IMPORTANT SHAREHOLDER INFORMATION

These materials are for the Annual Meeting of Shareholders (the "Meeting") scheduled for February 28, 2014, at 12 Noon, Eastern time. The enclosed materials discuss the proposals (the "Proposals" or each, a "Proposal") to be voted on at the Meeting, and contain the Notice of Meeting, proxy statement and proxy card. A proxy card is, in essence, a ballot. When you vote your proxy, it tells us how you wish to vote on important issues relating to Templeton Global Income Fund (the "Fund"). If you specify a vote on a Proposal, your proxy will be voted as you indicate. If you specify a vote on one Proposal but not all Proposals, your proxy will be voted as specified on such Proposal and, on the Proposal for which no vote is specified, your proxy will be voted FOR such Proposal. If you simply sign, date and return the proxy card, but do not specify a vote on any Proposal, your proxy will be voted FOR the Proposals.

We urge you to spend a few minutes reviewing the Proposals in the proxy statement. Then, please fill out and sign the proxy card and return it to us so that we know how you would like to vote. When shareholders return their proxies promptly, the Fund may be able to save money by not having to conduct additional mailings.

We welcome your comments. If you have any questions, call Fund Information at (800) DIAL BEN[®]/342-5236.

TEMPLETON GLOBAL INCOME FUND

PROXY STATEMENT

The Board of Trustees of Templeton Global Income Fund (the *Fund*), in connection with the *Fund*'s Annual Meeting of Shareholders (the *Meeting*), has requested your vote.

Who is eligible to vote?

Shareholders of record at the close of business on December 13, 2013, are entitled to be present and to vote at the *Meeting* or any adjourned *Meeting*. Each share of record is entitled to one vote (and a proportionate fractional vote for each fractional share) on each matter presented at the *Meeting*. The Notice of *Meeting*, the proxy statement, and the proxy card were first mailed to shareholders of record on or about January 3, 2014.

On what issues am I being asked to vote?

You are being asked to vote on two Proposals:

1. The election of five Trustees of the *Fund*; and
2. The ratification of the selection of PricewaterhouseCoopers LLP (*PwC*) as the independent registered public accounting firm for the *Fund* for the fiscal year ending August 31, 2014.

How do the Fund's Trustees recommend that I vote?

The Trustees unanimously recommend that you vote FOR the election of the five nominees and FOR the ratification of the selection of *PwC* as the independent registered public accounting firm for the *Fund* for the fiscal year ending August 31, 2014.

How do I ensure that my vote is accurately recorded?

You may attend the *Meeting* and vote in person or you may complete and return the enclosed proxy card. If you are eligible to vote by telephone or through the Internet, instructions are enclosed.

Proxy cards that are properly signed, dated and received at or prior to the *Meeting* will be voted as specified. If you specify a vote on any of the Proposals, your proxy will be voted as you indicate. With respect to any Proposal for which you do not specify a vote, your proxy will be voted FOR that Proposal. If you simply sign, date and return the proxy card, but do not specify a vote on either Proposal 1 or 2, your shares will be voted FOR the election of all nominees as Trustee and FOR the ratification of the selection of *PwC* as the independent registered public accounting firm for the *Fund* for the fiscal year ending August 31, 2014.

May I revoke my proxy?

You may revoke your proxy at any time before it is voted by forwarding a written revocation or a later-dated proxy to the *Fund* that is received by the *Fund* at or prior to the *Meeting*, or by attending the *Meeting* and voting in person.

What if my shares are held in a brokerage account?

If your shares are held by your broker, then in order to vote in person at the Meeting, you will need to obtain a Legal Proxy from your broker and present it to the Inspector of Election at the Meeting. Also, in order to revoke your proxy, you may need to forward your written revocation or a later-dated proxy card to your broker rather than to the Fund.

May I attend the Meeting in Person?

Shareholders of record at the close of business on December 13, 2013 are entitled to attend the Meeting. Eligible shareholders who intend to attend the Meeting in person will need to bring proof of share ownership as of December 13, 2013 and a valid picture identification, such as a driver's license or passport, for admission to the Meeting. Seating is very limited. Shareholders without proof of ownership and identification will not be admitted.

PROPOSAL 1: ELECTION OF TRUSTEES

How are nominees selected?

The Board of Trustees of the Fund (the Board or the Trustees) has a Nominating Committee consisting of Edith E. Holiday (Chairperson), Frank J. Crothers and Frank A. Olson, none of whom is an interested person of the Fund as defined by the Investment Company Act of 1940 (the 1940 Act). Trustees who are not interested persons of the Fund are referred to as the Independent Trustees, and Trustees who are interested persons of the Fund are referred to as the Interested Trustees.

The Nominating Committee is responsible for selecting candidates to serve as Trustees and recommending such candidates (a) for selection and nomination as Independent Trustees by the incumbent Independent Trustees and the full Board; and (b) for selection and nomination as Interested Trustees by the full Board. In considering a candidate's qualifications, the Nominating Committee generally considers the potential candidate's educational background, business or professional experience, and reputation. In addition, the Nominating Committee has established as minimum qualifications for Board membership as an Independent Trustee: (1) that such candidate be independent from relationships with the Fund's investment manager and other principal service providers both within the terms and the spirit of the statutory independence requirements specified under the 1940 Act and the rules thereunder; (2) that such candidate demonstrate an ability and willingness to make the considerable time commitment, including personal attendance at Board meetings, believed necessary to his or her function as an effective Board member; and (3) that such candidate have no continuing relationship as a director, officer or board member of any U.S. registered investment company other than those within the Franklin Templeton Investments fund complex or a closed-end business development company primarily investing in non-public entities. The Nominating Committee has not adopted any specific policy on the issue of diversity, but will take this into account, among other factors, in its consideration of new candidates to the Board.

When the Board has or expects to have a vacancy, the Nominating Committee receives and reviews information on individuals qualified to be recommended to the full Board as nominees for election as Trustees, including any recommendations by Qualifying Fund Shareholders (as defined below). Such individuals are evaluated based upon the criteria described above. To date, the Nominating Committee has been able to identify,

and expects to continue to be able to identify, from its own resources an ample number of qualified candidates. The Nominating Committee, however, will review recommendations from Qualifying Fund Shareholders to fill vacancies on the Board if these recommendations are submitted in writing and addressed to the Nominating Committee at the Fund's offices and are presented with appropriate background material concerning the candidate that demonstrates his or her ability to serve as a Trustee, including as an Independent Trustee, of the Fund. A Qualifying Fund Shareholder is a shareholder who (i) has continuously owned of record, or beneficially through a financial intermediary, shares of the Fund having a net asset value of not less than two hundred fifty thousand dollars (\$250,000) during the twenty-four month period prior to submitting the recommendation; and (ii) provides a written notice to the Nominating Committee containing the following information: (a) the name and address of the Qualifying Fund Shareholder making the recommendation; (b) the number of shares of the Fund which are owned of record and beneficially by the Qualifying Fund Shareholder and the length of time that the shares have been owned by the Qualifying Fund Shareholder; (c) a description of all arrangements and understandings between the Qualifying Fund Shareholder and any other person or persons (naming such person or persons) pursuant to which the recommendation is being made; (d) the name, age, date of birth, business address and residence address of the person or persons being recommended; (e) such other information regarding each person recommended by the Qualifying Fund Shareholder as would be required to be included in a proxy statement filed pursuant to the proxy rules of the U.S. Securities and Exchange Commission (SEC) had the nominee been nominated by the Board; (f) whether the shareholder making the recommendation believes the person recommended would or would not be an interested person of the Fund, as defined in the 1940 Act; and (g) the written consent of each person recommended to serve as a Trustee of the Fund if so nominated and elected/appointed.

The Nominating Committee may amend these procedures from time to time, including the procedures relating to the evaluation of nominees and the process for submitting recommendations to the Nominating Committee.

The Board has adopted and approved a formal written charter for the Nominating Committee. A copy of the charter is attached as Exhibit A to this proxy statement.

Who are the nominees and Trustees?

The Board is divided into three classes. Each class has a term of three years. Each year, the term of office of one class expires. This year, the terms of four Trustees expire: Edith E. Holiday, J. Michael Luttig, Frank A. Olson and Constantine D. Tseretopoulos. These individuals have been nominated for three-year terms, set to expire at the 2017 Annual Meeting of Shareholders. In addition, Charles B. Johnson resigned as Chairman of the Board, Trustee and Vice President of the Fund effective June 13, 2013. In his place, Rupert H. Johnson, Jr. was appointed as Chairman of the Board and Trustee of the Fund effective as of that date to complete the remainder of Mr. Charles B. Johnson's term, which was set to expire at the 2016 Annual Meeting of Shareholders.

Rupert H. Johnson, Jr. has been a Vice President of the Fund since 1996.

These terms continue, however, until their successors are duly elected and qualified. All of the nominees are currently members of the Board; however, Rupert H. Johnson, Jr., is standing for election by shareholders of the Fund for the first time. Among these nominees, Rupert H. Johnson, Jr. is deemed to be an Interested Trustee. The remaining nominees are deemed to be Independent Trustees. In addition, all of the current nominees and Trustees are also directors or trustees of other investment companies within the Franklin Templeton Investments fund complex.

Interested Trustees of the Fund hold director and/or officer positions with, or are principal stockholders of, Franklin Resources, Inc. (Resources) and its affiliates. Resources is a publicly owned holding company, a principal stockholder of which is Rupert H. Johnson, Jr., who beneficially owned approximately 17.0% of its outstanding shares as of August 31, 2013. The shares deemed to be beneficially owned by Rupert H. Johnson, Jr. include certain shares held by a private charitable foundation or by his spouse, of which he disclaims beneficial ownership. Resources, a global investment management organization operating as Franklin Templeton Investments, is primarily engaged, through various subsidiaries, in providing investment management, share distribution, transfer agent and administrative services to a family of investment companies. Resources is a New York Stock Exchange (NYSE) listed holding company (NYSE: BEN). Rupert H. Johnson, Jr., Chairman of the Board, Trustee and Vice President of the Fund, is the uncle of Gregory E. Johnson, a Trustee of the Fund. There are no other family relationships among the Trustees or nominees for Trustee.

Each nominee currently is available and has consented to serve if elected. If any of the nominees should become unavailable, the designated proxy holders will vote in their discretion for another person or persons who may be nominated to serve as Trustees.

In addition to personal qualities, such as integrity, in considering candidates for the Fund Board, the Nominating Committee seeks to find persons of good reputation whose experience and background evidence that such person has the ability to comprehend, discuss and critically analyze materials and issues presented, in exercising judgments and reaching informed conclusions relevant to fulfillment of a Fund Trustee's duties and fiduciary obligations. Information on the business activities of the nominees and other Trustees during the past five years and beyond appears below and it is believed that the specific background of each Trustee evidences such ability and is appropriate to his or her serving on the Fund's Board. As indicated, Harris J. Ashton and Frank A. Olson have both served as chief executive officers of NYSE listed public corporations; Larry D. Thompson and Edith E. Holiday each have legal backgrounds, including high level legal positions with departments of the U.S. Government; David W. Niemiec and Ann Torre Bates each have been chief financial officers of major corporations; J. Michael Luttig has fifteen years of judicial experience as a Federal Appeals Court Judge; Robert E. Wade has over thirty years of experience as a practicing attorney; Constantine D. Tseretopoulos has professional and executive experience as founder and Chief of Staff of a hospital; Frank J. Crothers has served as the chief executive officer of several foreign closely held corporations; and Rupert H. Johnson, Jr. and Gregory E. Johnson are both high ranking executive officers of Resources.

Listed below with the business activities of the nominees and Trustees are their names and years of birth, their positions and length of service with the Fund and the number of portfolios in the Franklin Templeton Investments fund complex that they oversee.

The 1940 Act limits the percentage of interested persons that can comprise a fund’s board of trustees. Rupert H. Johnson, Jr. is considered an interested person of the Fund due to his position as an officer, director and major shareholder of Resources, which is the parent company of the Fund’s investment manager, and his position with the Fund. Gregory E. Johnson is considered an interested person of the Fund due to his position as an officer, director and shareholder of Resources. Rupert H. Johnson, Jr. is the uncle of Gregory E. Johnson. The remaining Trustees of the Fund are Independent Trustees.

How often do the Trustees meet and what are they paid?

The role of the Trustees is to provide general oversight of the Fund's business and to ensure that the Fund is operated for the benefit of all of the Fund's shareholders. The Trustees anticipate meeting at least five times during the current fiscal year to review the operations of the Fund and the Fund's investment performance, and will meet more frequently as necessary. The Trustees also oversee the services furnished to the Fund by Franklin Advisers, Inc., the Fund's investment manager (the Investment Manager), and various other service providers.

The Fund's Independent Trustees constitute the sole independent Board members of 14 investment companies in the Franklin Templeton Investments fund complex for which each Independent Trustee currently is paid a \$155,000 annual retainer fee, together with a \$7,000 per meeting fee for attendance at each regularly scheduled Board meeting, a portion of which fees are allocated to the Fund. To the extent held, compensation also may be paid for attendance at specially called Board meetings. The Fund's Lead Independent Trustee is paid an annual supplemental retainer of \$25,000 for service to such investment companies, a portion of which is allocated to the Fund. Board members who serve on the Audit Committee of the Fund and such other investment companies receive a flat fee of \$3,000 per Audit Committee meeting.

Edgar Filing: TEMPLETON GLOBAL INCOME FUND - Form DEF 14A

attended in person and \$2,000 per Audit Committee telephonic meeting attended, a portion of which is allocated to the Fund. David W. Niemiec, who serves as Chairman of the Audit Committee of the Fund and such other investment companies, receives an additional fee of \$15,000 per year, a portion of which is allocated to the Fund. Members of a committee are not separately compensated for any committee meeting held on the day of a regularly scheduled Board meeting.

9

During the fiscal year ended August 31, 2013, there were five meetings of the Board, three meetings of the Audit Committee, and three meetings of the Nominating Committee. Each Trustee then in office attended at least 75% of the aggregate of the total number of meetings of the Board and the total number of meetings held by all committees of the Board on which the Trustee served. The Fund does not currently have a formal policy regarding Trustees' attendance at the annual shareholders' meeting. No Trustees attended the Fund's last annual meeting held on March 1, 2013.

Independent Trustees are also reimbursed for expenses incurred in connection with Board meetings. The Interested Trustees and certain officers of the Fund who are shareholders of Resources are not compensated by the Fund for their services, but may receive indirect remuneration due to their participation in management fees and other fees received by the Investment Manager and its affiliates from the funds in Franklin Templeton Investments. The Investment Manager or its affiliates pay the salaries and expenses of the officers and the Interested Trustees. No pension or retirement benefits are accrued as part of Fund expenses.

The table below indicates the total fees paid to the Independent Trustees by the Fund individually and by all of the funds in the Franklin Templeton Investments fund complex. These Trustees also serve as directors or trustees of other funds in Franklin Templeton Investments, many of which hold meetings at different dates and times. The Trustees and the Fund's management believe that having the same individuals serving on the boards of many of the funds in Franklin Templeton Investments enhances the ability of each fund to obtain, at a relatively modest cost to each separate fund, the services of high caliber, experienced and knowledgeable Independent Trustees who can bring their experience and talents to, and effectively oversee the management of, several funds.

This number does not include the total number of series or funds within each investment company for which the Board members are responsible. Franklin Templeton Investments currently includes 46 U.S. registered investment companies, with approximately 159 U.S. based funds or series.

(4) Ms. Bates and Mr. Wade also are independent trustees of Franklin Mutual Series Funds and may, in the future, receive payments pursuant to a discontinued retirement plan that generally provides payments to independent board members who have served seven years or longer for such fund.

Board members historically have followed a policy of having substantial investments in one or more of the funds in Franklin Templeton Investments, as is consistent with their individual financial goals. In February 1998, this policy was formalized through adoption of a requirement that each Board member invest one-third of the fees received for serving as a director or trustee of a Templeton fund (excluding committee fees) in shares of one or more Templeton funds (which may include the Fund) until the value of such investments equals or exceeds five times the annual retainer and regular Board meeting fees paid to such Board member. Investments in the name of family members or entities controlled by a Board member constitute fund holdings of such Board member for purposes of this policy, and a three-year phase-in period applies to such investment requirements for newly elected Board members. In implementing such policy, a Board member's fund holdings existing on February 27, 1998, were valued as of such date with subsequent investments valued at cost.
