Item 4.01. Changes in Registrant's Certifying Accountant

On March 30, 2011, Bio-Carbon Systems International Inc. (the "Company") dismissed Soberman LLP ("Soberman"). The Company had engaged Soberman to audit its financial statements for the year ended December 31, 2010. The decision to change accountants was approved and ratified by the Company's Board of Directors. No report on the financial statements of the Company was delivered by Soberman, and therefore there were no reports by Soberman to the Company and/or its management containing an adverse opinion or disclaimer of opinion, nor were there any reports delivered that were qualified or modified as to uncertainty, audit scope, or accounting principle. Additionally, since having engaged Soberman on June 4, 2010, no disagreements arose between Soberman and the Company (and/or its management) on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure.

While Soberman was engaged by the Company, there were no disagreements between Soberman and the Company on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure with respect to the Company, which disagreements if not resolved to the satisfaction of Soberman would have caused it to make reference to the subject matter of the disagreements in connection with any report on the Company's financial statements for any period audited by Soberman.

The Company provided Soberman with a copy of the disclosures to be included in Item 4.01 of this Current Report on Form 8-K and requested that Soberman furnish the Company with a letter addressed to the Commission stating whether or not Soberman agrees with the foregoing statements.

The Company engaged DNTW Chartered Accountants LLP ("DNTW") as the Company's independent registered public accounting firm as of March 30, 2011. DNTW is and will continue to be the Company's independent registered public accounting firm.

Further to the requirements of item 304(a)(2) of Regulation S-K, the Company is confirming that it has never previously engaged DNTW, as either principal accountant to audit the Company's financial statements (and the Company has no subsidiaries), or as an independent accountant on whom the principal accountant of the Company was expected to express reliance in its report. In addition, prior to the engagement of DNTW on March 30, 2011, the Company has not consulted DNTW regarding the application of accounting principles to a specified transaction (either completed proposed), or the type of audit opinion that might be rendered on the Company's financial statements, or any matter that was either subject of a disagreement (as defined in item 304(a)(1)(iv) of Regulation S-K) or a reportable event (as defined in item 304(a)(v) of Regulation S-K).
