Item 8.01 Other Events.

On March 12, 2009, the Board of Directors of Healthways, Inc. (the Company) approved a proposed settlement of a qui tam lawsuit filed in 1994 on behalf of the United States government related to the Company's former Diabetes Treatment Center of America business. As a result of the proposed settlement, the Company has incurred a charge of approximately \$40 million, including a \$28 million payment to the United States government and payment of an estimated \$12 million for other costs and fees related to the settlement, including the estimated legal costs and expenses of the plaintiff's attorneys. The Company expects that the \$40 million charge will result in a \$0.73 impact in earnings per diluted share in the first quarter of 2009. Although the government has not intervened in the lawsuit, the amount to be paid to the government in connection with the settlement remains subject to approval by the United States Department of Justice.

Also in connection with the proposed settlement, the Company entered into a sixth amendment to its Third Amended and Restated Revolving Credit and Term Loan Agreement dated as of December 1, 2006 (the Agreement) to expressly exclude the impact of the charge incurred by the Company as part of the proposed settlement from the calculation of earnings before interest, taxes, depreciation and amortization, or EBITDA, for purposes of covenant calculations under the Agreement. A copy of the amendment is attached hereto as Exhibit 10.1.

A copy of the press release issued by the Company relating to the proposed settlement is attached hereto as Exhibit 99.1 and incorporated herein by reference.
