PROXY STATEMENT FOR

THE ANNUAL MEETING OF STOCKHOLDERS

TO BE HELD ON

JUNE 26, 2018

GENERAL INFORMATION

This Proxy Statement is being furnished to the stockholders of Blonder Tongue Laboratories, Inc., a Delaware corporation (the “**Company**,” “**Blonder**” or “**we**”), in connection with the solicitation of proxies by our Board of Directors (the “**Board**”) for our 2018 Annual Meeting of Stockholders (the “**Annual Meeting**”) and at any adjournment or adjournments thereof.

Holders of our common stock, \$0.001 par value per share (“**Common Stock**”) as of the record date of April 30, 2018 are invited to attend the Annual Meeting on June 26, 2018, at 10:00 a.m., local time. The Annual Meeting will be held at our executive offices located at One Jake Brown Road, Old Bridge, New Jersey. You may obtain directions to attend the Annual Meeting in person from our website at www.blondertongue.com/about/directions.aspx.

The mailing address of our principal executive office is One Jake Brown Road, Old Bridge, New Jersey 08857. Our telephone number is (732) 679-4000. This Proxy Statement and the enclosed form of proxy will be mailed to stockholders on or about May 25, 2018, together with the Company’s Annual Report on Form 10-K for the year ended December 31, 2017.

Voting and Proxies

You may vote by completing, signing, dating and mailing the enclosed proxy card in the envelope provided. When a proxy is properly executed and delivered, the shares of Common Stock represented by the proxy will be voted at the Annual Meeting in accordance with your instructions.

You may also attend the Annual Meeting in person and cast your vote there. If your shares of Common Stock are held in the name of your broker, bank or other nominee and you wish to attend the Annual Meeting and vote in person, you must bring a legal proxy from the record holder of your shares indicating that you were the beneficial owner of the shares on April 30, 2018, the record date for determining the shares of Common Stock entitled to vote at the Annual Meeting, and that you have the right to vote your shares.

Regarding the election of Class II Directors to serve until the 2021 Annual Meeting of Stockholders (Proposal 1), stockholders may (i) vote “**FOR**” all of the nominees, (ii) “**WITHHOLD**” their votes as to all nominees or (iii) “**WITHHOLD**” their votes as to specific nominees. With respect to Proposals 2, 3 and 4, stockholders may vote (i) “**FOR**” the proposal, (iii) “**AGAINST**” the proposal or (iii) “**ABSTAIN**” from voting. You should specify your choices on the enclosed proxy card. If no specific instructions are given with respect to the matters to be acted upon, the shares of Common Stock represented by a properly executed and delivered proxy card will be voted **FOR ALL NOMINEES** and **FOR** each of Proposals 2, 3 and 4.

Directors will be elected by a plurality of the votes cast by the holders of the shares of our Common Stock, voting in person or by proxy at the Annual Meeting. Votes withheld from one or more nominees for Director will have the same effect as abstentions and will have no effect on the vote for election of Directors. Approval of Proposals 2, 3 and 4 or any other matters to come before the Annual Meeting will require the affirmative vote of the holders of a majority of the shares of our Common Stock having voting power present in person or by proxy at the Annual Meeting. Abstentions are deemed present for determining whether a quorum necessary for the conduct of business is present and determining the shares entitled to vote, and have the effect of a vote against any matter other than the election of Directors. Broker non-votes occur when a broker or other nominee holding shares for a beneficial owner does not vote on a proposal because the beneficial owner has not provided voting instructions and the broker does not have discretionary authority to vote on the matter. Broker non-votes are deemed present for determining whether a quorum necessary for the conduct of business is present but are not considered to be shares “entitled to vote,” and will not be included in vote totals and will have no effect on the outcome of any matters to be voted upon at the Annual Meeting.

Revocation of a Proxy

All proxies delivered pursuant to this solicitation are revocable at any time before they are exercised by (i) filing written notice of revocation with our Secretary before the Annual Meeting, (ii) signing and delivering a later-dated proxy to our Secretary before the Annual Meeting or (iii) voting in person at the Annual Meeting. Written notices of revocation or later-dated proxies should be directed to the Secretary at the mailing address of our principal executive offices. Your attendance at the Annual Meeting alone will not constitute revocation of a proxy—you must vote by ballot at the Annual Meeting. If your shares are held in the name of a broker, bank or other nominee, you need to contact the record holder of your shares regarding how to revoke your proxy.

Voting on Other Matters

We know of no other business to be transacted at the Annual Meeting, other than the election of Class II Directors and the other proposals described in the attached Notice of Annual Meeting of Stockholders. If any other matters do arise and are properly presented, the persons named in the proxy will have the discretion to vote on those matters for you according to their best judgment.

Costs of Proxy Solicitation

We will pay the expenses associated with this solicitation of proxies for the Annual Meeting, including the cost of preparing, assembling and mailing the notice, proxy and Proxy Statement. We will solicit proxies by use of the mails, through brokers and banking institutions, and by our officers and regular employees. We may also solicit proxies by personal interview, mail, telephone or facsimile transmission.

Voting Securities

Only stockholders of record of our Common Stock at the close of business on April 30, 2018 (the “**Record Date**”) are entitled to notice of and to vote at the Annual Meeting or any adjournments or postponements thereof. Each stockholder of record on the Record Date is entitled to one vote for each share of our Common Stock so held. There is no cumulative voting. On the Record Date, there were 9,452,838 shares of Common Stock issued, outstanding and entitled to vote.

CORPORATE GOVERNANCE AND BOARD MATTERS

Board Leadership Structure and Risk Oversight

Historically, the Board has determined that our Chief Executive Officer was best situated to serve as Chairman of the Board because he was the Director most familiar with our business and industry, and most capable of effectively identifying strategic priorities and leading the discussion and execution of strategy. Independent Directors and management have different perspectives and roles in strategy development. Our independent Directors bring experience, oversight and expertise from outside the company and industry, while the Chief Executive Officer brings company-specific experience and expertise. Following the resignation of Mr. Luksch in 2015, our Board carefully evaluated our then-existing Board governance structure and considered alternative approaches. As a result of that evaluation and analysis, the Board determined that it was in our best interests to separate the roles of Chairman of the Board and Chief Executive Officer, so that the Chairman's role would be filled by an independent Director. As a result, in May 2015, the Board appointed Steven L. Shea to serve as our Chairman of the Board and Mr. Shea continues to serve as our Chairman.

The Board believes that establishing the right “tone at the top” and full and open communication between management and the Board of Directors are essential for effective risk management and oversight. At each regular Board meeting, the Board receives reports from members of senior management on areas of material risk to Blonder, including operational, financial, strategic and performance risks. The full Board receives these reports from the appropriate “risk owner” within the organization to facilitate our risk identification, risk management and risk mitigation strategies. This enables the Board to coordinate risk oversight, particularly with respect to risk interrelationships across corporate disciplines.

The Board has an active role, as a whole and also at the committee level, in overseeing management of our risks. The Audit Committee assists the Board in fulfilling its oversight responsibilities with respect to areas of financial reporting and compliance with laws, rules and regulations applicable to us, including those related to accounting regulation, insider trading, antitrust, and employment discrimination, whistle blowing and conflicts of interest faced by employees, officers and Directors. The Compensation Committee assists the Board in fulfilling its oversight responsibilities with respect to our compensation policies and programs. The Nominating Committee assists the Board in fulfilling its oversight responsibilities with respect to the management of risks associated with Board organization and membership, and succession planning for our Directors and senior executive officers.

Director Independence

The Board of Directors has considered the independence of our Directors pursuant to Section 803A of the NYSE American Company Guide (“**Independence Rules**”). Under the NYSE American Independence Rules, a Director may not be determined to be independent if certain relationships exist. In addition to reviewing whether any of those specific disqualifying relationships exist under the Independence Rules, the NYSE American also requires that the Board determine whether any of our Directors has a relationship that it believes would interfere with the exercise of independent judgment in carrying out the responsibilities of a Director. In the course of this determination, the Board considered the following relationship and arrangement between a non-management Director and us, which was determined to be immaterial and not falling within one or more of the disqualifying relationships under the Independence Rules or which would otherwise interfere with the exercise of the Director’s independent judgment in carrying out the responsibilities of a Director:

Gary P. Scharmett: The fees paid by us to the law firm where he is a partner were below 5% of the law firm’s consolidated gross revenue in each of the prior three years. See “Certain Relationships and Related Transactions” below for more detail on these fees paid for legal services.

Based on this review, the Board has determined that, except for Robert J. Pallé, our Chief Executive Officer and President, each of our Directors is independent pursuant to the Independence Rules. Accordingly, the current Board consists of a majority of independent Directors.

Meetings of the Board of Directors; Committees

The Board of Directors has three standing committees: the Compensation Committee, the Nominating Committee and the Audit Committee. During the year ended December 31, 2017, the Board of Directors held nine meetings, the Compensation Committee held six meetings, the Nominating Committee held three meetings, and the Audit Committee held five meetings. Each member of the Board of Directors attended (either in person or via teleconference) at least 75% of the aggregate of the total number of Board meetings and Committee meetings held in 2017 during the period in which he served as a Director and/or committee member.

Compensation Committee. The Compensation Committee is currently comprised of Charles E. Dietz, Steven L. Shea, Anthony J. Bruno and James F. Williams, each of whom is a non-employee Director. Mr. Dietz serves as the Chairman of the Compensation Committee. Each of the members of the Compensation Committee who served during the 2017 fiscal year was independent, as independence for compensation committee members is defined by NYSE American rules.

The Compensation Committee determines compensation for our executive officers and administers each of our existing stock incentive plans, other than the Amended and Restated 2005 Director Equity Incentive Plan, the 2016 Director Equity Incentive Plan and the Amended and Restated Director Stock Purchase Plan, each of which is administered by the Board.

The Compensation Committee's responsibilities include, among other duties, the responsibility to:

evaluate the performance of the Chief Executive Officer/President;

review and approve the base salary (subject to Board approval), bonus, incentive compensation and any other compensation for the Chief Executive Officer/President;

review the Chief Executive Officer's recommendations for the compensation of the other executive officers, make appropriate adjustments and approve such compensation;

monitor our cash bonus and equity-based compensation plans and discharge the duties imposed on the Compensation Committee by the terms of those plans;

review and approve the proposal regarding the Say on Pay Vote when the same is required to be included in our proxy statement, and to review and recommend to the Board for approval the frequency with which we will conduct Say on Pay Votes; and

perform other functions or duties deemed appropriate by the Board.

Compensation decisions for the Chief Executive Officer/President and all other executive officers are reviewed and approved by the Compensation Committee, subject to ratification by the Board of the base salary for the Chief Executive Officer/President. The Compensation Committee relies upon the Chief Executive Officer to assist the Compensation Committee in performing its duties with regard to all other executive officers. The Compensation Committee does not delegate any of its authority to other persons. In recent years the Compensation Committee has not retained a compensation consultant in determining the base salary for our executive officers or for any other purpose.

With regard to the compensation of our Chief Executive Officer/President, the Compensation Committee reviews individual performance, written comments and performance grades received from members of the Board regarding performance, relevant compensation information from salary surveys (when available), and summary information and periodically, comments from peer review questionnaires. The Chief Executive Officer also provides the Compensation Committee with a summary review of the President's (except when the Chief Executive Officer and the President are the same person) performance. Based upon its review of all of the foregoing information, the Compensation Committee determines the form and amount of compensation for these officers, subject to Board approval of their base salaries. The base salary of the Chief Executive Officer/President is presently reviewed every year.

With regard to compensation for the other executive officers, the Compensation Committee reviews the Chief Executive Officer's written summary review of the executive officers' performance and this information may be supplemented by summary information and comments from periodic peer review questionnaires. The Chief Executive Officer also provides a recommendation as to the appropriate form and amount of compensation for each other executive officer. The Compensation Committee reviews and considers the recommendation of the Chief Executive Officer, makes adjustments as appropriate and approves them. This review and adjustment procedure is performed annually for the other executive officers.

The Compensation Committee does not establish the amount or form of Director compensation. These determinations are made and approved by the full Board. However, the Compensation Committee will periodically review and recommend to the Board compensation, equity-based plans and benefit programs for non-employee Directors. Grants of stock option awards and/or restricted or unrestricted shares to non-employee Directors are generally made annually upon consideration and approval by the full Board with each non-employee Director abstaining from voting on an award to him.

The Board of Directors has adopted a written charter for the Compensation Committee. The Compensation Committee reviews and reassesses the charter for adequacy on an annual basis. A copy of the Compensation Committee Charter is available on our website at www.blondertongue.com under the "About Us/Investor Relations/Compensation Committee Charter" caption.

Nominating Committee. The Nominating Committee is currently comprised of Gary P. Scharmett, Anthony J. Bruno and Steven L. Shea, each of whom is a non-employee Director. Mr. Scharmett serves as the Chairman of the Nominating Committee. Each of the members of the Nominating Committee who served during the 2017 fiscal year was independent, as independence for nominating committee members is defined by NYSE American rules.

The Nominating Committee, among other things, considers and makes recommendations to the Board of Directors concerning the appropriate size of the Board and nominees to stand for election or fill vacancies on the Board, as well as the composition of our standing committees. In particular, the Nominating Committee identifies, recruits, considers and recommends candidates to fill positions on the Board in accordance with its criteria for Board membership (as such criteria are generally described below). In searching for qualified Director candidates to nominate for election at an annual meeting of stockholders, the Nominating Committee will initially consider nominating the current Directors whose terms are expiring and will consider their past performance on the Board, along with the criteria for Board membership, in determining whether to nominate them for re-election. In connection with nominations for elections at annual meetings or to fill vacancies in the Board, the Nominating Committee may solicit the current members of the Board to identify qualified candidates through their business and other organizational networks and may also retain director search firms as it determines necessary in its own discretion. The Nominating Committee will then consider the potential pool of Director candidates derived from the foregoing process, select the top candidates to fill the number of openings based on their qualifications, the Board's needs (including the need for independent Directors) and the criteria for Board membership. The Nominating Committee will then conduct a thorough investigation of the proposed candidates' backgrounds to ensure there is no past history that would disqualify such candidates from serving as Directors. Those candidates that are selected and pass the background investigation will be recommended to the full Board for nomination.

The criteria for a nominee to the Board include, among other things:

the highest personal and professional ethics, strength of character, integrity and values;

experience as a senior manager, chief operating officer or chief executive officer of a relatively complex organization or, if in a professional or scientific capacity, be accustomed to dealing with complex problems, or otherwise shall have obtained and excelled in a position of leadership;

education, experience, intelligence, independence, fairness, reasoning ability, practical wisdom, and vision to exercise sound, mature judgments on a macro and entrepreneurial basis on matters which relate to our current and long-term objectives;

competence and willingness to learn our business, and the breadth of viewpoint and experience necessary for an understanding of the diverse and sometimes conflicting interests of stockholders and other constituencies;

the nominee should be of such an age at the time of election to assure a minimum of three years of service as a Director, and should be free and willing to attend regularly scheduled meetings of our Board of Directors and its committees over a sustained period and otherwise be able to contribute a reasonable amount of time to our company affairs;

the stature and capability to represent us before the public, stockholders, and other various individuals and groups that affect us; and

willingness to objectively appraise the performance of management in the interest of the stockholders and question management's assumptions when inquiry is appropriate.

The Nominating Committee does not have a formal policy with respect to diversity. However, in order to enhance the overall quality of the Board's deliberations and decisions, the Nominating Committee seeks candidates with diverse professional backgrounds and experiences, representing a mix of industries and professions with varied skill sets and expertise.

The Nominating Committee does not have a formal charter, but our Board has adopted guidelines addressing the purpose and responsibilities of the Nominating Committee in connection with its formation. The guidelines include procedures for recruiting, considering and recommending nominees to our Board and criteria for Board membership. Although the Nominating Committee will not consider any director candidates recommended by stockholders, our Board believes this is appropriate as our Certificate of Incorporation and Bylaws permit stockholders to directly

nominate persons for election as Directors by following the procedures set forth therein.

Audit Committee. We have a separately-designated standing Audit Committee established in accordance with Section 3(a)(58)(A) under the Securities Exchange Act of 1934, as amended (“**Exchange Act**”) and Rule 10A-3 promulgated under the Exchange Act. The Audit Committee is currently comprised of Anthony J. Bruno, Charles E. Dietz, Steven L. Shea, and James F. Williams, each of whom is a non-employee Director. The Audit Committee, among other things:

oversees our accounting and financial reporting process and audits of our financial statements;

selects, retains or terminates our independent registered public accounting firm;

reviews the plans and results of the audit engagement with the independent registered public accounting firm;

discusses with the independent registered public accounting firm all necessary accounting policies and practices to be used and alternative treatments of financial information discussed with management;

oversees the work of the independent registered public accounting firm;

evaluates and pre-approves audit and non-audit services provided by the independent registered public accounting firm;

reviews the independence of the independent registered public accounting firm;

assures the regular rotation of the audit partners;

considers the range of audit and non-audit fees and determines the compensation of the independent registered public accounting firm;

reviews financial and earnings information released to the public, analysts and other third parties; and

reviews the adequacy of our internal accounting controls.

Each of the members of the Audit Committee who served during the 2017 fiscal year was independent, as independence for audit committee members is defined by NYSE American and each also meets the requirements of Rule 10A-3 under the Exchange Act. Our Board of Directors has determined that a member of the Audit Committee, Anthony J. Bruno, qualifies as an “audit committee financial expert” as defined in Section 407(d)(5)(ii) of Regulation S-K. The Board of Directors has adopted a written charter for the Audit Committee. The Audit Committee reviews and reassesses the charter for adequacy on an annual basis. A copy of the Audit Committee Charter is available on our website at www.blondertongue.com under the “About Us/Investor Relations/Audit Committee Charter” caption.

Audit Committee Report

The Audit Committee of the Board of Directors has:

reviewed and discussed the audited financial statements with management;

discussed with Blonder's independent registered public accounting firm the matters required to be discussed by Statement of Auditing Standards No. 1301, Communications with Audit Committees as adopted by the Public Company Accounting Oversight Board;

received the written disclosures and the letter from Blonder's independent registered public accounting firm required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent registered public accounting firm's communications with the audit committee concerning independence required by rule 3526; and

discussed with Blonder's independent registered public accounting firm their independence from Blonder and its management required by rule 3526.

Management is responsible for the preparation, presentation and integrity of Blonder's financial statements, the financial reporting process, accounting principles and internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Blonder's independent registered public accounting firm is responsible for performing an independent audit of the financial statements in accordance with Standards of the Public Company Accounting Oversight Board (United States) and issuing a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes. The Audit Committee has relied, without independent verification, on the information provided to it and on the representations of management and the independent registered public accounting firm that the financial statements have been prepared in conformity with United States generally accepted accounting principles.

Based on the review and discussions referred to in the items above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in Blonder's Annual Report on Form 10-K for the fiscal year ended December 31, 2017.

Board Policies Regarding Communications With the Board of Directors and Attendance at Annual Meetings

Our Board of Directors maintains a process for stockholders to communicate with the Board of Directors. A stockholder wishing to communicate with our Board of Directors, or any individual member(s) of the Board of Directors, can send a written communication to the attention of the Board of Directors (or specific individual Director(s), if applicable) at the following address: c/o Corporate Secretary, One Jake Brown Road, Old Bridge, New Jersey 08857. Any such communication must state the number of shares beneficially owned by the stockholder making the communication. Our Corporate Secretary will forward such communication to the full Board of Directors or to any individual Director or Directors to whom the communication is directed unless the communication is unduly hostile, threatening, illegal or similarly inappropriate, in which case our Corporate Secretary has the authority to discard the communication or take appropriate legal action regarding the communication.

While we do not have a formal written policy regarding Board member attendance at our Annual Meeting, we actively encourage our Directors to attend the Annual Meeting of Stockholders. All Directors and officers at the time of our 2017 Annual Meeting of Stockholders attended the 2017 Annual Meeting, other than James H. Williams.

Director Compensation Arrangements

We pay each of our non-employee Directors an annual retainer of \$25,000, payable quarterly, and the non-employee Director who serves as our Chairman of the Board receives an additional annual retainer for serving in that capacity of \$25,000, also payable quarterly. We also pay each non-employee Director a fee of \$1,000 for each Board meeting attended in person (\$500 if attendance was telephonic) and a fee of \$600 for each committee meeting attended in person (\$300 if attendance was telephonic or if attending on the same date as a Board meeting). We reimburse each Director for certain travel, lodging and related expenses incurred in connection with attendance at Board and committee meetings. From time to time, in the sole discretion of the Board, we grant equity awards to our non-employee Directors. During 2017, we did not pay Mr. Pallé, our President and Chief Executive Officer, any separate compensation for serving on the Board of Directors or any committees thereof.

On March 19, 2015, the Board adopted the Director Stock Purchase Plan, which was intended to enable outside directors to allocate portions of their annual retainer fees to be paid in shares of the Company's Common Stock, in lieu of cash payments. This plan was designed and derived from the Executive Stock Purchase Plan adopted by the Company in June 2014, which was intended to enable executive officers of the Company to allocate a portion of their base salary to be paid in shares of the Company's Common Stock, in lieu of cash. In March 2016, the Company adopted the Amended and Restated Director Stock Purchase Plan, which replaced the Director Stock Purchase Plan. Under the Amended and Restated Director Stock Purchase Plan, the portion of directors' fees (including meeting fees, which were not permitted to be converted into common stock purchases under the Director Stock Purchase Plan) permitted to be paid in shares of the Company's Common Stock, in lieu of cash, was increased and the new plan was made more flexible to encourage the non-employee directors to elect to receive shares of the Company's Common Stock in lieu of cash payments.

Director Benefit Plans

In May 2005, our stockholders approved the adoption of the Blonder Tongue Laboratories, Inc. 2005 Director Equity Incentive Plan (the "**Original 2005 Director Plan**"). In May, 2014, our stockholders approved an amendment and restatement in its entirety of the Original 2005 Director Plan (as amended and restated, the "**A&R 2005 Director Plan**"), effective as of February 7, 2014, which, among other things, (i) increased the number of shares of Common Stock available for issuance under the A&R 2005 Director Plan, (ii) extended the term of the A&R 2005 Director Plan to February 7, 2024, (iii) made awards under the A&R 2005 Director Plan subject to clawback provisions under applicable law or under policies that may be adopted by us from time to time, and (iv) prohibited repricing of stock options absent advance stockholder approval.

The A&R 2005 Director Plan is administered by our Board of Directors. Under the A&R 2005 Director Plan, Directors who are not currently employed by us or by any of our subsidiaries and who have not been so employed

within the past six months, are eligible to receive equity-based awards from time to time as determined by our Board. Under the A&R 2005 Director Plan, eligible Directors may be awarded stock options to purchase a number of shares of Common Stock (“**Stock Options**”), stock appreciation rights to receive the excess, if any, of the fair market value of a specified number of shares of Common Stock at the time of exercise over the grant price (“**SARS**”) or stock awards (“**Stock Awards**”) at no cost to the Director, which may be either restricted stock or unrestricted stock. Each grant of Stock Options, SARS or Stock Awards will be subject to a written Award Agreement, which shall specify the terms and conditions of the grant as determined by the Board of Directors; provided, however, that the exercise price for any Stock Options or SARS granted shall not be less than the fair market value of the underlying Common Stock on the date of grant. The A&R 2005 Director Plan expires on February 7, 2024.

At our 2016 Annual Meeting, our stockholders approved the adoption of the Blonder Tongue Laboratories, Inc. 2016 Director Equity Incentive Plan (the “**2016 Director Plan**”), which supplements the A&R 2005 Director Plan.

The 2016 Director Plan is administered by our Board of Directors. Under the 2016 Director Plan, Directors who are not currently employed by us or by any of our subsidiaries and who have not been so employed within the past six months, are eligible to receive equity-based awards from time to time as determined by our Board. The 2016 Director Plan authorizes the award of up to a maximum of 400,000 shares. Any shares subject to an award issued under the 2016 Director Plan which is terminated, canceled, expired or forfeited for any reason will again be available for the grant of an award. Under the 2016 Director Plan, eligible Directors may be awarded Stock Options, SARS or Stock Awards, which may be either restricted stock or unrestricted stock. Each grant of Stock Options, SARS or Stock Awards will be subject to a written Award Agreement which shall specify the terms and conditions of the grant as determined by the Board of Directors; provided, however, that the exercise price for any Stock Options or SARS granted shall not be less than the fair market value of the underlying Common Stock on the date of grant. Awards under the 2016 Director Plan are subject to clawback provisions under applicable law or under policies that may be adopted by us from time to time, and Stock Options awarded under the 2016 Director Plan cannot be re-priced absent advance stockholder approval. The 2016 Director Plan expires on February 4, 2026.

EXECUTIVE COMPENSATION

Summary of Compensation Objectives and 2017 Compensation

Our Compensation Committee is responsible for evaluating and approving compensation for our executive officers. The individual who served as our Chief Executive Officer and President in 2017 and the other individuals included in the Summary Compensation Table on page 16, are referred to as the “named executive officers.” This section discusses our compensation objectives and provides an overview of the application of these objectives with regard to the compensation paid to our named executive officers in 2017.

The primary objective of our executive compensation program is to assist us in attracting, retaining and motivating talented executives to execute our business strategy and maximize short-term and long-term profits and stockholder value. We seek to achieve these objectives by:

providing direct compensation and rewards programs that are externally competitive to attract and retain the talent needed;

rewarding performance of executives who contribute to strategic and operational goals; and

providing compensation that aligns with long-term business objectives and stockholders’ interests.

The key elements of our executive officer compensation program are:

base salary;

annual incentive compensation in the form of cash bonuses; and

long-term incentive compensation.

The Compensation Committee considers various factors when making compensation decisions with regard to the named executive officers, including external market forces, individual circumstances and performance. A description of these factors and the procedures followed by the Compensation Committee in determining executive compensation are set forth above under “Meetings of the Board of Directors; Committees—Compensation Committee.”

Our compensation program has been designed to promote a performance-based culture which aligns the interests of our named executive officers and other officers with the interests of our stockholders. Our compensation program makes a substantial portion of executive pay variable, subject to increase when performance targets are achieved, and subject to reduction when performance targets are not achieved. This includes annual incentive cash compensation based on the achievement of specified performance objectives. A substantial portion of our named executive officers’ compensation is also based on equity awards with long-term vesting requirements, which have been in the form of stock options in recent years. These stock options create long-term incentives as the executive only benefits if our stock price appreciates over the long-term.

The historical payouts under our Executive Bonus Plan (as defined below) are evidence of the pay for performance structure of our compensation program. For example, based on the improvement in operating results in fiscal 2010 as compared to fiscal 2009, bonuses were paid under the Executive Bonus Plan to the named executive officers upon the achievement of the pre-tax income objectives set under the Executive Bonus Plan. In contrast, since 2010, we have not paid any bonuses to the named executive officers under the Executive Bonus Plan, due to the failure to meet the objectives that were set at the beginning of each of the relevant fiscal years.

Base Salary. Base salaries are intended to provide a level of cash compensation that is externally competitive in relation to the responsibilities of the executive's position, with adjustments reflective of recent performance. Individual salaries for executive officers are generally reviewed annually by the Compensation Committee in accordance with the procedures described above, including their respective performance reviews. The performance evaluation focuses on the executive's performance during the past year of the responsibilities of such executive's position, the executive's improvement in areas where any deficiencies may have been noted in the past, and the executive's achievement of any specific goals and objectives which may have been established for such executive, including achievement of budget objectives. Our overall profit for the fiscal year, the executive's individual contribution to that profit, and general economic and industry conditions are also considered. This assessment of individual performance contributions is, however, subjective and not conditioned upon the achievement of any specific, pre-determined performance targets.

It has been and continues to be the philosophy of the Compensation Committee that opportunities for significant increases in annual compensation by our senior executives should generally be derived from performance based results that are aligned with the interests of the Company's stockholders or in connection with significant changes in the scope and nature of the responsibilities assigned to a particular executive. As such, annual adjustments for our senior executives have historically been modest (and have even remained flat or have been reduced from time to time), while opportunities to earn substantial bonus payments tied to Blonder's net profits have been regularly made available under the Executive Bonus Plan.

Bonus Plan. We provide executives with an annual opportunity to earn cash incentive awards through the Executive Officer Bonus Plan (the "**Executive Bonus Plan**"). These cash bonuses are intended to motivate and reward the achievement of short-term profit, which is a key element of the Compensation Committee's overall compensation philosophy. Cash bonus awards under the Executive Bonus Plan are paid to officers during a particular fiscal year based upon and relating to our financial performance during the prior fiscal year. During the first quarter of each fiscal year, we designate which of our executive officers are to participate in the Executive Bonus Plan for that year. We then establish one or more objective performance goals for the participants and a formula to determine bonus payments based on the achievement of the articulated goal(s). Presently, the bonus for any participant may not exceed 100% of the participant's base salary. Since the performance goals for 2017 were not met, no bonuses were paid to the named executive officers for 2017. Details of the Executive Bonus Program for 2017 are set forth below under "Executive Officer Bonus Plan."

Long-Term Incentive. Long-term incentives are intended to motivate and retain executives and reward them based upon our long-term performance. Our primary vehicle for providing these incentives is the grant of equity-based and other performance awards under our Amended and Restated 2005 Employee Equity Incentive Plan ("**A&R 2005 Employee Plan**") and our 2016 Employee Equity Incentive Plan ("**2016 Employee Plan**"). While the Compensation Committee has historically granted only stock options under our equity compensation plans, in 2015 the Compensation Committee awarded restricted stock vesting over a three-year period and made additional awards of restricted stock in 2016, again providing for three-year vesting periods. In 2017, the Compensation Committee granted stock options vesting over a three-year period. The Compensation Committee believes stock options provide long-term incentives to executives while aligning their interests with those of the public stockholders, as the executive only benefits if the stock price increases after the date of grant and only by the amount of the increase. While the

Compensation Committee subjectively determines the number of options to be granted, it generally considers the following in making its decisions:

the number of outstanding options in relation to the number of outstanding shares of our Common Stock to determine the dilutive effect of additional options;

the number of outstanding options that have an exercise price below the current market price (and the magnitude of the exercise price below the current market price) to determine the incentive being created by the outstanding options;

the position and level of responsibility of the executive officer and his or her recent performance; and

the number of shares owned and options outstanding for an individual executive officer to determine the incentive effect of further options.

The Compensation Committee believes that restricted stock awards provide the recipients of such awards with an immediate tangible benefit of “ownership” in a way that awards of stock options do not necessarily provide, and also encourage continuing loyalty because of the vesting periods applicable to those awards.

Similar to other types of compensation, the Compensation Committee determines the grant of equity based awards to the President and Chief Executive Officer and the other named executive officers. In 2017, the Compensation Committee took into account that the exercise price of many of the outstanding options were significantly above the current stock price and options have been expiring out-of-the-money. Accordingly, most of these past grants no longer provided significant incentives for our executives. Based upon the foregoing reasons, coupled with the diminished performance of the Company, the fact that Mr. Pallé's cash compensation remained below market at \$42,000 per year and no compensation adjustments were being recommended in 2017 for the other executive officers, and other factors, in April 2017 the option awards set forth in the table below were made. In addition, in May 2017 Mr. Pallé received an additional 150,000 options. All options stated below vest over three years in equal yearly installments on the yearly anniversary of the award date.

- (3) Mr. Pallé voluntarily reduced his annual salary to \$196,809 effective February 1, 2015 and then reduced his annual salary to \$1.00 effective as of April 1, 2015, which reduction continued through 2016.

Compensation Arrangements

Other than our current standard employee severance policy applicable to all salaried employees, which entitles them, upon involuntary termination without cause, to one week of pay for each year of service up to a maximum of six weeks of pay, we have no employment, severance or change-of-control agreements with any of our named executive officers, each of whom is employed by us on an at-will basis. Our named executive officers serve at the will of the Board, which enables us to terminate their employment with discretion as to the terms of any severance arrangement beyond our current standard policy.

We maintain group term life insurance for our employees, including our named executive officers, for which each participating employee designates his or her own beneficiary. In March, 2011, our Board of Directors, upon the recommendation of the Compensation Committee, approved the purchase of a supplemental life insurance policy on the life of Mr. Pallé, our Chief Executive Officer and President. The supplemental life insurance is a ten-year level term policy with a death benefit of \$400,000 payable to the beneficiary designated by Mr. Pallé.

Executive Officer Bonus Plan

As described above under “Summary of Compensation Objectives and 2017 Compensation,” we provide our executives with an annual opportunity to earn cash incentive awards through the Executive Officer Bonus Plan. The performance goals are expressed in terms of (a) one or more corporate or divisional earnings-based measures (which may be based on net income, operating income, cash flows, or any combination thereof) and/or (b) one or more corporate or divisional sales-based measures. Each such goal may be expressed on an absolute and/or relative basis, may employ comparisons with our past performance (including one or more divisions) and/or the current or past performance of other companies, and in the case of earnings-based measures, may employ comparisons to capital, stockholders’ equity and shares outstanding. Performance goals need not be uniform among participants, but they have been in recent years.

After our financial results for a fiscal year have been determined, the Compensation Committee will certify the level of performance goal attainment and the potential bonus payment for each participant. The Compensation Committee has full authority to decrease the amount that would otherwise be payable to any participant for a fiscal year.

For the 2017 fiscal year, all of the named executive officers were participants under the Executive Bonus Plan. The participants were entitled to share in a Bonus Pool (“**Bonus Pool**”) based upon a subjectively determined allocation, which took into account the relative compensation levels of the executives as well as other subjective factors related to overall job performance in 2016, such as the ease with which the executive could be replaced, whether further opportunities for advancement within Blonder existed for the executive, teamwork skills, perceived efforts, interpersonal relationships and overall job performance. The Bonus Pool for 2017 was equal to the lesser of (i) the sum of the base salary of all participants in the aggregate, or (ii) the sum of (a) 10% of the first \$1 million of our pre-tax income, plus (b) 15% of the next \$1 million of our pre-tax income, plus (c) 20% of the next \$1 million of our pre-tax income, plus (d) 25% of the next \$1 million of our pre-tax income, plus (e) 20% of the next \$1 million of our pre-tax income, plus (f) 10% of our pre-tax income in excess of \$5 million, all as set forth on our audited financial statements (in all cases calculated before taking into account any accrual for such Bonus Pool). Further, no bonus would be paid to any participant unless the Bonus Pool (calculated in the manner described above) equaled or exceeded \$90,000. Based upon our reported pre-tax income for 2017, no bonuses were paid to our named executive officers relating to such year.

Employee Benefit Plans

In May 2005, our stockholders approved the adoption of the Blonder Tongue Laboratories, Inc. 2005 Employee Equity Incentive Plan (the “**Original 2005 Employee Plan**”). Our stockholders approved an amendment and restatement in its entirety of the Original 2005 Employee Plan in May 2014 (as amended and restated, the “**A&R 2005 Employee Plan**”) which, among things (i) increased the number of shares of Common Stock available for issuance under the A&R 2005 Employee Plan, (ii) extended the term of the A&R 2005 Employee Plan to February 7, 2024, (iii) made awards under the A&R 2005 Employee Plan subject to clawback provisions under applicable law or under policies that may be adopted by us from time to time, and (iv) prohibited repricing of stock options absent advance stockholder approval.

The A&R 2005 Employee Plan is administered by the Compensation Committee of the Board of Directors. Under the A&R 2005 Employee Plan, our executive officers and other key employees, as determined by the Compensation Committee, are eligible to receive equity-based awards from time to time as determined by the Compensation Committee. Under the A&R 2005 Employee Plan, our executive officers and other key employees may be awarded stock options to purchase a number of shares of Common Stock (“**Stock Options**”), stock appreciation rights to receive the excess, if any, of the fair market value of a specified number of shares of Common Stock at the time of exercise over the grant price (“**SARS**”), stock awards at no cost to the executive officer or key employee (“**Stock Awards**”), which may be either restricted stock or unrestricted stock, or performance based awards to receive a number of shares of Common Stock if certain performance goals are met (“**Performance Awards**”). Each grant of a Stock Option, SAR, Stock Award or Performance Award will be subject to a written Award Agreement which shall specify the terms and conditions of the grant as determined by the Compensation Committee, provided, however, that the exercise price for any Stock Options or SARS granted shall not be less than the fair market value of the underlying Common Stock on the date of grant. The A&R 2005 Employee Plan expires on February 7, 2024.

At our 2016 Annual Meeting, our stockholders approved the adoption of the Blonder Tongue Laboratories, Inc. 2016 Employee Equity Incentive Plan (the “**2016 Employee Plan**”), which supplements the A&R 2005 Employee Plan.

The 2016 Employee Plan is administered by the Compensation Committee of the Board of Directors. Under the 2016 Employee Plan, our executive officers and other key employees, as determined by the Compensation Committee, are eligible to receive equity-based awards from time to time as determined by the Compensation Committee. The 2016 Employee Plan authorizes the award of up to a maximum of 1,000,000 shares. Any shares subject to an award issued under the 2016 Employee Plan which is terminated, canceled, expired or forfeited for any reason will again be available for the grant of an award. Under the 2016 Employee Plan, our executive officers and other key employees may be awarded Stock Options, SARS, Stock Awards, which may be either restricted stock or unrestricted stock, and Performance Awards. Each grant of a Stock Option, SAR, Stock Award or Performance Award will be subject to a written Award Agreement which shall specify the terms and conditions of the grant as determined by the Compensation Committee, provided, however, that the exercise price for any Stock Options or SARS granted shall not be less than the fair market value of the underlying Common Stock on the date of grant. Awards under the 2016 Employee Plan are subject to clawback provisions under applicable law or under policies that may be adopted by us from time to time, and Stock Options awarded under the 2016 Employee Plan cannot be re-priced absent advance stockholder approval. The 2016 Employee Plan expires on February 4, 2026. At our annual meeting in 2017, stockholders approved an amendment to the 2016 Employee Plan to increase the annual individual award limits relating to stock options and stock appreciation rights from 100,000 to 250,000 shares of Common Stock.

In April 2017, Messrs. Nikoo and Smith were awarded options to purchase 37,500 shares and Mr. Pallé was awarded options to purchase 100,000 shares respectively, of our Common Stock. Mr. Nikoo’s, Mr. Smith’s and Mr. Pallé’s shares vest over three years in equal yearly installments on the yearly anniversary of the award date. In addition, in May 2017, Mr. Pallé was awarded options to purchase 150,000 shares of our Common Stock, with the options vesting over three years in equal yearly installments on the yearly anniversary of the award date.

Retirement Benefits

Each of the named executive officers is eligible to participate in our 401(k) Savings and Investment Retirement Plan, which covers all full time employees and is qualified under Section 401(k) of the Internal Revenue Code. Under this plan, we match 50% of each participating employee's salary deferral up to a maximum match of 3% of eligible compensation.

PROPOSAL NO. 2 – approval of amendment to the

2016 EMPLOYEE EQUITY INCENTIVE PLAN

Background of the Proposal

At the 2016 Annual Meeting, stockholders approved the adoption of the 2016 Employee Equity Incentive Plan (“**2016 Employee Plan**”), which was intended to supplement our Amended and Restated 2005 Employee Equity Incentive Plan (“**A&R 2005 Employee Plan**”).

The 2016 Employee Plan authorizes our Compensation Committee to grant equity-based and other performance-based awards to our executive officers and other key employees. The purpose of the 2016 Employee Plan, like the A&R 2005 Employee Plan, is to promote our success and enhance our value by linking the personal interests of participants to those of our stockholders and by providing such individuals with an incentive for outstanding performance in order to generate superior returns to stockholders. The 2016 Employee Plan is designed to give our Compensation Committee flexibility in structuring awards that will achieve these objectives.

Section 5.1 of the 2016 Employee Plan currently limits the number of shares of our Common Stock that may be awarded to 1,000,000. The Board of Directors has approved an amendment to this provision, subject to stockholder approval, increasing the total number of shares of our Common Stock that may be awarded to 3,000,000, or an increase of 2,000,000 from the current limit under the 2016 Employee Plan.

As discussed in prior filings with the SEC, including the proxy statement for our 2016 Annual Meeting, at which the 2016 Employee Plan was initially approved, we expect to continue to rely on grants of stock options, awards of restricted and unrestricted stock and other equity-based awards to adequately compensate and incentivize employees. Our continuing efforts to manage our liquidity and working capital have continued to limit our ability to fully compensate our key employees through their salaries and other cash compensation, and the Board believes that increasing the number of shares available for award under the 2016 Plan will allow us flexibility in structuring compensation for our key employees that will adequately compensate and incentive them.

Summary Description of the 2016 Employee Equity Incentive Plan

The following is a summary of the material provisions of the 2016 Employee Plan. Paragraph 1 below describes the amendment to the 2016 Employee Plan that you will be voting on in this Proposal 2. Only the amendment is the subject of the stockholder vote. If stockholders approve this Proposal 2, Section 5.1 will be amended to increase the maximum shares that may be awarded under the 2016 Employee Plan from 1,000,000 to 3,000,000 and the remainder of the 2016 Employee Plan will continue in full force and effect. If stockholders do not approve this Proposal 2, the 2016 Employee Plan will continue in full force and effect, with the 1,000,000 aggregate share limitation continuing to be applicable. The full text of the amendment to the 2016 Employee Plan is included in Appendix A to this Proxy Statement, and we urge you to read Appendix A. The full text of the 2016 Employee Plan (not including the proposed amendment) is included as Exhibit 4.3 to our Registration Statement on Form S-8 filed with the SEC on August 25, 2016, and we urge you to read that Exhibit, as this summary does not purport to be a complete description of all of the provisions of the 2016 Employee Plan and is qualified in its entirety by reference to the text of that Exhibit. Other than the amendment described in Paragraph 1 below and Appendix A, all other provisions of the 2016 Employee Plan remain unchanged.

1. Number of Shares. The aggregate number of shares reserved for grant under the 2016 Employee Plan is currently 1,000,000. If Proposal 2 is adopted, the aggregate number of shares reserved for grant under the 2016 Employee Plan will be 3,000,000.

2. Administration. The 2016 Employee Plan is administered by our Compensation Committee. The members of the Compensation Committee must be Directors who satisfy the requirements of “non-employee directors” within the meaning of Rule 16b-3 under the Exchange Act.

3. Eligibility; Participation. All of our executive officers and other key employees, and the executive officers and key employees of any of our subsidiaries, are eligible to become participants in the 2016 Employee Plan. From time to time, our Compensation Committee will select those persons who will be granted an award from among all eligible individuals.

4. Term of 2016 Employee Plan. The 2016 Employee Plan became effective as of February 4, 2016 and will terminate on February 4, 2026. Our Board of Directors has the right to terminate the 2016 Employee Plan prior to such date without prejudice in any material way to the holders of any awards then outstanding.

5. 2016 Employee Plan Awards. Our Compensation Committee is authorized under the 2016 Employee Plan to grant a variety of incentive awards to participants, as described below. Each award will be evidenced by a written Award Agreement, which specifies the terms and conditions of the particular award, as determined by the Compensation Committee in its discretion, subject to the conditions and limitations set forth in the 2016 Employee Plan.

a. Stock Options. Our Compensation Committee may award stock options (“**Options**”) to purchase a specified number of shares of Common Stock. The exercise price of an Option will be determined by our Compensation Committee and may be no less than the fair market value of the underlying shares on the date of grant. Moreover, any outstanding Options cannot be repriced, absent prior approval of the stockholders. Under the 2016 Employee Plan, as amended to date, the maximum number of shares of our Common Stock with respect to which Options and SARs (as described below) may be granted to any single participant during any one of our fiscal years is 250,000. Tax-qualified incentive stock options (“**ISOs**”) and non-qualified stock options (“**NQOs**”) may be awarded to participants under the 2016 Employee Plan. Our Compensation Committee determines the term of the Options, the vesting periods and the permissible methods of payment of the exercise price (e.g., cash, shares of Common Stock, cashless exercise, etc.), and this is reflected in the Award Agreement. Our Compensation Committee also may provide that performance or other conditions be met before all or any part of an Option may be exercised.

b. Stock Appreciation Rights. A stock appreciation right (“**SAR**”) gives the participant the right to receive the excess (if any) of the fair market value of a specified number of shares of Common Stock at the time of exercise over the grant price of the SAR (which shall not be less than the fair market value of the shares on the date of grant). The terms, methods of exercise, methods of settlement (e.g., cash, shares of Common Stock, or a combination thereof), and any other terms and conditions of any SAR will be determined by our Compensation Committee at the time of the grant of the award and is reflected in the Award Agreement.

c. Stock Awards. Our Compensation Committee may award shares of our Common Stock to a participant at no cost to the participant. The award may take the form of an immediate transfer of shares which are subject to forfeiture if conditions specified by the Compensation Committee are not met (“**Restricted Stock**”). Alternatively, the award may take the form of an immediate transfer of shares which are not subject to a risk of forfeiture or a deferred transfer of shares if and when the conditions specified by the Compensation Committee are met (“**Unrestricted Stock**”). The criteria for avoiding forfeiture of Restricted Stock, or receiving a deferred transfer of Unrestricted Stock, may be the completion of a period of continuous employment with us, or satisfaction of specified performance goals, or a combination thereof.

d. Performance-Based Awards. Our Compensation Committee may grant a stock award that will entitle the holder to receive a specified number of shares of Common Stock if certain performance goals are met (“**Performance Shares**”). These goals may include, for example, the price of our Common Stock as reported on the NYSE American reaching one or more targeted levels, or our earnings on a per-share basis reaching one or more targeted levels. Unless otherwise provided in the relevant Award Agreement, a participant must be employed by us on the last day of the performance period to be eligible for a performance award for such performance period. These are essentially stock awards that are subject to performance criteria to enable the award to qualify as “performance-based compensation” under Section 162(m) of the Internal Revenue Code of 1986, as amended (“**Code**”).

6. Interpretation. Our Compensation Committee has the power to set, alter or change the rules, guidelines and regulations for the administration of the 2016 Employee Plan, and to interpret the 2016 Employee Plan, any awards under the 2016 Employee Plan, and any and all guidelines, rules and regulations adopted pursuant to the 2016 Employee Plan. Any determinations made by the Compensation Committee will be conclusive and binding on all 2016 Employee Plan participants and their beneficiaries.

7. Amendments. Our Board may, from time to time, in its discretion, amend or supplement any provision of the 2016 Employee Plan, in whole or in part; provided however, no amendment may be made to modify the requirements for eligibility for participation, to increase the number of shares of our Common Stock with respect to which awards may be granted under the 2016 Employee Plan to permit repricing of Options or extend the term of the 2016 Employee Plan unless approved by our stockholders. No amendment to the 2016 Employee Plan may adversely affect the rights of participants in any material way with respect to outstanding awards without the consent of the affected participants.

8. Anti-Dilution. The number of shares with respect to which awards may be granted under the 2016 Employee Plan, the number of shares of our Common Stock subject to any outstanding award, and the nature of the securities which may be issued under the 2016 Employee Plan, in each case shall be adjusted as a result of stock splits, stock dividends, or other subdivisions or combinations of our Common Stock, or reorganizations, mergers, consolidations, dividends or reclassifications affecting us. In particular, in the event of our merger, liquidation or dissolution, or a sale of all or substantially all of our assets, the Compensation Committee has discretion to cancel or exchange outstanding awards for cash or other securities as described in more detail in Article 12 of the 2016 Employee Plan.

9. Limits on Transfer. No right or interest of a participant in any award may be pledged, encumbered, or hypothecated to or in favor of any party other than Blonder, or shall be subject to any lien, obligation, or liability of such participant to any other party other than Blonder. No award is assignable or transferable by a participant other than by will or the laws of descent and distribution, except that the Compensation Committee, in its discretion, may permit a participant to make a gratuitous transfer of an award that is not an ISO (or SAR granted in tandem with an ISO) to his or her spouse, lineal descendants, lineal ascendants, or a duly established trust for the benefit of one or more of these individuals.

10. Clawback. The 2016 Employee Plan provides that any award under the 2016 Employee Plan is subject to our ability to recoup or recover (i.e., clawback) any such award, Common Stock or other consideration previously granted pursuant to (i) any compensation recovery or recoupment policy to be adopted by us from time to time in the future, or (ii) any other applicable law, regulation or stock exchange rule.

Federal Tax Consequences of the 2016 Employee Equity Incentive Plan

The following is a summary of the principal federal tax consequences of the 2016 Employee Plan under the Code, based on laws and regulations in effect on the date of this Proxy Statement, which laws and regulations are subject to change, and does not purport to be a complete description of the federal tax aspects of the 2016 Employee Plan.

A participant does not realize taxable income upon the award of an Option. If the Option qualifies as an ISO, the participant does not realize taxable income upon exercise of the Option (except for purposes of the alternative minimum tax). The maximum value of shares of our Common Stock (measured at the time of the award) subject to ISOs granted to any participant which can become exercisable in any calendar year is \$100,000. Provided the participant holds the Common Stock for at least one year and until the end of the two-year period from the date the Option was awarded, the gain or loss upon the sale of the Common Stock will be treated as capital gain or loss. If the participant sells the stock before satisfying both of these holding period requirements, this is known as a “disqualifying disposition.” In the event of a disqualifying disposition, the lesser of (1) the excess of the fair market value of the Common Stock at the time of exercise over the exercise price, or (2) the excess (if any) of the fair market value of the Common Stock at the time of sale over the exercise price will be taxable to the participant as ordinary income. We will not be entitled to any tax deduction in connection with an ISO, except that we will be entitled to a deduction equal to the amount that is taxable to the participant as ordinary income as a result of a disqualifying disposition.

If an Option is an NQO, the participant will realize ordinary compensation income at the time of exercise equal to the excess of the fair market value of our Common Stock at the time of exercise over the exercise price, and we will be entitled to a tax deduction for the same amount.

A participant does not realize taxable income upon the award of a SAR. The participant will realize ordinary compensation income upon the receipt of the cash or Common Stock resulting from the exercise of a SAR, and we will be entitled to a tax deduction for the same amount.

In general, a participant does not realize taxable income upon the award of Restricted Stock; the value of the Restricted Stock will be taxable to the participant as ordinary compensation income if and when the forfeiture restrictions lapse. However, a participant may make an election under Section 83(b) of the Code (“**83(b) Election**”) to

be taxed on the value of the Restricted Stock at the time of the award. If a participant makes an 83(b) Election, he or she will not be taxed on the Restricted Stock if and when the forfeiture restrictions lapse. A participant would make an 83(b) Election by filing a written statement with the IRS no later than 30 days after the date of the award of the Restricted Stock. A copy of that statement also must be given to us, and another copy must be attached to the participant's income tax return for the year of the award.

A participant will realize ordinary compensation income upon the receipt of Unrestricted Stock equal to the value of the Unrestricted Stock at that time.

We will be entitled to a tax deduction attributable to Restricted Stock or Unrestricted Stock equal to the amount taxable to the participant, and at the time it is taxable to the participant, subject to special rules under Section 162(m) of the Code which may limit the deductibility of compensation attributable to such awards which are granted to our Chief Executive Officer and the highest compensated officers (other than the Chief Executive Officer) whose compensation must be reported in our Proxy Statement.

We will have the authority and the right to deduct or withhold, or require a participant to remit to us, an amount sufficient to satisfy federal, state, and local taxes required by law to be withheld with respect to any taxable event arising as a result of the 2016 Employee Plan. A participant may elect to have us withhold from the Common Stock that would otherwise be received upon the exercise of any Option, a number of shares having a fair market value equal to the minimum statutory amount necessary to satisfy our applicable federal, state, local and foreign tax withholding obligations.

All awards under the 2016 Employee Plan that are subject to Section 409A of the Code shall be structured to comply with Section 409A. Section 409A provides limitations on nonqualified deferred compensation. Section 409A contains rules affecting elections to defer compensation and the actual payment of the deferred compensation. For purposes of Section 409A, “deferred compensation” is defined in a very broad manner, and could include certain types of awards under the 2016 Employee Plan, such as SARs, Restricted Stock and Unrestricted Stock. Award recipients could be subject to adverse federal income tax consequences to the extent that their awards do not comply with Section 409A.

Awards Under the 2016 Employee Equity Incentive Plan

Because awards under the 2016 Employee Plan are at the discretion of the Compensation Committee, the benefits to be received by or allocated to the named executive officers, the current executive officers as a group and all employees (other than the current executive officers) as a group, cannot be determined at this time with respect to the amended 2016 Employee Plan.

On May 3, 2018, the Compensation Committee approved, subject to stockholder approval of Proposal No. 2, the grant of Options to purchase an aggregate of (i) 185,000 shares of Common Stock to our named executive officers, and (ii) 314,500 shares of Common Stock to certain of our key employees who are not named executive officers, in all cases who remain employed by us as of May 15, 2018, which was the effective date of grant (the “**Grant Date**”). In addition, on May 10, 2018, the Compensation Committee also approved, subject to stockholder approval of Proposal No. 2, the grant of (i) Options to purchase an aggregate of 26,800 shares of Common Stock and restricted stock awards representing 9,857 shares of the Company’s Common Stock to Nezam Nikoo, who is one of our named executive officers, and (ii) Options to purchase an aggregate of 180,900 shares of Common Stock and restricted stock awards representing 66,538 shares of the Company’s Common Stock, to certain of our key employees who are not named executive officers, in all cases who remain employed by us as of the Grant Date. In the case of all of the foregoing Options, the exercise price is equal to the fair market value calculated by taking the average of the high and low selling prices as reported on NYSE American, as of the Grant Date. Those Options that were the subject of Compensation Committee approval on May 3, 2018, will vest one-third each year beginning on the first anniversary of the Grant Date. Those Options and restricted stock awards that were the subject of Compensation Committee approval on May 10, 2018 will vest one-third on November 15, 2018, one-third on May 15, 2019, and one-third on November 15, 2019. All of the foregoing Options and restricted stock awards described above are collectively referred to as the “**Conditional Awards**”. If Proposal No. 2 is not approved by the stockholders at the 2018 Annual Meeting of Stockholders, or an otherwise insufficient number of shares of the Company’s Common Stock become available for

issuance of the Options and restricted stock awards comprising the Conditional Awards, then the number of shares underlying Options and the number of restricted stock awards to be granted comprising the Conditional Awards will be reduced pro-rata to such number as are available for issuance under the 2016 Employee Plan (with no fractional shares to be issued). Contemporaneously with the grant of the Conditional Awards that were the subject of approval by the Compensation Committee on May 10, 2018, an aggregate of 310,000 Options that were granted (subject to certain conditions) on April 4, 2017 to the recipients of such Conditional Awards, were terminated, effective retroactively, as of their date of grant.

Recommendation of the Board of Directors

*Our Board of Directors recommends that stockholders vote **FOR** the proposal to approve the amendment to the 2016 Employee Equity Incentive Plan.*

PROPOSAL NO. 3 – approval of amendment to the

AMENDED AND RESTATED 2005 EMPLOYEE EQUITY INCENTIVE PLAN

Background of the Proposal

At the 2014 Annual Meeting, stockholders approved the adoption of the Amended and Restated 2005 Employee Equity Incentive Plan (the “**A&R 2005 Employee Plan**”).

The A&R 2005 Employee Plan authorizes our Compensation Committee to grant equity-based and other performance-based awards to our executive officers and other key employees. The purpose of the A&R 2005 Employee Plan, is to promote our success and enhance our value by linking the personal interests of participants to those of our stockholders and by providing such individuals with an incentive for outstanding performance in order to generate superior returns to stockholders. The A&R 2005 Employee Plan is designed to give our Compensation Committee flexibility in structuring awards that will achieve these objectives.

Section 5.1 of the A&R 2005 Employee Plan currently limits the number of shares of our Common Stock that may be awarded to 1,118,250. The Board of Directors has approved an amendment to this provision, subject to stockholder approval, increasing the total number of shares of our Common Stock that may be awarded to 1,218,250, or an increase of 100,000 shares from the current limit under the A&R 2005 Employee Plan.

As discussed in prior filings with the SEC, including the proxy statement for our 2016 Annual Meeting and 2017 Annual Meeting, we expect to continue to rely on grants of stock options, awards of restricted and unrestricted stock and other equity-based awards to adequately compensate and incentivize employees. Our continuing efforts to manage our liquidity and working capital have continued to limit our ability to fully compensate our key employees through their salaries and other cash compensation, and the Board believes that increasing the number of shares available for award under the 2005 Plan will allow us flexibility in structuring compensation for our key employees that will adequately compensate and incentive them.

Summary Description of the A&R 2005 Employee Equity Incentive Plan

The following is a summary of the material provisions of the A&R 2005 Employee Plan. Paragraph 1 below describes the amendment to the A&R 2005 Employee Plan that you will be voting on in this Proposal 3. Only the amendment is the subject of the stockholder vote. If stockholders approve this Proposal 3, Section 5.1 will be amended to increase the maximum shares that may be awarded under the A&R 2005 Employee Plan by 100,000 shares and the remainder of the A&R 2005 Employee Plan will continue in full force and effect. If stockholders do not approve this Proposal 3, the A&R 2005 Employee Plan will continue in full force and effect, with the 1,118,250 aggregate share limitation continuing to be applicable. The full text of the amendment to the A&R 2005 Employee Plan is included in Appendix B to this Proxy Statement, and we urge you to read Appendix B. The full text of the A&R 2005 Employee Plan (not including the proposed amendment) is included as Appendix A to our definitive Proxy Statement for our 2014 Annual Meeting of Stockholders filed with the SEC on April 21, 2014, and we urge you to read that Appendix, as this summary does not purport to be a complete description of all of the provisions of the A&R 2005 Employee Plan and is qualified in its entirety by reference to the text of that Appendix. Other than the amendment described in Paragraph 1 below and Appendix B, all other provisions of the A&R 2005 Employee Plan remain unchanged.

1. Number of Shares. The aggregate number of shares reserved for grant under the A&R 2005 Employee Plan is currently 1,118,250. If Proposal 3 is adopted, the aggregate number of shares reserved for grant under the 2016 Employee Plan will be 1,218,250.

2. Administration. The A&R 2005 Employee Plan is administered by our Compensation Committee. The members of the Compensation Committee must be Directors who satisfy the requirements of “non-employee directors” within the meaning of Rule 16b-3 under the Exchange Act.

3. Eligibility; Participation. All of our executive officers and other key employees, and the executive officers and key employees of any of our subsidiaries, are eligible to become participants in the A&R 2005 Employee Plan. From time to time, our Compensation Committee will select those persons who will be granted an award from among all eligible individuals.

4. Term of A&R 2005 Employee Plan. The A&R 2005 Employee Plan became effective as of February 7, 2014 and will terminate on February 7, 2024. Our Board of Directors has the right to terminate the A&R 2005 Employee Plan prior to such date without prejudice in any material way to the holders of any awards then outstanding.

5. A&R 2005 Employee Plan Awards. Our Compensation Committee is authorized under the A&R 2005 Employee Plan to grant a variety of incentive awards to participants, as described below. Each award will be evidenced by a written Award Agreement, which specifies the terms and conditions of the particular award, as determined by the Compensation Committee in its discretion, subject to the conditions and limitations set forth in the A&R 2005 Employee Plan.

a. Stock Options. Our Compensation Committee can award stock options (“**Options**”) to purchase a specified number of shares of Common Stock. The exercise price of an Option is determined by our Compensation Committee and can be no less than the fair market value of the underlying shares on the date of grant. Moreover, outstanding Options cannot be repriced, absent prior approval of the stockholders. The maximum number of shares of our Common Stock with respect to which Options and SARs (as described below) may be granted to any single participant during any one of our fiscal years is 100,000. Tax-qualified incentive stock options (“**ISOs**”) and non-qualified stock options (“**NQOs**”) may be awarded to participants under the Restated Employee Plan. Our Compensation Committee determines the term of the Option, the vesting periods and the permissible methods of payment of the exercise price (e.g., cash, shares of Common Stock, cashless exercise, etc.), and this is reflected in the Award Agreement. Our Compensation Committee can also provide that performance or other conditions be met before all or any part of an Option may be exercised.

b. Stock Appreciation Rights. A stock appreciation right (“**SAR**”) gives the participant the right to receive the excess (if any) of the fair market value of a specified number of shares of Common Stock at the time of exercise over the grant price of the SAR (which shall not be less than the fair market value of the shares on the date of grant). The terms, methods of exercise, methods of settlement (e.g., cash, shares of Common Stock, or a combination thereof), and any other terms and conditions of any SAR will be determined by our Compensation Committee at the time of the grant of the award and is reflected in the Award Agreement.

c. Stock Awards. Our Compensation Committee may award shares of our Common Stock to a participant at no cost to the participant. The award may take the form of an immediate transfer of shares which are subject to forfeiture if conditions specified by the Compensation Committee are not met (“**Restricted Stock**”). Alternatively, the award may take the form of an immediate transfer of shares which are not subject to a risk of forfeiture or a deferred transfer of shares if and when the conditions specified by the Compensation Committee are met (“**Unrestricted Stock**”). The criteria for avoiding forfeiture of Restricted Stock, or receiving a deferred transfer of Unrestricted Stock, may be the completion of a period of continuous employment with us, or satisfaction of specified performance goals, or a combination thereof.

d. Performance-Based Awards. Our Compensation Committee may grant a stock award that will entitle the holder to receive a specified number of shares of Common Stock if certain performance goals are met (“**Performance Shares**”). These goals may include, for example, the price of our Common Stock as reported on the NYSE American reaching one or more targeted levels, or our earnings on a per-share basis reaching one or more targeted levels. Unless otherwise provided in the relevant Award Agreement, a participant must be employed by us on the last day of the performance period to be eligible for a performance award for such performance period. These are essentially stock awards that are subject to performance criteria to enable the award to qualify as “performance-based compensation” under Section 162(m) of the Internal Revenue Code of 1986, as amended (“**Code**”).

6. Interpretation. Our Compensation Committee has the power to set, alter or change the rules, guidelines and regulations for the administration of the A&R 2005 Employee Plan, and to interpret the A&R 2005 Employee Plan, any awards under the A&R 2005 Employee Plan, and any and all guidelines, rules and regulations adopted pursuant to the A&R 2005 Employee Plan. Any determinations made by the Compensation Committee will be conclusive and binding on all A&R 2005 Employee Plan participants and their beneficiaries.

7. Amendments. Our Board may, from time to time, in its discretion, amend or supplement any provision of the A&R 2005 Employee Plan, in whole or in part; provided however, no amendment may be made to modify the requirements for eligibility for participation, to increase the number of shares of our Common Stock with respect to which awards may be granted under the A&R 2005 Employee Plan to permit repricing of Options or extend the term of the A&R 2005 Employee Plan unless approved by our stockholders. No amendment to the A&R 2005 Employee Plan may adversely affect the rights of participants in any material way with respect to outstanding awards without the consent of the affected participants.

8. Anti-Dilution. The number of shares with respect to which awards may be granted under the A&R 2005 Employee Plan, the number of shares of our Common Stock subject to any outstanding award, and the nature of the securities which may be issued under the A&R 2005 Employee Plan, in each case shall be adjusted as a result of stock splits, stock dividends, or other subdivisions or combinations of our Common Stock, or reorganizations, mergers, consolidations, dividends or reclassifications affecting us. In particular, in the event of our merger, liquidation or dissolution, or a sale of all or substantially all of our assets, the Compensation Committee has discretion to cancel or exchange outstanding awards for cash or other securities as described in more detail in Article 12 of the A&R 2005 Employee Plan.

9. Limits on Transfer. No right or interest of a participant in any award may be pledged, encumbered, or hypothecated to or in favor of any party other than Blonder, or shall be subject to any lien, obligation, or liability of such participant to any other party other than Blonder. No award is assignable or transferable by a participant other than by will or the laws of descent and distribution, except that the Compensation Committee, in its discretion, may permit a participant to make a gratuitous transfer of an award that is not an ISO (or SAR granted in tandem with an ISO) to his or her spouse, lineal descendants, lineal ascendants, or a duly established trust for the benefit of one or more of these individuals.

10. Clawback. The A&R 2005 Employee Plan provides that any award under the A&R 2005 Employee Plan is subject to our ability to recoup or recover (i.e., clawback) any such award, Common Stock or other consideration previously granted pursuant to (i) any compensation recovery or recoupment policy to be adopted by us from time to time in the future, or (ii) any other applicable law, regulation or stock exchange rule.

Federal Tax Consequences of the A&R 2005 Employee Equity Incentive Plan

The following is a summary of the principal federal tax consequences of the A&R 2005 Employee Plan under the Code, based on laws and regulations in effect on the date of this Proxy Statement, which laws and regulations are subject to change, and does not purport to be a complete description of the federal tax aspects of the A&R 2005 Employee Plan.

A participant does not realize taxable income upon the award of an Option. If the Option qualifies as an ISO, the participant does not realize taxable income upon exercise of the Option (except for purposes of the alternative minimum tax). The maximum value of shares of our Common Stock (measured at the time of the award) subject to ISOs granted to any participant which can become exercisable in any calendar year is \$100,000. Provided the participant holds the Common Stock for at least one year and until the end of the two-year period from the date the Option was awarded, the gain or loss upon the sale of the Common Stock will be treated as capital gain or loss. If the participant sells the stock before satisfying both of these holding period requirements, this is known as a “disqualifying disposition.” In the event of a disqualifying disposition, the lesser of (1) the excess of the fair market value of the Common Stock at the time of exercise over the exercise price, or (2) the excess (if any) of the fair market value of the Common Stock at the time of sale over the exercise price will be taxable to the participant as ordinary income. We will not be entitled to any tax deduction in connection with an ISO, except that we will be entitled to a deduction equal to the amount that is taxable to the participant as ordinary income as a result of a disqualifying disposition.

If an Option is an NQO, the participant will realize ordinary compensation income at the time of exercise equal to the excess of the fair market value of our Common Stock at the time of exercise over the exercise price, and we will be entitled to a tax deduction for the same amount.

A participant does not realize taxable income upon the award of a SAR. The participant will realize ordinary compensation income upon the receipt of the cash or Common Stock resulting from the exercise of a SAR, and we will be entitled to a tax deduction for the same amount.

In general, a participant does not realize taxable income upon the award of Restricted Stock; the value of the Restricted Stock will be taxable to the participant as ordinary compensation income if and when the forfeiture restrictions lapse. However, a participant may make an election under Section 83(b) of the Code (“**83(b) Election**”) to be taxed on the value of the Restricted Stock at the time of the award. If a participant makes an 83(b) Election, he or she will not be taxed on the Restricted Stock if and when the forfeiture restrictions lapse. A participant would make an 83(b) Election by filing a written statement with the IRS no later than 30 days after the date of the award of the Restricted Stock. A copy of that statement also must be given to us, and another copy must be attached to the participant’s income tax return for the year of the award.

A participant will realize ordinary compensation income upon the receipt of Unrestricted Stock equal to the value of the Unrestricted Stock at that time.

We will be entitled to a tax deduction attributable to Restricted Stock or Unrestricted Stock equal to the amount taxable to the participant, and at the time it is taxable to the participant, subject to special rules under Section 162(m) of the Code which may limit the deductibility of compensation attributable to such awards which are granted to our Chief Executive Officer and the highest compensated officers (other than the Chief Executive Officer) whose compensation must be reported in our Proxy Statement.

We will have the authority and the right to deduct or withhold, or require a participant to remit to us, an amount sufficient to satisfy federal, state, and local taxes required by law to be withheld with respect to any taxable event arising as a result of the A&R 2005 Employee Plan. A participant may elect to have us withhold from the Common Stock that would otherwise be received upon the exercise of any Option, a number of shares having a fair market value equal to the minimum statutory amount necessary to satisfy our applicable federal, state, local and foreign tax withholding obligations.

All awards under the A&R 2005 Employee Plan that are subject to Section 409A of the Code shall be structured to comply with Section 409A. Section 409A provides limitations on nonqualified deferred compensation. Section 409A contains rules affecting elections to defer compensation and the actual payment of the deferred compensation. For purposes of Section 409A, “deferred compensation” is defined in a very broad manner, and could include certain types of awards under the A&R 2005 Employee Plan, such as SARs, Restricted Stock and Unrestricted Stock. Award recipients could be subject to adverse federal income tax consequences to the extent that their awards do not comply with Section 409A.

Awards Under the A&R 2005 Employee Equity Incentive Plan

Because awards under the A&R 2005 Employee Plan are at the discretion of the Compensation Committee, the benefits to be received by or allocated to the named executive officers, the current executive officers as a group and all employees (other than the current executive officers) as a group, cannot be determined at this time with respect to the amended A&R 2005 Employee Plan.

Recommendation of the Board of Directors

Our Board of Directors recommends that stockholders vote FOR the proposal to approve the amendment to the Amended and Restated 2005 Employee Equity Incentive Plan.

Proxies received by the Board of Directors will be voted FOR the proposal to approve the amendment to the Amended and Restated 2005 Employee Equity Incentive Plan unless stockholders specify in their proxies a contrary choice.

PROPOSAL NO. 4 – RATIFICATION OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Our Audit Committee has selected Marcum LLP to serve as our independent registered public accounting firm for the fiscal year ending December 31, 2018. Marcum LLP has been our independent registered public accounting firm since October 24, 2005. One or more representatives of Marcum LLP is expected to be present at this year's Annual Meeting of Stockholders and will have the opportunity to make a statement if he or she desires to do so and to answer appropriate questions from stockholders.

Although the submission of the appointment of Marcum LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2018 to a vote of our stockholders is not required by our Bylaws, the Board is submitting it to stockholders to ascertain their views. If our stockholders do not ratify the appointment, we will not be bound to seek another independent registered public accounting firm for 2018, but the selection of another independent registered public accounting firm will be considered in future years.

Pre-Approval Policy for Services by Independent Registered Public Accounting Firm

Our Audit Committee has implemented pre-approval policies and procedures for the engagement of our independent registered public accounting firm for both audit and permissible non-audit services. Under these policies and procedures, all services provided by the independent registered public accounting firm must either (i) be approved by our Audit Committee prior to the commencement of the services, (ii) relate to assisting us with tax audits and appeals before a taxing authority or be services associated with periodic reports or registration statements filed by us with the SEC, all of which services are pre-approved by our Audit Committee, or (iii) be a de minimis non-audit service (as described in Rule 2-01(c)(7)(i)(C) of the SEC's Regulation S-X) that does not have to be pre-approved as long as management promptly notifies our Audit Committee of such service and our Audit Committee approves it prior to the service being completed. Within these parameters, our Audit Committee annually approves the scope and fees payable for the year end audit, statutory audits and employee benefit plans audits to be performed by the independent registered public accounting firm for the next fiscal year. Our Audit Committee also may delegate pre-approval authority for permissible non-audit services to the Audit Committee's Chairman. Any approvals of non-audit services made by our Audit Committee's Chairman are then reported by him at the next Audit Committee meeting. All of the services provided by our independent registered public accounting firm during fiscal year 2017 and fiscal year 2016 were approved in accordance with our pre-approval policies and procedures. None of the services were approved pursuant to Rule 2-01(c)(7)(i)(C) of the SEC's Regulation S-X.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

On March 28, 2016, the Company, Robert J. Pallé and Carol Pallé, James H. Williams and Steven Shea (the “**Lenders**”), entered into an Amended and Restated Senior Subordinated Convertible Loan and Security Agreement (the “**Loan Agreement**”) pursuant to which the Lenders agreed to lend the Company up to \$750,000. Mr. Pallé is the President and Chief Executive Officer of the Company, and also serves as a director of the Company. Mrs. Pallé is an employee of the Company and the spouse of Mr. Pallé. Mr. Shea is our Chairman of the Board and a director of the Company. Mr. Williams is a director of the Company. On March 21, 2017, the Amended and Restated Loan Agreement was amended. The Loan Agreement and the subsequent amendment, and the transactions provided therein were approved, in each instance, by the Company’s independent directors (and in the case of the transactions involving Messrs. Shea and Williams, by the Company’s independent directors other than Messrs. Shea and Williams). Interest on the outstanding balance under the Loan Agreement accrues at 12% per annum (subject to increase under certain circumstances) and is payable monthly in-kind by the automatic increase of the principal amount of the loan on each monthly interest payment date, by the amount of the accrued interest payable at that time (“**PIK Interest**”) (however, the Company has the option to pay interest in cash on any interest payment date, in lieu of PIK Interest). The Lenders have the option of converting the principal balance of the loan, in whole (unless otherwise agreed by the Company), into shares of the Company’s common stock at a conversion price of \$0.54 per share (subject to adjustment under certain circumstances). As of December 31, 2017 the Lenders had advanced \$500,000 to the Company and \$71,000 of PIK interest was accrued in the year ended December 31, 2017. On April 17, 2018, Robert J. Pallé and Carol Pallé exercised their conversion rights and converted \$454,731 (\$350,000 principal and \$104,731 of accrued interest) of their loan (representing the entire amount of principal and interest outstanding and held by Mr. and Mrs. Pallé on that date) into 842,095 shares of the Company’s common stock.

One of our Directors, Gary P. Scharmett, is a partner at the law firm of Stradley Ronon Stevens & Young, LLP, which serves as our outside counsel. For the 2017 and 2016 fiscal years, we were billed fees for legal services by this firm in the aggregate amount of \$358,071 and \$532,199, respectively. Mr. Scharmett’s interest in these fees arises from his minority ownership interest as a partner at this firm. In the Company’s opinion, the terms of such services were substantially equivalent to those which would have been obtained from unaffiliated parties.

The Company has a Code of Ethics (the “**Code**”) that applies to all of our directors, officers and employees, including our principal executive officer, principal financial officer and principal accounting officer. The Code is available on our website at www.blondertongue.com. We intend to satisfy the disclosure requirements of Form 8-K with respect to any waivers of or amendments to the Code with respect to certain officers by posting such disclosures on our website at www.blondertongue.com. We may, however, elect to disclose any such amendment or waiver in a Current Report on Form 8-K filed with the SEC in addition to or in lieu of the website disclosure. The information on, or that can be accessed through our website is not, and shall not be deemed to be, a part of this Annual Report on Form 10-K or incorporated into any other filings that we make with the SEC.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires our Directors and executive officers, and persons who are the beneficial owners of more than ten percent of our Common Stock, to file with the SEC, initial reports of ownership and reports of changes in ownership of Common Stock. Such Directors, executive officers and stockholders (collectively, “**Reporting Persons**”) are additionally required to furnish us with copies of all Section 16(a) forms they file.

To our knowledge, based solely on review of the copies of such reports furnished to us or written representations that no reports were required with respect to fiscal year 2017, we believe that all Section 16(a) filing requirements applicable to Reporting Persons were complied with on a timely basis during 2017, except that Carol M. Pallé, who became the beneficial owner of more than 10% of the Company’s common stock failed to file a Form 3 regarding that beneficial ownership and Form 4 to report changes in her beneficial ownership.
