QUESTIONS AND ANSWERS ABOUT THESE PROXY MATERIALS

Why did you furnish me this proxy statement?

This proxy statement and the enclosed proxy card are furnished in connection with the solicitation of proxies by the Board of Directors (the “Board of Directors” or “Board”) of Chart Acquisition Corp., a Delaware corporation (the “Company,” “we,” us,” and “our”), for use at the annual meeting of stockholders (the “Annual Meeting”) to be held on Wednesday, December 3, 2014 at 11:00 a.m., local time, at the offices of The Chart Group, L.P., 555 5th Avenue, 19th Floor, New York, New York 10017, or at any adjournments or postponements thereof. This proxy statement summarizes the information that you need to make an informed decision on the proposals to be considered at the Annual Meeting. This proxy statement and the enclosed proxy card were first sent to the Company’s stockholders on or about November 6, 2014.

What is included in these materials?

These materials include:

This proxy statement, along with a letter from the Company, a Notice of Annual Meeting and a proxy card or voting instruction form; and

The Company’s Annual Report on Form 10-K for the year ended December 31, 2013, as filed with the Securities and Exchange Commission (the “SEC”) on March 17, 2014.

What proposals will be addressed at the Annual Meeting?

Stockholders will be asked to consider the following proposals at the Annual Meeting:

1. To elect two directors to serve as Class II directors on the Company’s Board of Directors until the 2017 annual meeting of stockholders or until their successors are elected and qualified;

2. To ratify the selection by our Audit Committee of KPMG LLP (“KPMG”) to serve as our independent registered public accounting firm for fiscal year 2014; and
3. Such other matters as may properly come before the Annual Meeting or any adjournment(s) or postponement(s) thereof.

How does the Board of Directors recommend that I vote?

Our Board of Directors unanimously recommends that stockholders vote “**FOR**” each nominee for Director and “**FOR**” the ratification of the selection of KPMG as our independent registered public accounting firm.

Who may vote at the Annual Meeting?

Stockholders who owned shares of the Company’s common stock, par value \$.0001 per share, as of the close of business on October 31, 2014 (the “Record Date”) are entitled to vote at the Annual Meeting.

As of the Record Date, there were 8,785,309 issued and outstanding shares of common stock.

How many votes must be present to hold the Annual Meeting?

Your shares are counted as present at the Annual Meeting if you attend the Annual Meeting and vote in person, if you properly submit your proxy or if your shares are registered in the name of a bank or brokerage firm and you do not provide voting instructions and such bank or broker casts a vote on the ratification of accountants. In order for us to conduct the Annual Meeting, a majority of our outstanding shares of common stock as of October 31, 2014 must be present in person or represented by proxy at the Annual Meeting, or 4,392,655 shares. This is referred to as a quorum.

How many votes do I have?

Each share of common stock is entitled to one vote on each matter that comes before the Annual Meeting. Information about the stockholdings of our directors and executive officers is contained in the section of this proxy statement entitled “Other Information—Principal Stockholders”.

What is the difference between a stockholder of record and a beneficial owner of shares held in street name?

Stockholder of Record. If your shares are registered directly in your name with the Company’s transfer agent, Continental Stock Transfer & Trust Company, you are considered the stockholder of record with respect to those shares, and the proxy materials would have been sent directly to you by the Company.

Beneficial Owner of Shares Held in Street Name. If your shares are held in an account at a brokerage firm, bank, broker-dealer, custodian or other similar organization, then you are the beneficial owner of shares held in “street name,” and the proxy materials were forwarded to you by that organization. The organization holding your account is considered the stockholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to instruct that organization on how to vote the shares held in your account. You communicate those instructions to the organization by filling out a “voting instruction form”.

What is the proxy card?

The proxy card enables you to appoint Joseph R. Wright, our Chairman and Chief Executive Officer, as your proxy and representative at the Annual Meeting. By completing and returning the proxy card, you are authorizing Mr. Wright to vote your shares at the Annual Meeting in accordance with your instructions on the proxy card. This way, your shares will be voted whether or not you attend the Annual Meeting. Even if you plan to attend the Annual Meeting, it is strongly recommended you complete and return your proxy card before the Annual Meeting date, just in case your plans change. If a proposal comes up for vote at the Annual Meeting that is not on the proxy card, Mr. Wright will vote your shares according to his best judgment.

If I am a stockholder of record of the Company’s shares, how do I vote?

There are the following ways to vote:

In person. You may vote in person at the Annual Meeting. The Company will give you a ballot when you arrive.

By mail. You may vote by proxy by filling out the proxy card and sending it back in the envelope provided.

By telephone or electronically. You may vote by telephone or electronically by following the instructions provided on the proxy card.

If I am a beneficial owner of shares held in street name, how do I vote?

There are the following ways to vote:

In person. If you are a beneficial owner of shares held in street name and you wish to vote in person at the Annual Meeting, you must obtain a legal proxy from the brokerage firm, bank, broker-dealer or other similar organization that holds your shares. Please contact that organization for instructions regarding obtaining a legal proxy.

By mail. You may vote by proxy by filling out the voting instruction form and sending it back in the envelope provided by your brokerage firm, bank, broker-dealer or other similar organization that holds your shares.

By telephone or electronically. You may vote by telephone or electronically by following the instructions provided in the voting instruction form provided by your brokerage firm, bank, broker-dealer or other similar organization that holds your shares.

Will my shares be voted if I do not provide my proxy?

If you hold your shares directly in your own name, they will not be voted if you do not provide a proxy.

Your shares may be voted under certain circumstances if they are held in the name of a brokerage firm. Brokerage firms generally have the authority to vote customers' unvoted shares on certain "routine" matters, including the ratification of our independent registered public accounting firm. At the Annual Meeting, these shares will be counted as voted by the brokerage firm in the ratification of our independent registered public accounting firm.

Brokers are prohibited from exercising discretionary authority on non-routine matters. Proposal one is considered a non-routine matter, and therefore brokers cannot exercise discretionary authority regarding this proposal for beneficial owners who have not returned proxies to the brokers (so-called "broker non-votes"). In the case of broker non-votes, and in cases where you abstain from voting on a matter when present at the Annual Meeting and entitled to vote, those shares will still be counted for purposes of determining if a quorum is present.

What vote is required to elect directors?

The two nominees receiving the highest numbers of affirmative votes cast at the Annual Meeting will be elected. Shares not voted on the election of directors will have no effect on the vote for election of directors.

What vote is required to ratify the selection by our Audit Committee of KPMG as our independent registered public accounting firm?

Approval of the proposal to ratify the selection of KPMG as our independent registered public accounting firm requires the affirmative vote of the majority of the shares cast on the matter at the Annual Meeting. Shares not voted on this proposal will have no effect on the vote to ratify KPMG as our independent registered public accounting firm.

Can I change my vote after I have voted?

You may revoke your proxy and change your vote at any time before the final vote at the Annual Meeting. You may vote again by signing and returning a new proxy card or vote instruction form with a later date or by attending the Annual Meeting and voting in person if you are a stockholder of record. However, your attendance at the Annual Meeting will not automatically revoke your proxy unless you vote again at the Annual Meeting or specifically request that your prior proxy be revoked by delivering to the Company's Secretary, Michael LaBarbera, at c/o The Chart Group, L.P., 555 5th Avenue, 19th Floor, New York, New York 10017, a written notice of revocation prior to the Annual Meeting.

Please note, however, that if your shares are held of record by a brokerage firm, bank or other nominee, you must instruct your broker, bank or other nominee that you wish to change your vote by following the procedures on the voting form provided to you by the broker, bank or other nominee. If your shares are held in street name, and you wish to attend the Annual Meeting and vote at the Annual Meeting, you must bring to the Annual Meeting a legal proxy from the broker, bank or other nominee holding your shares, confirming your beneficial ownership of the shares and giving you the right to vote your shares.

What happens if I do not indicate how to vote my proxy?

If you just sign your proxy card without providing further instructions, your shares will be voted "FOR" for all the director nominees and the proposals being placed before our stockholders at the Annual Meeting.

Is my vote kept confidential?

Proxies, ballots and voting tabulations identifying stockholders are kept confidential and will not be disclosed except as may be necessary to meet legal requirements.

Where do I find the voting results of the Annual Meeting?

We intend to announce preliminary voting results at the Annual Meeting. The final voting results will be tallied by the inspector of election and published in our Current Report on Form 8-K within four business days following the Annual Meeting.

Who bears the cost of soliciting proxies?

The Company will bear the cost of soliciting proxies and will reimburse brokerage firms and others for expenses involved in forwarding proxy materials to beneficial owners or soliciting their execution. In addition to solicitations by mail, the Company, through its directors and officers, may solicit proxies in person, by telephone or by electronic means. Such directors and officers will not receive any special remuneration for these efforts.

Who can help answer my questions?

You can contact our Secretary, Michael LaBarbera, at (212) 350-8250 or by sending a letter to Michael LaBarbera at c/o The Chart Group, L.P., 555 5th Avenue, 19th Floor, New York, New York 10017 with any questions about the proposals described in this proxy statement or how to execute your vote.

THE ANNUAL MEETING

We are furnishing this proxy statement to you as a stockholder of Chart Acquisition Corp. as part of the solicitation of proxies by our Board for use at our Annual Meeting to be held on Wednesday, December 3, 2014, or any adjournment or postponement thereof. This proxy statement and the accompanying Notice of Annual Meeting and letter from the Company are dated November 6, 2014 and are being mailed on or about that date.

Date, Time, Place and Purpose of the Annual Meeting

The Annual Meeting will be held at the offices of The Chart Group, L.P., 555 5th Avenue, 19th Floor, New York, New York 10017, on Wednesday, December 3, 2014, at 11:00 a.m., local time. You are cordially invited to attend the Annual Meeting, at which stockholders will be asked to consider and vote upon the following proposals, which are more fully described in this proxy statement:

1. To elect two directors to serve as Class II directors on the Company's Board of Directors (the "Board") until the 2017 annual meeting of stockholders or until their successors are elected and qualified;
2. To ratify the selection by our Audit Committee of KPMG to serve as our independent registered public accounting firm for fiscal year 2014; and
3. Such other matters as may properly come before the Annual Meeting or any adjournment(s) or postponement(s) thereof.

Record Date, Voting and Quorum

Our Board fixed the close of business on October 31, 2014, as the Record Date for the determination of holders of our outstanding common stock entitled to notice of and to vote on all matters presented at the Annual Meeting. As of the record date, there were 8,785,309 shares of common stock issued and outstanding and entitled to vote. Each share of common stock entitles the holder thereof to one vote.

The holders of common stock entitled to cast a majority of all votes that could be cast by the holders of all of the outstanding common stock, present in person or represented by proxy at the Annual Meeting, constitute a quorum.

Required Vote

The two nominees receiving the highest number of affirmative votes cast at the Annual Meeting will be elected as directors.

The approval of the proposal to ratify the selection of KPMG as our independent registered public accounting firm requires the affirmative vote of a majority of the common stock cast on this matter at the Annual Meeting.

Voting

You can vote your shares at the Annual Meeting by proxy or in person.

You can vote by proxy by having one or more individuals who will be at the Annual Meeting vote your shares for you. These individuals are called “proxies” and using them to cast your ballot at the Annual Meeting is called voting “by proxy.”

If you wish to vote by proxy, you must complete the enclosed form, called a “proxy card,” and mail it in the envelope provided.

If you complete the proxy card as described above, you will designate Joseph R. Wright, our Chairman and Chief Executive Officer, to act as your proxy and representative at the Annual Meeting. Mr. Wright will then vote your shares at the Annual Meeting in accordance with the instructions you have given on the proxy card or voting instructions, as applicable, with respect to the proposals presented in this proxy statement. Proxies will extend to, and be voted at, any adjournment(s) or postponement(s) of the Annual Meeting.

Alternatively, you can vote your shares in person by attending the Annual Meeting. You will be given a ballot at the meeting.

While we know of no other matters to be acted upon at this year's Annual Meeting, it is possible that other matters may be presented at the Annual Meeting. If that happens and you have signed and not revoked a proxy card, your proxy will be voted on such other matters in accordance with the best judgment of Mr. Wright.

If your shares are held in the name of a broker, bank or other nominee, you must bring a statement from your brokerage account or a letter from the person or entity in whose name the shares are registered indicating that you are the beneficial owner of those shares as of the record date. In addition, you will not be able to vote at the Annual Meeting unless you obtain a legal proxy from the record holder of your shares. Even if you plan to attend the Annual Meeting, we recommend that you also submit your proxy card or voting instruction card as described herein so your vote will be counted if you later decide not to attend the Annual Meeting.

Our Board is asking for your proxy. Giving the Board your proxy means you authorize it to vote your shares at the Annual Meeting in the manner you direct. You may vote for or withhold your vote for each nominee or proposal or you may abstain from voting. All valid proxies received prior to the Annual Meeting will be voted. All shares represented by a proxy will be voted, and where a stockholder specifies by means of the proxy a choice with respect to any matter to be acted upon, the shares will be voted in accordance with the specification so made. If no choice is indicated on the proxy, the shares will be voted "FOR" the election of each nominee for Director, "FOR" the ratification of the selection of KPMG as our independent registered public accounting firm and as the proxy holders may determine in their discretion with respect to any other matters that may properly come before the Annual Meeting.

Stockholders who have questions or need assistance in completing or submitting their proxy cards should contact our Secretary, Michael LaBarbera, at (212) 350-8250.

Stockholders who hold their shares in "street name," meaning the name of a broker or other nominee who is the record holder, must either direct the record holder of their shares to vote their shares or obtain a legal proxy from the record holder to vote their shares at the Annual Meeting.

Revocability of Proxies

Any proxy may be revoked by the person giving it at any time before the polls close at the Annual Meeting. A proxy may be revoked by filing with our Secretary (Michael LaBarbera, Chart Acquisition Corp., c/o The Chart Group, L.P., 555 5th Avenue, 19th Floor, New York, New York 10017) either (i) a written notice of revocation bearing a date later than the date of such proxy, (ii) a subsequent proxy relating to the same shares, or (iii) by attending the Annual Meeting and voting in person.

Simply attending the Annual Meeting will not constitute revocation of your proxy. If your shares are held in the name of a broker or other nominee who is the record holder, you must follow the instruction of your broker or other nominee to revoke a previously given proxy.

Attendance at the Annual Meeting

Only holders of common stock, their proxy holders and guests we may invite may attend the Annual Meeting. If you wish to attend the Annual Meeting in person but you hold your shares through someone else, such as a broker, you must bring proof of your ownership and identification with a photo at the Annual Meeting. For example, you may bring an account statement showing that you beneficially owned shares of Chart Acquisition Corp. as of the record date as acceptable proof of ownership.

Solicitation of Proxies

The cost of preparing, assembling, printing and mailing this proxy statement and the accompanying form of proxy, and the cost of soliciting proxies relating to the Annual Meeting, will be borne by the Company. Some banks and brokers have customers who beneficially own common stock listed of record in the names of nominees. We intend to request banks and brokers to solicit such customers and will reimburse them for their reasonable out-of-pocket expenses for such solicitations. If any additional solicitation of the holders of our outstanding shares of common stock is deemed necessary, we (through our directors and officers) anticipate making such solicitation directly. The solicitation of proxies by mail may be supplemented by telephone and personal solicitation by officers, directors and other employees of the Company, but no additional compensation will be paid to such individuals.

No Right of Appraisal

Neither Delaware law nor our amended and restated certificate of incorporation provide for appraisal or other similar rights for dissenting stockholders in connection with any of the proposal to be voted upon at the Annual Meeting. Accordingly, our stockholders will have no right to dissent and obtain payment for their shares.

Other Business

We are not currently aware of any business to be acted upon at the Annual Meeting other than the matters discussed in this proxy statement. The form of proxy accompanying this proxy statement confers discretionary authority upon the named proxy holder with respect to amendments or variations to the matters identified in the accompanying Notice of Annual Meeting and with respect to any other matters which may properly come before the Annual Meeting. If other matters do properly come before the Annual Meeting, or at any adjournment(s) or postponement(s) of the Annual Meeting, we expect that shares of our common stock, represented by properly submitted proxies will be voted by the proxy holder in accordance with the recommendations of our Board.

The principal executive offices of our Company are located at Chart Acquisition Corp., c/o The Chart Group, L.P., 555 5th Avenue, 19th Floor, New York, New York 10017. The Company's telephone number at such address is (212) 350-8250.

Corporate Governance

Classified Board of Directors

Our amended and restated certificate of incorporation provides for a Board of Directors classified into three classes, as nearly equal in number as possible, whose terms of office expire in successive years. Our Board of Directors now consists of seven directors as set forth above in the section entitled “Directors, Executive Officers and Corporate Governance–Directors and Officers.”

Director Independence

The Board of Directors has determined that each of Governor Ridge, Senator Kerrey and Messrs. Medina and Krieg are independent in accordance with the Listing Rules (the “NASDAQ Listing Rules”) of the NASDAQ Stock Market LLC (“NASDAQ”). The Board of Directors affirmatively determined that no director (other than Messrs. Wright, Brady and Cohen) has a material relationship with the Company, either directly or as a partner, stockholder or officer of an organization that has a relationship with the Company.

We currently have the following standing committees: the Audit Committee and the Compensation Committee. Each of the standing committees of the Board of Directors is composed entirely of independent directors.

Committee Membership, Meetings and Attendance

During the fiscal year ended December 31, 2013:

two meetings of the Board were held;

the Board acted two times by written consent;

four meetings of the Audit Committee were held; and

no meetings of the Compensation Committee were held.

Each of our incumbent directors attended or participated in at least 75% of the meetings of the Board of Directors and the respective committees of which he is a member held during the period such incumbent director has been a director during fiscal year ended December 31, 2013.

We encourage all of our directors to attend our annual meetings of stockholders. Our last annual meeting of stockholders was held on February 10, 2014 and two of our directors attended such meeting.

Audit Committee

We have a separately-designated standing Audit Committee established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and NASDAQ Listing Rules. In addition, our Board adopted a written charter for the Audit Committee. A copy of the Audit Committee charter is available, free of charge, from the Company by writing to the Company's Secretary, Michael LaBarbera, c/o The Chart Group, L.P., 555 5th Avenue, 19th Floor, New York, New York 10017.

The Audit Committee's duties, which are specified in its charter, include, but are not limited to:

reviewing and discussing with management and the independent auditor the annual audited financial statements, and recommending to the board whether the audited financial statements should be included in our annual reports;

discussing with management and the independent auditor significant financial reporting issues and judgments made in connection with the preparation of our financial statements;

discussing with management major risk assessment and risk management policies;

monitoring the independence of the independent auditor;

verifying the rotation of the lead (or coordinating) audit partner having primary responsibility for the audit and the audit partner responsible for reviewing the audit as required by law;

reviewing and approving all related-party transactions;

inquiring and discussing with management our compliance with applicable laws and regulations;

pre-approving all audit services and permitted non-audit services to be performed by our independent auditor, including the fees and terms of the services to be performed;

appointing or replacing the independent auditor;

determining the compensation and oversight of the work of the independent auditor (including resolution of disagreements between management and the independent auditor regarding financial reporting) for the purpose of preparing or issuing an audit report or related work;

establishing procedures for the receipt, retention and treatment of complaints received by us regarding accounting, internal accounting controls or reports which raise material issues regarding our financial statements or accounting policies; and

approving reimbursement of expenses incurred by our management team in identifying potential target businesses.

The Audit Committee is comprised of Governor Ridge, Senator Kerrey and Mr. Medina. The Board has determined that Mr. Medina is an Audit Committee financial expert, as defined by the SEC rules, based on his education, experience and background. In addition, we must certify to NASDAQ that the Audit Committee has, and will continue to have, at least one member who has past employment experience in finance or accounting, requisite professional certification in accounting, or other comparable experience or background that results in the individual's financial sophistication. The Board has determined that Mr. Medina is an independent director that satisfies NASDAQ's definition of financial sophistication.

Compensation Committee

We have a separately-designated standing Compensation Committee established in accordance with the NASDAQ Listing Rules. The Compensation Committee is comprised of Mr. Medina and Mr. Krieg. The Compensation Committee has overall responsibility for determining and approving the compensation of our Chief Executive Officer and reviewing and approving the annual base salaries and annual incentive opportunities of our executive officers. The Company may utilize the services of independent consultants to perform analyses and to make recommendations relative to executive compensation matters. These analyses and recommendations are conveyed to the Compensation Committee, and the Compensation Committee takes such information into consideration in making its compensation decisions. The Compensation Committee has adopted a written charter. A copy of such charter is available, free of charge, from the Company by writing to the Company's Secretary, Michael LaBarbera, c/o The Chart Group, L.P., 555 5th Avenue, 19th Floor, New York, New York 10017.

Compensation Committee Interlocks and Insider Participation

During the year ended December 31, 2013, none of our officers or employees served as a member of the Compensation Committee. None of our executive officers serve as a member of the board of directors or compensation committee of any entity that has one or more executive officers serving on our board of directors or on the Compensation Committee.

Board Leadership Structure and Role in Risk Oversight

We do not require separation of the offices of the Chairman of the Board and Chief Executive Officer and we currently have one person, Mr. Wright, serving in each capacity. In addition, we do not have a lead independent director. The decision whether to combine or separate these positions depends on what our Board of Directors deems to be in the long term interest of stockholders in light of prevailing circumstances. The Board has deemed the current leadership structure to be appropriate given the Company's limited business purpose of pursuing an initial business combination. Our Board of Directors believes the Company is well-served by the current leadership structure and that the combination or separation of these positions should continue to be considered on an ongoing basis.

The Board is actively involved in overseeing our risk management processes. The Board focuses on our general risk management strategy and ensures that appropriate risk mitigation strategies are implemented by management. Further, operational and strategic presentations by management to the Board include consideration of the challenges and risks of our businesses, and the Board and management actively engage in discussion on these topics. In addition, each of the Board's committees considers risk within its area of responsibility. For example, the Audit Committee provides oversight to legal and compliance matters and assesses the adequacy of our risk-related internal controls. The Compensation Committee considers risk and structures our executive compensation programs to provide incentives to reward appropriately executives for growth without undue risk taking.

Director Recommendations and Nominations

The Board does not maintain a separate nominating committee as it believes that the independent directors of the Board can satisfactorily carry out the responsibility of properly selecting or approving director nominees without the formation of a standing nominating committee. The independent directors of the Board are currently responsible for assembling and maintaining a list of qualified candidates to serve on the Board, and it periodically reviews this list and researches the talent, skills, expertise, and general background of these candidates. The Board will from time to time review and consider candidates recommended by stockholders. Stockholder recommendations should be submitted in writing to: Chart Acquisition Corp., c/o The Chart Group, L.P., 555 5th Avenue, 19th Floor, New York, New York 10017, Attention: Michael L. LaBarbera, Secretary.

The independent members of the Board do not have a formal policy with regard to consideration of diversity in identifying director nominees. The independent board members may consider diversity, which could include diversity with respect to experience, skill set, age, areas of expertise and professional background, as well as race, gender and national origins, along with many other criteria, in selecting director nominees.

Whether recommended by a stockholder or chosen by the independent directors, a candidate will be selected for nomination based on his or her talents and the needs of the Board. Although the Board does not have a formal diversity policy, it is expected that the independent directors will consider such factors as they deem appropriate to assist in developing a Board and committees that are diverse in nature and comprised of experienced and seasoned advisors. These factors may include decision-making ability, judgment, personal integrity and reputation, experience with businesses and other organizations of comparable purpose and size, experience as an executive with a publicly traded company, and the extent to which the candidate would be a desirable addition to the Board and any committees of the Board. Director candidates are evaluated in view of the criteria described above, as well as other factors deemed to be relevant by the Board, through reviews of biographical and other information, input from others, including members of the Board and executive officers of the Company, and personal discussions with the candidate when warranted by the results of these other assessments.

Procedures for Contacting Directors

The Board has established a process for stockholders to send communications to the Board. Stockholders may communicate with the Board generally or a specific director at any time by writing to the Company's Secretary, Michael LaBarbera, c/o The Chart Group, L.P., 555 5th Avenue, 19th Floor, New York, New York 10017. We review all messages received, and forward any message that reasonably appears to be a communication from a stockholder about a matter of stockholder interest that is intended for communication to the Board. Communications are sent as soon as practicable to the director to whom they are addressed, or if addressed to the Board generally, to the Chairman of the Board. Because other appropriate avenues of communication exist for matters that are not of stockholder interest, such as general business complaints or employee grievances, communications that do not relate to matters of stockholder interest are not forwarded to the Board.

Code of Conduct and Ethics

The Company has adopted a Code of Ethics that applies to all its employees including its principal executive, financial and accounting officers. A copy of the Code of Ethics and the Audit Committee and Compensation Committee charters can be found on the Company's website at www.chartacquisition.com/corporategovernance.aspx.

AUDIT COMMITTEE REPORT

The information contained in this Audit Committee Report shall not be deemed to be "soliciting material" or "filed" or incorporated by reference in future filings with the SEC, or subject to the liabilities of Section 18 of the Exchange Act, except to the extent that the Company specifically requests that the information be treated as soliciting material or specifically incorporates it by reference into a document filed under the Securities Act or the Exchange Act.

The Audit Committee has reviewed and discussed our audited financial statements with management, and has discussed with our independent registered public accounting firm the matters required to be discussed by Statement on Auditing Standards No. 61, as amended (Codification of Statements on Auditing Standards, AU 380), as adopted by the Public Company Accounting Oversight Board (the "PCAOB") in Rule 3200T. Additionally, the Audit Committee has received the written disclosures and the letter from our independent registered public accounting firm, as required by the applicable requirements of the PCAOB, and has discussed with the independent registered public accounting firm the independent registered public accounting firm's independence. Based upon such review and discussion, the Audit Committee recommended to the Board that the audited financial statements be included in our Annual Report on Form 10-K for the last fiscal year ended December 31, 2013.

EXECUTIVE COMPENSATION

Since our inception, none of our executive officers or directors has received any compensation (cash or non-cash) for services rendered. Commencing on the date that our securities were first listed on NASDAQ through the earlier of consummation of our initial business combination or our liquidation, we will pay The Chart Group, L.P., an affiliate of Mr. Brady, our President and a director, a total of \$10,000 per month for office space and administrative services, including secretarial support. This arrangement was agreed to by The Chart Group, L.P. for our benefit and is not intended to provide The Chart Group, L.P. or Mr. Brady compensation in lieu of a salary. We believe that such fees are at least as favorable as we could have obtained from an unaffiliated third party for such services. Other than this \$10,000 per month fee, no compensation of any kind, including finder's and consulting fees, will be paid to our initial stockholders, executive officers and directors, or any of their respective affiliates, for services rendered prior to or in connection with the consummation of an initial business combination. However, these individuals will be reimbursed for any out-of-pocket expenses incurred in connection with activities on our behalf such as identifying potential target businesses and performing due diligence on suitable business combinations.

After the consummation of our initial business combination, directors or members of our management team who remain in one of those capacities, may be paid consulting, management or other fees from the combined company with any and all amounts being fully disclosed to stockholders, to the extent then known, in the tender offer materials or proxy solicitation materials furnished to our stockholders in connection with a proposed business combination. It is unlikely the amount of such compensation will be known at the time, as it will be up to the directors of the post-combination business to determine executive and director compensation.

We do not intend to take any action to ensure that members of our management team maintain their positions after the consummation of our initial business combination, although it is possible that some or all of our executive officers and directors may negotiate employment or consulting arrangements to remain with the combined entity after the initial business combination. The existence or terms of any such employment or consulting arrangements to retain their positions with us may influence our management's motivation in identifying or selecting a target business but we do not believe that the ability of our management to remain with us after the consummation of an initial business combination will be a determining factor in our decision to proceed with any potential business combination. We are not party to any agreements with our executive officers and directors that provide for benefits upon termination of employment.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our executive officers and directors, and persons who beneficially own more than ten percent of our common stock, to file initial reports of ownership and reports of changes in ownership with the SEC. Executive officers, directors and greater than ten percent beneficial owners are required by SEC regulations to furnish us with copies of all Section 16(a) forms they file. Based upon a review of the copies of such forms furnished to us, we believe that during the year ended December 31, 2013 there were no delinquent filers.

Private Placements

Founders Shares

On August 9, 2011, the Company issued to Chart Acquisition Group LLC, our sponsor, in a private placement 2,156,250 shares of restricted common stock, which we refer to as the founder shares, for an aggregate purchase price of \$25,000. In January 2012, Chart Acquisition Group LLC, our sponsor, transferred an aggregate of 337,500 founder shares to Joseph Wright, Governor Thomas Ridge and Senator Joseph Robert Kerrey, each of whom is one of our officers and/or directors, and Timothy N. Teen, a former director, and an aggregate of 890,625 shares to The Chart Group, L.P., the sole managing member of our sponsor. Subsequently in January 2012, The Chart Group, L.P. transferred an aggregate of 525,469 founder shares to certain of our officers and certain affiliates and officers of The Chart Group, L.P. On April 17, 2012, our sponsor transferred an aggregate of 37,500 founder shares to Manuel D. Medina, who joined our Board in March 2012. In connection with Mr. Krieg's appointment to our Board, our sponsor intends to issue to Mr. Krieg an option to purchase 37,500 founder shares at an exercise price equal to the closing price of our common stock on the NASDAQ Capital Market on the date of issuance in order to align his equity holdings in the Company to each other independent director of the Company.

An aggregate of 281,250 founder shares were forfeited in January 2013 because the underwriters of our initial public offering, or IPO, did not exercise their over-allotment option.

The founder shares and the placement shares, which are described below, are identical to the shares of common stock included in the units that were sold in our IPO except that (i) the founder shares and the placement shares are subject to certain transfer restrictions as described above, and (ii) each of the initial stockholders and Cowen Overseas has agreed not to redeem any of the founder shares or placement shares, as the case may be, held by them in connection with the consummation of an initial business combination, and each has also waived its rights to participate in any redemption with respect to its initial shares and placement shares, as the case may be, if the Company fails to consummate an initial business combination.

An aggregate of 234,375 shares are subject to forfeiture by our initial stockholders in the event the last sales price of our stock does not equal or exceed \$11.50 per share (as adjusted for stock splits, stock dividends, reorganizations, recapitalizations and the like) for any 20 trading days within any 30-trading day period within 60 months following the closing of our initial business combination. An aggregate of 234,375 additional founder shares are subject to forfeiture by our initial stockholders in the event the last sales price of our stock does not equal or exceed \$13.50 per share (as adjusted for stock splits, stock dividends, reorganizations, recapitalizations and the like) for any 20 trading days within any 30-trading day period within 60 months following the closing of our initial business combination. The shares subject to these forfeiture provisions are referred to as the founder earn out shares. Our initial stockholders have agreed, to the extent applicable, that they will not sell or transfer founder shares that remain subject to forfeiture.

Placement Units

Simultaneously with the closing of our IPO, our sponsor, Joseph Wright and Cowen Overseas, an affiliate of Peter Cohen, purchased an aggregate of, 375,000 units (the “placement units”) from the Company at a price of \$10.00 per unit, each unit consisting of one share of common stock (“placement shares”) and a warrant to purchase one share of common stock (“placement warrants”), for an aggregate purchase price of \$3,750,000, in private placement pursuant to Section 4(2) of the Securities Act of 1933, as amended. Our sponsor purchased 231,250 of such placement units, Mr. Wright purchase 12,500 of such placement units and Cowen Overseas purchased 131,250 of such placement units. The placement warrants are identical to the warrants sold in the IPO except that, (i) if held by the initial holders or their permitted assigns, they (a) may be exercised for cash or on a cashless basis at the option of the holder; and (b) will not be redeemable by the Company, and (ii) the placement warrants issued to Cowen Overseas, so long as held by Cowen Overseas or any of its related persons under FINRA rules, expire five years from the effectiveness of the registration statement. In addition, the placement warrants and placement shares are subject to transfer restrictions until 30 days following the consummation of the initial business combination.

The placement units and the component securities contained therein are subject to lockup (i.e. not transferable, assignable or saleable) until 30 days after the consummation of our initial business combination. If we do not

complete an initial business combination, the portion of the \$3,750,000 purchase price of the placement units placed in the trust account will be included as a part of the liquidation amount payable to our public stockholders and the placement warrants will expire worthless.

General

In connection with a stockholder vote to approve an initial business transaction, if any, each of the initial stockholders have agreed to vote their founders shares and/or placement shares, as the case may be, in favor of the initial business transaction. In addition, the Company's initial stockholders, officers and directors have each also agreed to vote any shares of common stock acquired in the IPO or in the aftermarket in favor of the initial business transaction submitted to stockholders for approval, if any.

Pursuant to a registration rights agreement to be entered into concurrently with our IPO, our initial stockholders and Cowen Overseas, and their respective permitted transferees, can demand that we register the founder shares, placement units, placement shares and placement warrants, and the shares of common stock issuable upon exercise of the placement warrants, as the case may be. The registration rights will be exercisable with respect to the founder shares, the placement units, placement shares and the placement warrants and the shares of common stock issuable upon exercise of such placement warrants at any time commencing upon the date that such shares are released from transfer restrictions. We will bear the cost of registering these securities.

Administrative Services Agreement

In accordance with the terms of an Administrative Services Agreement, the Company pays Chart Group L.P., an affiliate of our sponsor, a total of \$10,000 per month for office space and general and administrative services. Services commenced on December 14, 2012, the date our securities were first listed on the NASDAQ Capital Market, and will terminate upon the earlier of the consummation of an initial business combination and the liquidation of the Company.

Support of Business Combination

In connection with our initial public offering, our sponsor, Mr. Wright and Cowen Overseas collectively committed to offer to purchase up to 3,750,000 of our issued and outstanding warrants at a purchase price of \$0.60 per warrant in a proposed tender offer that would commence after our announcement of an initial business combination and would close upon the consummation of such initial business combination. The proposed purchase price of \$0.60 was determined by our sponsor, Mr. Wright and Cowen Overseas in consultation with the representatives of the

underwriters of our initial public offering and based on these entities' knowledge of the securities markets. At the time of the proposed tender offer, each of our sponsor, Mr. Wright and Cowen Overseas has agreed not to tender any placement warrants in the proposed tender offer. Through the warrant tender offer, the initial holders will effectively offer to purchase up to 50% of the warrants sold as part of the units in IPO. The warrant tender offer will not be conditioned upon any minimum number of warrants being tendered. In the event the aggregate number of public warrants validly tendered by the public warrant holders exceeds 3,750,000 (less the 7,700 warrants validly tendered and not withdrawn in the previous tender offer as described below), each validly submitted offer to sell will be reduced on a pro rata basis in accordance with the terms of the offer to purchase that will be provided to the public warrant holders in connection with the warrant tender offer.

In connection with our initial public offering, our sponsor, Mr. Wright and Cowen Overseas deposited an aggregate of \$2,250,000 with Continental Stock Transfer & Trust Company into a segregated escrow account (representing \$0.60 per warrant for up to 3,750,000 warrants). More specifically, the sponsor deposited \$1,387,500, Mr. Wright deposited \$75,000 and Cowen Overseas deposited \$787,500. The funds held in the escrow account were to be invested only in United States treasuries or in money market funds that invest solely in United States treasuries with a maturity of 180 days or less.

In August 2014, our sponsor, Mr. Wright and Cowen Overseas commenced a tender offer to purchase up to 3,750,000 of our issued and outstanding warrants at a purchase price of \$0.30 per warrant in connection with a special meeting of stockholders held to approve an amendment to the Company's Amended and Restated Certificate of Incorporation to extend the date by which the Company must consummate its initial business combination from September 13, 2014 to March 13, 2015 and related matters. A total of 7,700 warrants were validly tendered and not withdrawn in the tender offer. Our sponsor, Mr. Wright and Cowen Overseas accepted for purchase all such warrants for an aggregate purchase price of \$2,310.

If we are unable to consummate an initial business combination within the allotted time, holders of our outstanding public warrants will receive a pro-rata portion of the proceeds on deposit in this escrow account (\$0.30 per warrant) as promptly as reasonably possible but no more than five business days thereafter, after which time such warrants will expire worthless. Interest earned on the amount deposited in the escrow account, if any, will be paid to our sponsor, Mr. Wright and Cowen Overseas in accordance with the terms of the escrow agreement.

Commencing on December 14, 2012, we agreed to pay The Chart Group, L.P., an affiliate of our sponsor, a total of \$10,000 per month for office space, administrative services and secretarial support. Upon consummation of our initial business combination or our liquidation, we will cease paying these monthly fees.

All ongoing and future transactions between us and any member of our management team or his or her respective affiliates will be on terms believed by us at that time, based upon other similar arrangements known to us, to be no less favorable to us than are available from unaffiliated third parties. It is our intention to obtain estimates from unaffiliated third parties for similar goods or services to ascertain whether such transactions with affiliates are on terms that are no less favorable to us than are otherwise available from such unaffiliated third parties. If a transaction with an affiliated third party were found to be on terms less favorable to us than with an unaffiliated third party, we would not engage in such transaction.

PROPOSALS TO BE CONSIDERED BY STOCKHOLDERS

PROPOSAL ONE

ELECTION OF TWO CLASS II DIRECTORS

Nominee Biographies

For biographies of each nominee to serve as a Class II director, please see the section entitled “Directors, Executive Officers and Corporate Governance—Directors and Officers”.

Required Vote

The two nominees receiving the highest number of affirmative votes shall be elected as directors. Unless marked to the contrary, proxies received will be voted “FOR” these nominees.

PROPOSAL TWO

RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

We are asking stockholders to ratify the Audit Committee's selection of KPMG LLP ("KPMG") as our independent registered public accounting firm for the fiscal year ending December 31, 2014. The Audit Committee is directly responsible for appointing the Company's independent registered public accounting firm. Although this appointment does not require ratification, the Board has directed that the appointment of KPMG be submitted to stockholders for ratification due to the significance of their appointment. If stockholders do not ratify the appointment of KPMG, the Audit Committee will consider the appointment of another independent registered public accounting firm for the fiscal year ending December 31, 2014. Representatives of KPMG are expected to be present at the Annual Meeting. The representatives will have an opportunity to make a statement if they desire and will be available to answer appropriate questions from stockholders.

Change in Auditors

On June 30, 2014, KPMG acquired certain assets of Rothstein Kass, P.A. (d/b/a Rothstein Kass & Company, P.C.) and certain of its affiliates ("Rothstein Kass"), our prior independent registered public accounting firm. As a result of this transaction, on June 30, 2014, Rothstein Kass resigned as the independent registered public accounting firm for the Company. Concurrent with such resignation, the Audit Committee approved the engagement of KPMG as the new independent registered public accounting firm for the Company. On August 6, 2014, KPMG completed its client evaluation procedures and accepted the engagement.

The audit reports of Rothstein Kass on the Company's financial statements for the years ended December 31, 2013 and 2012 did not contain an adverse opinion or a disclaimer of opinion, and were not qualified or modified as to uncertainty, audit scope or accounting principles. During the two most recent fiscal years ended December 31, 2013 and through the subsequent interim period preceding Rothstein Kass's resignation, there were no disagreements between the Company and Rothstein Kass on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedures, which disagreements, if not resolved to the satisfaction of Rothstein Kass would have caused them to make reference thereto in their reports on the Company's financial statements for such years. During the two most recent fiscal years ended December 31, 2013 and through the subsequent interim period preceding Rothstein Kass's resignation, there were no reportable events within the meaning set forth in Item 304(a)(1)(v) of Regulation S-K.

Fees Billed by our Independent Registered Public Accounting Firm During Fiscal 2012 and 2013

Set forth below are the fees paid or to be paid to Rothstein Kass for services rendered to us for the fiscal years ended December 31, 2012 and 2013:

Audit Fees. Audit fees consist of fees billed for professional services rendered for the audit of our year-end financial statements and services that are normally provided by Rothstein Kass in connection with regulatory filings. The aggregate fees billed by Rothstein Kass for professional services rendered for the audit of our annual financial statements, review of the financial information included in our Forms 10-Q for the respective periods and other required filings with the SEC for the year ended December 31, 2013 and 2012 totaled \$45,000 and \$70,000, respectively. The above amounts include interim procedures and audit fees, as well as attendance at Audit Committee meetings.

Audit-Related Fees. Audit-related services consist of fees billed for assurance and related services that are reasonably related to performance of the audit or review of our financial statements and are not reported under "Audit Fees." These services include attest services that are not required by statute or regulation and consultations concerning financial accounting and reporting standards. During the year ended December 31, 2013, we paid Rothstein Kass \$9,750 for consultations concerning financial accounting and reporting standards. We did not pay Rothstein Kass for audit-related services for the year ended December 31, 2012.

Tax Fees. We did not pay Rothstein Kass for tax planning and tax advice for the year ended December 31, 2012 or for the year ended December 31, 2013.

All other fees. During the year ended December 31, 2013, we paid Rothstein Kass \$28,500 for consulting services for our due diligence review in connection with the investigation of an acquisition target. We did not pay Rothstein Kass for any other fees for the year ended December 31, 2012.

Pre-Approval Policy

Our Audit Committee has adopted a statement of principles with respect to the pre-approval of services provided by the independent registered public accounting firm. In accordance with the statement of principles, the Audit Committee has determined that all non-prohibited services to be provided by the independent registered public accounting firm are to be approved in advance pursuant to a proposal from such independent registered public accounting firm and a request by management for approval.

Vote Required

The ratification of the appointment of KPMG requires the vote of a majority of the shares cast on the matter at the Annual Meeting.

Recommendation

Our Board of Directors recommends a vote “FOR” the ratification of the selection by the Audit Committee of KPMG as our independent registered public accounting firm.

OTHER MATTERS

Submission of Stockholder Proposals for the 2015 Annual Meeting

We anticipate that the 2015 annual meeting of stockholders will be held no later than December 3, 2015. For any proposal to be considered for inclusion in our proxy statement and form of proxy for submission to the stockholders at our 2015 Annual Meeting of Stockholders, it must be submitted in writing and comply with the requirements of Rule 14a-8 of the Exchange Act. Such proposals must be received by the Company at its offices at c/o The Chart Group, L.P., 555 5th Avenue, 19th Floor, New York, New York 10017 no later than August 5, 2015.

In addition, our bylaws provide notice procedures for stockholders to nominate a person as a director and to propose business to be considered by stockholders at a meeting. Notice of a nomination or proposal must be delivered to us not less than 120 days and not more than 180 days prior to the date we first mailed our proxy materials for the preceding year's annual meeting of stockholders, or not more than 15 days from the public announcement of the meeting if the meeting is first publicly announced less than 90 days prior to the date of the meeting. Accordingly, for our 2015 Annual Meeting, assuming the meeting is held on or about December 3, 2015, notice of a nomination or proposal must be delivered to us no earlier than June 5, 2015 and no later than August 5, 2015. Nominations and proposals also must satisfy other requirements set forth in the bylaws. If a stockholder fails to comply with the bylaws or with certain additional procedural requirements under SEC rules, the Company will have the authority to vote shares under proxies we solicit when and if the nomination or proposal is raised at the annual meeting of stockholders and, to the extent permitted by law, on any other business that may properly come before the annual meeting of stockholders and any adjournments or postponements. The chairman of the 2015 Annual Meeting may refuse to acknowledge the introduction of any stockholder proposal not made in compliance with the foregoing procedures.

Householding Information

Unless we have received contrary instructions, we may send a single copy of this proxy statement to any household at which two or more stockholders reside if we believe the stockholders are members of the same family. This process, known as "householding," reduces the volume of duplicate information received at any one household and helps reduce our expenses. However, if stockholders prefer to receive multiple sets of our disclosure documents at the same address, this year or in future years, those stockholders should follow the instructions described below. Similarly, if an address is shared with another stockholder and together both of the stockholders would like to receive only a single set of our disclosure documents, those stockholders should follow the instructions described below.

If the shares are registered in the name of the stockholder, the stockholder should contact us at c/o The Chart Group, L.P., 555 5th Avenue, 19th Floor, New York, New York 10017, to inform us of his or her request; or

If a bank, broker or other nominee holds the shares, the stockholder should contact the bank, broker or other nominee directly.
