Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

New Equity Award Agreements

On March 31, 2014, in connection with its annual review of executive compensation arrangements, the Compensation & Governance Committee (the “Committee”) of the Board of Directors of Express, Inc. (the “Company”) approved (1) a new form of restricted stock unit award agreement for restricted stock units with time-based vesting terms (“Restricted Stock Units”), (2) a new form of restricted stock unit award agreement for restricted stock units with performance-based and time-based vesting terms (“Performance Stock Units”), and (3) a new form of non-qualified stock option award agreement (together, the “New Equity Award Agreements”) for such equity awards granted pursuant to the Company’s 2010 Incentive Compensation Plan (as amended, the “Plan”).

Pursuant to the New Equity Award Agreements, in the case of the executive officer’s death or disability, all of the unvested equity awards granted pursuant to such award agreements will automatically vest (with such vesting to occur at 100% of the performance target in the case of Performance Stock Units). The new form of restricted stock unit award agreement for Restricted Stock Units provides that in the case of the executive officer’s retirement, a pro rata amount of any unvested Restricted Stock Units scheduled to vest at the next vesting date following retirement shall automatically vest based on the number of days worked in the period between the most recent vesting date (or the grant date if no vesting date has yet occurred) and the next vesting date. The new form of restricted stock unit award agreement for Performance Stock Units provides that in the case of the executive officer’s retirement, a pro rata amount of any unvested Performance Stock Units scheduled to vest at the next vesting date following retirement shall automatically vest based on the number of days worked in the period between the most recent vesting date (or the grant date if no vesting date has yet occurred) and the next vesting date and subject to actual achievement of performance goals. The new form of non-qualified stock option award agreement provides that in the case of the executive officer’s retirement, all of the unvested stock options granted pursuant to such award agreement will automatically vest. The new form of restricted stock unit award agreement for Restricted Stock Units and the new form of restricted stock unit award agreement for Performance Stock Units also provide that any cash dividends paid by the Company on account of unvested Restricted Stock Units and Performance Stock Units will be deemed reinvested in Company common stock and paid out in Company common stock in accordance with the vesting terms of such award agreement.

The New Equity Award Agreements are effective for the equity awards granted to named executive officers by the Committee on April 1, 2014 as described below under the heading “2014 Equity Compensation Awards”.

2014 Equity Compensation Awards

On April 1, 2014, the Company’s named executive officers were granted the following equity awards:

Named Executive Officer	Non-Qualified Stock Options	Restricted Stock Units	Performance Stock Units		
			Threshold	Target	Maximum
Michael Weiss	155,158	83,832	125,748	167,664	209,580
David Kornberg	26,050	21,112	30,876	41,168	51,460
Matthew Moellering	23,311	18,892	27,629	36,839	46,048
Colin Campbell	12,112	9,824	14,367	19,157	23,946
D. Paul Dascoli	10,956	8,880	12,986	17,315	21,643

One-fourth of the stock options and one-fourth of the Restricted Stock Units are scheduled to vest on April 15<sup>th</sup> of 2015, 2016, 2017, and 2018, subject to continued employment with the Company (or subject to continued service in the case of Mr. Weiss). The Performance Stock Units are subject to time and performance-based vesting. The number of Performance Stock Units that vest will be determined based on the Company's adjusted earnings per diluted share for the two-year period commencing on the first day of the Company's 2014 fiscal year and ending on the last day of the Company's 2015 fiscal year, compared to the performance goals established by the Committee. The range of possible payouts for the Performance Stock Units are set forth in the table above. The number of Performance Stock Units that vest will be determined using straight line interpolation if adjusted earnings per diluted share over the performance period is an amount between performance goals. One-half of the

Performance Stock Units that are earned based on achievement of the performance goals are scheduled to vest on April 15<sup>th</sup> of 2016 and 2017, subject to continued employment with the Company (or subject to continued service in the case of Mr. Weiss).

The foregoing descriptions of the New Equity Award Agreements and the 2014 Equity Compensation Awards are qualified in their entirety by reference to the complete text of the Form of Restricted Stock Unit Award Agreement for Restricted Stock Units, the Form of Performance Stock Unit Award Agreement for Performance Stock Units, and the Form of Non-Qualified Stock Option Award Agreement, copies of which are attached to this current report on Form 8-K as Exhibit 10.1, 10.2. and 10.3, respectively, and incorporated herein by reference, as well as the Plan which is filed with the SEC as Appendix B to the Company's 2012 Proxy Statement and incorporated herein by reference.

#### Item 8.01 Other Events.

As previously disclosed in a Current Report on Form 8-K filed by the Company on March 28, 2014, Express, LLC, a Delaware limited liability company ("Express"), and Express Finance Corp., a Delaware corporation ("Express Finance," and together with Express, the "Issuers"), sent a conditional redemption notice to U.S. Bank National Association (the "Trustee"), for all of the Issuers' outstanding 8.750% Senior Notes due 2018 (CUSIP No. 30218A AB8), originally issued on March 5, 2010 (the "2018 Notes"), at a redemption price of 104.375% of the principal amount or \$1,043.75 per \$1,000.00 principal amount thereof (the "Redemption Price"), plus accrued and unpaid interest to but not including the redemption date of April 28, 2014. The redemption was conditioned upon the completion of and receipt of sufficient net proceeds from a new term loan on terms and conditions acceptable to the Issuers (the "Term Loan") to permit the Issuers to deposit, prior to 10:00 a.m. Eastern Time on April 28, 2014, money sufficient to pay the Redemption Price.

The Issuers now intend to complete the redemption of the 2018 Notes on or before May 31, 2014 using proceeds from a new term loan. Accordingly, the Issuers directed the Trustee to rescind the conditional redemption notice issued on March 28, 2014 that provided for a redemption date of April 28, 2014.
