Item 8.01 Other Events.

AMC Networks Inc. and collectively with its subsidiaries (the "Company") is furnishing this Current Report on Form 8-K ("Form 8-K") to provide unaudited supplemental financial information for each of the quarters of 2013, and the years ended December 31, 2013 and 2012, to reflect the results of our operating segment reorganization that became effective in the first quarter of 2014.

The company classifies its operations into two operating segments: National Networks and International and Other. As previously announced, during the three months ended March 31, 2014, following the acquisition of Chellomedia on January 31, 2014, the manner in which the President and Chief Executive Officer, who is the chief operating decision maker, evaluates performance and makes decisions about how to allocate resources changed, resulting in the reorganization of the Company's operating segments. The National Networks operating segment now includes the results of AMC and Sundance Channel in Canada and AMC Networks Broadcasting & Technology, the Company's network technical services business, which primarily services the nationally distributed programming networks of the Company. Previously, the results of these operations were included in the International and Other operating segment. The reorganization became effective, on a prospective basis, beginning in the first quarter of 2014. The information contained in this Form 8-K is being furnished to assist investors in understanding how the Company's operating segment results would have been presented in previously-filed reports had such results been reported on the basis of the Company's operating segments commencing in the first quarter of 2014. Only financial information affected by the operating segment reorganization is included in this Current Report on Form 8-K. The revised supplemental financial information does not represent a revision or restatement of previously-issued financial statements. A copy of the revised supplemental information is attached hereto as Exhibit 99.1.

The information furnished pursuant to this Item 8.01, including Exhibit 99.1, shall not be deemed "filed" for purposes of Section 18 of the Securities Exchange Act of 1934 (the "Exchange Act") or otherwise subject to the liabilities under that Section and shall not be deemed to be incorporated by reference into any filing of the Registrant under the Securities Act of 1933 or the Exchange Act.

Item 9.01 Financial Statements and Exhibits.
