Provision for Legal Contingencies

A provision of \$5.2 million for legal contingencies was made following the delivery of a January 21, 2003 judgment by the High Court of Justice of the British Virgin Islands in relation to the liquidation of Tele-Art Inc. Previously, on August 9, 2002, the High Court of Justice awarded a judgment in Nam Tai's favor against Tele-Art Inc. for approximately \$34 million. Pursuant to the January 21, 2003 judgment, the High Court of Justice declared that redemption and set off of dividends by Nam Tai of 138,500 shares owned by Tele-Art Inc be set aside and that all Tele-Art Inc. property withheld by Nam Tai be handed over to Tele-Art Inc. in liquidation, noting that the Nam Tai claim was subordinate to that of a secured creditor. On February 4, 2003 Nam Tai filed an application for a stay of execution and leave to appeal the decision. Nam Tai believes the decision was reached in error and intends to vigorously pursue its rights so as to recover the maximum amount of the outstanding debt from Tele-Art Inc.
