**Item 1.01 Entry into a Material Definitive Agreement.**

On May 14, 2012, Sorrento Therapeutics, Inc. ("Sorrento" or the "Company") entered into an Amended and Restated Stock Purchase Agreement (the "Amended Stock Purchase Agreement") with certain investors listed therein, pursuant to which Sorrento will issue and sell an additional 37,500,000 shares of common stock in an additional closing to certain accredited investors, in consideration for an aggregate investment of \$6.0 million (the "Additional Closing"). The Additional Closing is expected to occur on or about May 15, 2012, subject to customary closing conditions.

The Amended Stock Purchase Agreement amended the Company's previously-announced Stock Purchase Agreement dated December 29, 2011 pursuant to which the Company issued and sold 12,500,000 shares of common stock in consideration for an aggregate investment of \$2.0 million.

The shares to be sold to the investors in the Additional Closing are not registered under the Securities Act of 1933, as amended (the "Securities Act"), or any state securities laws, in reliance upon the exemption from registration provided by Section 4(2) of the Securities Act and Regulation D promulgated under that section, which exempts transactions by an issuer not involving a public offering. None of these shares may be offered or sold in the United States absent registration or an applicable exemption from the registration requirements.

All other material terms of the original Stock Purchase Agreement described in the Company's Current Report on Form 8-K filed with the SEC on January 5, 2012 remain unchanged. The foregoing summary of the Amended Stock Purchase Agreement is qualified in its entirety by reference to the full text of the agreement attached as Exhibit 10.1 to this Current Report on Form 8-K and incorporated herein by reference.

**Item 3.02 Unregistered Sales of Equity Securities.**

The securities described in Item 1.01 above were offered and sold in reliance upon exemptions from registration pursuant to Section 4(2) under the Securities Act, and Rule 506 promulgated thereunder. The Amended Stock Purchase Agreement contains representations to support the Company's reasonable belief that the investors in the Additional Closing had access to information concerning the Company's operations and financial condition, the investors acquired the securities for their own accounts and not with a view to the distribution thereof in the absence of an effective registration statement or an applicable exemption from registration, and that the investors are sophisticated within the meaning of Section 4(2) of the Securities Act and "accredited investors" (as defined by Rule 501 under the Securities Act). In addition, the issuances did not involve any public offering; the Company made no solicitation in connection with the Additional Closing other than communications with the investors; the Company obtained representations from the investors regarding their investment intent, experience and sophistication; and the investors either received or had access to adequate information about the Company in order to make an informed investment decision.

At the time of their issuance, the shares will be deemed to be restricted securities for purposes of the Securities Act, and the certificates representing the securities will bear legends to that effect.

The information set forth in Item 1.01 of this Current Report on Form 8-K is incorporated into this Item 3.02 by reference.
