(e) APPROVAL OF FISCAL YEAR 2009 EXECUTIVE INCENTIVE PLAN

On November 4, 2008, the Compensation Committee of Skyworks Solutions, Inc. (the "Company") approved the Fiscal Year 2009 Executive Incentive Plan (the "Incentive Plan"). The Incentive Plan establishes cash incentive awards that may be earned by senior management approved for participation in the Incentive Plan, including named executive officers of the Company, based on the Company's achievement of certain corporate goals on a semi-annual basis. The Incentive Plan also establishes minimum performance thresholds with respect to the corporate goals that must be achieved before any incentives are awarded under the Incentive Plan. The Incentive Plan's semi-annual corporate goals, which are approved by the Compensation Committee of the Company, involve achievement of certain revenue, gross margin, operating income, inventory management, and customer metrics for the first and second half of fiscal year 2009.

Under the Incentive Plan, the Company's Chief Executive Officer is eligible to earn cash incentive awards equaling 100% of his base salary for the fiscal year if the Company achieves its target performance metrics, with the opportunity to earn up to a maximum of two times his target award to the extent the Company exceeds its target performance metrics. The Company's other named executive officers are eligible to earn cash incentive awards equaling sixty percent (60%) of their respective base salaries for the fiscal year if the Company achieves its target performance metrics, with the opportunity to earn up to a maximum of two times their target awards to the extent the Company exceeds its target performance metrics. Upon completion of the first six months of fiscal year 2009, the Compensation Committee will determine the extent to which the Company's performance goals have been attained for the first half of the fiscal year, and whether any incentives awards should be made. Upon completion of the second half of the fiscal year, the Compensation Committee will complete the same process. Twenty percent (20%) of any award made for the first half of the fiscal year will be held back and paid after year-end only if the nominal operating income goal for the full fiscal year is met. In addition, the Compensation Committee has discretion to issue the Company's common stock in lieu of cash for all, or a part of, an award approved under the Incentive Plan.
