Explanatory Note

This Current Report on Form 8-K/A amends the Current Report on Form 8-K of Good Times Restaurants Inc. (the Company) filed on August 22, 2014 (the Original Report). The purpose of this Amendment is to correct inadvertent errors in (i) reporting the timing of the number of shares of common stock sold without registration by the Company after the Original Registration Statement (defined below) ceased to be effective, and (ii) the date on which the number of shares of common stock sold without registration by the Company in respect of Warrant exercises exceeded 5% of the outstanding shares. The correct date on which the number of shares of common stock sold by the Company without registration in respect of Warrant exercises exceeded 5% of the Company s outstanding shares was August 18, 2014, four days prior to the date the Original Report was filed, thereby resulting in the filing of the Original Report being timely. In recently reviewing its records with respect to the foregoing sales the Company identified such errors which resulted primarily from its reference to an incorrect subset of Warrant exercises, which incorrect subset was being tracked as part of the Company s NASDAQ Capital Market reporting requirements, but which should not have been utilized in making the calculations relevant to this Current Report.

Item 3.02

Unregistered Sale of Equity Securities

Between May 16, 2014 and August 20, 2014, the Company sold (i) 484,600 shares of common stock at \$2.75 per share issued upon exercise of the Company s A Warrants issued pursuant to the Company s Registration Statement on Form S-1 filed with the SEC and declared effective on August 15, 2013 (the Original Registration Statement), and (ii) 31,200 shares of common stock at \$2.50 per share issued upon exercise of the Company s B Warrants issued pursuant to the Original Registration Statement. The number of shares issued in respect of A Warrant and B Warrant exercises since May 16, 2014 exceeded 5% of the outstanding shares on August 18, 2014, which, because the Company is a smaller reporting company, was the triggering event for this Form 8-K. The Company is not claiming an exemption from registration. The Company understands that the SEC does not view the shares underlying the warrants as being sold for securities law purposes until the warrants are exercised, and therefore it is the view of the SEC that the Company should have filed a post-effective amendment to the Original Registration Statement prior to issuing these shares. Promptly upon learning of the requirement, the Company undertook corrective steps to comply.
