The slide presentation was previously furnished under Item 7.01 on a Form 8-K filed on January 29, 2018 and as an exhibit to a Proxy Statement on Schedule 14A filed on January 31, 2018. The updated presentation is included as Exhibit 99.1 to this report and provides additional disclosure regarding the group of banks used as a comparison group for credit quality on page 23 of the presentation, as well as certain goals related to returns on equity and efficiency ratios by segment. The slide presentation is also available on HomeStreet's investor relations web site at <http://ir.homestreet.com>. The presentation includes forward looking statements within the meaning of the Securities Exchange Act of 1934, as amended, the Securities Act of 1933, as amended, and the rules under each of those statutes. Please refer to the second page of the presentation, which includes a list of factors that could cause the registrant to fall short of the expectations set forth therein. A more complete discussion of these and other relevant risks is set forth in the registrant's most recent Annual Report on Form 10-K for the fiscal year ended December 31, 2016; our most recent Quarterly Report on Form 10-Q; and our other filings made from time to time with the Securities and Exchange Commission.
