Item 7.01 Regulation FD Disclosure.

The Williams Companies, Inc. ("Williams") announced today that it expects to receive approximately \$71 million as a result of ExxonMobil's exercise of its contractual option to purchase an interest in a portion of the Piceance Basin reserves Williams acquired in May.

As Williams announced at the time of the acquisition, approximately two-thirds of the acquired acreage is located in an area of mutual interest in which Williams, as operator, participates with a third party – ExxonMobil. By agreement, ExxonMobil had the option to purchase up to a 49-percent interest in those assets that lie within the area of mutual interest.

A copy of the press release announcing ExxonMobil's exercise of its contractual option to purchase an interest in a portion of the Piceance Basin reserves is furnished herewith as Exhibit 99.1. The information furnished is not deemed "filed" for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, is not subject to the liabilities of that section and is not deemed incorporated by reference in any filing under the Securities Act of 1933, as amended.
