obtained from an unrelated party.

Each of the related person transactions that occurred during fiscal 2009, as described below, were reviewed and approved by the Audit Committee in accordance with these policies.

### Current Transactions

Mr. J. Wayne Weaver, along with Bradley W. Weaver, his son, and collectively the owners of approximately 27.1% of the outstanding shares of our common stock, are members of LC Footwear, LLC with Mr. J. Wayne Weaver serving as the managing member. Both gentlemen were shareholders of PL Footwear, Inc., which during December 2007 became a wholly owned subsidiary of LC Footwear, LLC.

## Edgar Filing: SHOE CARNIVAL INC - Form DEF 14A

We have historically made purchases of women's footwear from LC Footwear, LLC in the ordinary course of business. During fiscal 2009, \$8,000 in purchases was made. Our management believes that purchases from LC Footwear, LLC historically have been and will continue to be on terms that are not less favorable to us than could be obtained from unrelated third parties for comparable merchandise.

PL Footwear, Inc., along with others, serves as an import agent for us. Import agents represent us on a commission basis in dealings with shoe factories primarily in mainland China where most of our private label shoes are manufactured. As agents for us, PL Footwear, Inc. and others visit shoe manufacturers, collect shoe samples, submit these samples to us and advise us of market conditions and availability of merchandise. They also help select materials, assist in detailing and quality control and coordinate the production and delivery schedule of a portion of our private label merchandise. We paid PL Footwear, Inc. 10% of the gross purchase price of shoes bought through that company. Commissions paid to PL Footwear, Inc. were approximately \$763,000 in fiscal 2009. Our management believes that the arrangements with PL Footwear, Inc. were on terms that were no less favorable to us than could be obtained from unrelated third parties.
