**Waiver of the preemptive right for the subscription of debentures convertible into shares to be issued by Sete Brasil**

Rio de Janeiro, August 9th, 2013 – Petróleo Brasileiro S.A. – Petrobras announces that its Board of Directors, in a meeting held today, approved the proposal to waive the preemptive right for the subscription of debentures convertible into shares to be issued by Sete Brasil Participações S.A. (“Sete Brasil”) and that it will submit the subject for vote at an Extraordinary Shareholders Meeting to be convened in due course.

If the waiver goes forward and other parties acquire such debentures and, subsequently, choose to convert into shares of Sete Brasil, a dilution of Petrobras’ stake in Sete Brasil may occur.

Sete Brasil is a private corporation formed for the construction of 29 drilling rigs, of which Petrobras currently holds, directly and indirectly, a 9.36% stake.

## SIGNATURE

Pursuant to the requirements of the Securities Exchange Act of 1934, the registrant has duly caused this report to be signed on its behalf by the undersigned, thereunto duly authorized.

## FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended (Securities Act), and Section 21E of the Securities Exchange Act of 1934, as amended (Exchange Act) that are not based on historical facts and are not assurances of future results. These forward-looking statements are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.

All forward-looking statements are expressly qualified in their entirety by this cautionary statement, and you should not place reliance on any forward-looking statement contained in this press release. We undertake no obligation to publicly update or revise any forward-looking statements, whether as a result of new information or future events or for any other reason.
