PROXY STATEMENT

For the Annual Meeting of Stockholders
To Be Held on Tuesday, May 18, 2004

Solicitation of Proxy

This Proxy Statement is furnished to stockholders of IntegraMed America, Inc. (the "Company") in connection with the solicitation by the Company's Board of Directors of proxies for use at the Annual Meeting of Stockholders of the Company to be held in Purchase, New York, on Tuesday, May 18, 2004 at 10:00 a.m., and any adjournments of the meeting ("Annual Meeting").

Edgar Filing: INTEGRAMED AMERICA INC - Form DEF 14A

Mailing Date

The Annual Report of the Company for 2003, including financial statements, the NOTICE OF ANNUAL MEETING OF STOCKHOLDERS, this Proxy Statement, and the proxy card are being mailed to stockholders on or about April 16, 2004.

Who can vote -- Record Date

The record date for determining stockholders entitled to notice of and to vote at the Annual Meeting is March 26, 2004. Each of the 3,488,162 shares of Common Stock, par value \$.01 per share (the "Common Stock"), of the Company issued and outstanding on the record date is entitled to one vote at the meeting.

How to vote -- Proxy Instructions

You can vote your shares by mailing in your proxy card. Stockholders who hold their shares in "street name" must vote their shares in the manner prescribed by their brokers.

In voting, on the Directors, you may specify whether your shares should be voted for all, some, or none of the nominees for director (Proposal 1 on the proxy card).

If you do not specify on your proxy card how you want to vote your shares, we will vote them "FOR" the election of all nominees for director as set forth under "Election of Directors" (Proposal 1).

In voting on the amendment to the Company's Certificate of Incorporation (the "Certificate") reducing the Company's authorized shares from 50,000,000 to 15,000,000, you may specify whether your shares should be voted for or against the amendment or you may abstain (Proposal 2 on the proxy card).

If you do not specify on your proxy card how you want to vote your shares, we will vote them "FOR" the amendment to the Certificate (Proposal 2).

Revocation of Proxies

You may revoke your Proxy at any time before it is exercised in any of three ways:

- (1) by submitting written notice of revocation to the Company's Secretary, which must be received prior to the Annual Meeting;
- (2) by submitting a new Proxy by mail that is dated later in time and properly signed; or
- (3) by voting in person at the meeting.

Quorum

A quorum of stockholders is necessary to hold a valid meeting. A quorum will exist if the holders of a majority of the votes entitled to be cast by the stockholders at the Annual Meeting are present, in person or by proxy. Broker "non-votes" and abstentions are counted as present at the Annual Meeting for

Edgar Filing: INTEGRAMED AMERICA INC - Form DEF 14A

purposes of determining whether a quorum exists. However, with respect to proposals, which require the affirmative vote of a percentage of shares present at the Annual Meeting and entitled to vote on such proposal for approval, such broker "non-votes" will be treated as not present for purposes of determining the outcome of any such matter. With respect to proposals, which require the affirmative vote of a percentage of the outstanding shares for approval, since such broker "non-votes" are not cast "FOR" a particular matter, they will have the same effect as negative votes or votes cast "AGAINST" such proposals. A broker "non-vote" occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power for that particular item and has not received instructions from the beneficial owner.

Required Vote

Election of Directors: Persons receiving a plurality of the voted shares present in person or represented by proxy at the Annual Meeting will be elected directors, meaning the individuals receiving the greatest number of votes will be elected to serve as directors. Shares not voted (whether abstention, broker "non-votes" or otherwise) have no effect on the election. If any nominee is unable or declines to serve, proxies will be voted for the balance of those named and such person as shall be designated by the Board to replace any such nominee. However, the Board does not anticipate that this will occur.

Approval of the amendment to the Certificate: The affirmative vote of a majority of the shares of Common Stock outstanding and entitled to vote is necessary to approve and ratify the amendment to the Certificate. Since broker "non-votes" and abstentions are not cast "FOR" such amendment, they will have the same effect as negative votes or votes cast "AGAINST" such proposal.

Other Business

The Company does not intend to bring any business before the meeting other than that set forth in the Notice of Annual Meeting and described in this Proxy Statement. However, if any other business should properly come before the meeting, the persons named in the enclosed proxy card intend to vote in accordance with their best judgment on such business and any matters dealing with the conduct of the meeting pursuant to the discretionary authority granted by your proxy.

PROPOSAL 1

ELECTION OF DIRECTORS FOR A TERM OF ONE YEAR

Dr. Aaron S. Lifchez and Dr. Michael J. Levy will not be standing for re-election to the Board of Directors at the Annual Meeting. Pursuant to the Board of Director's authority under the Company's By-Laws, the Board amended the Company's By-laws in February 2004 to decrease the number of directors on the Board of Directors from seven to five. Therefore, at the Annual Meeting, five directors will be elected by the stockholders to serve until the next annual meeting of stockholders or until their successors are elected and shall qualify. Each of the nominees is currently a director of the Company. The Board of Directors recommends that the persons named below be elected as directors of the Company and it is intended that your proxy will be voted for the election as directors of the five persons named below, unless your proxy contains contrary instructions. The Company has no reason to believe that any of the nominees will not be a candidate or will be unable to serve. However, in the event that any nominee should become unable or unwilling to serve as a director, your proxy will be voted for the election of such person or persons as shall be designated by the Board of Directors.

The following sets forth the names and ages of the five nominees for election to the Board of Directors, their respective principal occupations or employments during the past five years and the period during which each has served as a director of the Company.

GERARDO CANET (58) became President, Chief Executive Officer and a director of the Company effective February 14, 1994 and served as the Chairman of the Board from April 19, 1994 to March 7, 2000. For approximately five years prior to joining the Company, Mr. Canet held various executive management positions with Curative Health Services, Inc., the last of which was as Executive Vice President and President of its Wound Care Business Unit. Mr. Canet has been a director of Dendreon Corporation since December 1996. Mr. Canet earned a B.A. in Economics from Tufts University and an M.B.A. from Suffolk University.

SARASON D. LIEBLER (67) became a director of the Company in August 1994. Mr. Liebler is President of SDL Consultants, a privately-owned consulting firm engaged in rendering general business advice. During the past 20 years, Mr. Liebler was a director and/or officer of a number of companies in the fields of home health care, clinical diagnostics, high density optical storage and sporting goods. Mr. Liebler is a graduate of the United States Naval Academy with a B.S. in Engineering.

WAYNE R. MOON (64) became a director of the Company in May 2001. Mr.

Edgar Filing: INTEGRAMED AMERICA INC - Form DEF 14A

Moon joined Kaiser Foundation Health Plan, Inc. in 1970 and was subsequently elected President, Chief Operating Officer and Director. In September 1993, Mr. Moon was appointed President and Chief Executive Officer of Blue Shield of California and a member of its Board of Directors and, later, Chairman. Mr. Moon retired from Blue Shield in January 2000. He currently serves as Executive Chairman of the Board of RelayHealth, Inc. He serves on various corporate, professional and civic boards, including Varian, Inc. and the California State Automobile Association. Mr. Moon earned a B.B.A. and a Masters in Hospital Administration from the University of Michigan.

LAWRENCE J. STUESSER (62) became a director of the Company in April 1994. Since June 1999, Mr. Stuesser has been a private investor. From June 1996 to May, 1999, Mr. Stuesser was the President and Chief Executive Officer and a director of Computer People Inc., the U.S. subsidiary of London-based Delphi Group plc., of which he was also a director. Mr. Stuesser was a director of Curative Health Services, Inc. from July 1993 to May 2000 and has been a director of American Retirement Corporation since May 1997. He is also a director of several private companies. Early in his career, Mr. Stuesser qualified as a certified public accountant and served as an audit manager with Alexander Grant & Company, an accounting firm. Mr. Stuesser holds a B.B.A. in accounting from St. Mary's University.

4

ELIZABETH E. TALLETT (55) became a director of the Company in June 1998. Since July 2002, Ms. Tallett has been a Principal of Hunter Partners, LLC, which provides management services to developing life sciences companies. From November 2000 until January 2003, Ms. Tallett was Chief Executive Officer of Marshall Pharmaceuticals, Inc., a specialty pharmaceutical company. Ms. Tallett held the position of President and Chief Executive Officer of Dioscor, Inc., a biopharmaceutical company, from 1996 until July 2003. Ms. Tallett was President and Chief Executive Officer of Ellard Pharmaceuticals, Inc. and Galenor, Inc., both biopharmaceutical companies, from 1997 to 2000 and 1999 to 2000, respectively. Ms. Tallett is a director of The Principal Financial Group, Inc., Varian Semiconductor Associates, Inc., Varian, Inc., Coventry Health Care, Inc. and Immunicon, Inc. She is a founding board member of the Biotechnology Council of New Jersey. Ms. Tallett graduated from Nottingham University with a degree in mathematics and economics.

The Board of Directors recommends a vote "FOR" each nominee listed above, and your proxy will be voted in accordance with the choice specified thereon, or, if no choice is properly indicated, in favor of the nominees listed above.

The Board of Directors has determined that Messrs. Moon and Stuesser and Ms. Tallet are independent directors in accordance with Rule 4200(a)(15) of the National Association Securities Dealers ("NASD") listing standards because none of them is believed to have any relationships that, in the opinion of the Board of Directors, would interfere with the exercise of independent judgment in carrying out their responsibilities as a director. Mr. Canet is precluded from being deemed independent under the NASD listing standards because he currently serves as an executive officer of the Company and Mr. Liebler is precluded from being deemed independent under the NASD listing standards because he received compensation other than director fees from the Company in excess of \$60,000 during the previous three (3) years.

Directors are elected by the Company's stockholders at each annual meeting or, in the case of a vacancy, are appointed by the directors then in office, to serve until the next annual meeting of stockholders or until their

Edgar Filing: INTEGRAMED AMERICA INC - Form DEF 14A

successors are elected and qualified. Officers are appointed by and serve at the discretion of the Board of Directors.

During 2003, the Board of Directors held 5 meetings, and took action by written consent twice during 2003. Each director attended at least 75% of the aggregate of all meetings of (i) the Board of Directors and (ii) the committees thereof on which each director served during 2003.

Stockholders may communicate directly with the directors. All communications should be sent in care of the Secretary of the Company at the Company's address and should prominently indicate on the outside of the envelope that it is intended for the Board of Directors, for non-employee directors or a particular committee of the directors. If no director is specified, the communication will be forwarded to the entire Board.

The Company does not have a policy requiring the directors to attend stockholders meetings; however, all of our directors attended the 2003 annual meeting. It is expected that all of our directors will attend the 2004 Annual Meeting.

COMMITTEES OF THE BOARD

The Board of Directors maintains three standing Committees: Audit Committee, Compensation Committee, and Nominating and Governance Committee whose members are set forth below. Prior to February 2004, the Company maintained an Executive Committee consisting of Messrs. Canet, as Chairman, and Liebler and Drs. Levy and Lifchez. The Executive Committee held one meeting in 2003.

AUDIT COMMITTEE

The Audit Committee is charged by the Board of Directors to (i) study, review and evaluate the Company's accounting, auditing and financial reporting practices, including the internal controls and audit functions, (ii) assess the Company's compliance with legal and regulatory requirements, and (iii) select the independent auditors and review their qualifications, independence and performance, while being the focal point for communications between the Board of Directors, management and the independent auditors. More specifically, the Audit Committee pre-approves all audit and non-audit services to be performed by the independent auditors, reviews the scope and results of the audit of the Company's financial statements, reviews financial statements and periodic filings with the Commission, and discusses the same with management.

Each Audit Committee member meets the independence standards of The Nasdaq Stock Market, Inc. The Board of Directors has determined that in addition to being independent, Mr. Stuesser is an "audit committee financial expert" as such term is defined in Item 401 of Regulation S-K of the Exchange Act. Edgar Filing: INTEGRAMED AMERICA INC - Form DEF 14A

meetings in 2003.

COMPENSATION COMMITTEE

The Compensation Committee, under a delegation of authority from the Board of Directors, reviews and makes decisions with respect to salaries, wages, bonuses, equity awards and other benefits and incentives for executive officers of the Company. The Compensation Committee also administers all compensation programs for executive management of the Company. The Compensation Committee held four meetings in 2003.

Compensation Committee Interlocks and Insider Participation

For 2003 the members of the Compensation Committee were Messrs. Stuesser (Chairman) and Moon, and Ms. Tallett. None of these individuals has ever been an officer or employee of the Company or any of its subsidiaries. For 2003, no executive officer of the Company served on the Compensation Committee or Board of Directors of any other entity, which had any executive officer who also served on the Compensation Committee or Board of Directors of the Company.

NOMINATING AND GOVERNANCE COMMITTEE

The Board of Directors established a Nominating and Governance Committee in December 2003 consisting of independent directors as defined by NASDAQ rules. The primary purpose of the Committee is to provide oversight on the broad range of issues surrounding the composition and operation of the Board of Directors, including identifying individuals qualified to become Board members, recommending to the Board director nominees for the next annual meeting of stockholders, and recommending to the Board a set of corporate governance principles applicable to the Company. The Committee also provides assistance to the Board and the Board Chairman in the areas of Committee selection and rotation practices, evaluation of the overall effectiveness of the Board and management, and review and consideration of developments in corporate governance practices. The Committee's goal is to assure that the composition, practices, and operation of the Board contribute to value creation and effective representation of the Company stockholders.

The Nominating and Governance Committee will consider candidates for board membership whose qualifications, including business experience and skills, lend themselves to advancing the Company's best interests. There are no minimum qualifications that the Committee looks for. Stockholders may recommend candidates for consideration by the Nominating and Governance Committee by writing to the Chairperson of the Nominating Committee, c/o IntegraMed America, Inc. 2 Manhattanville Road, Purchase, New York 10577. Such recommendations for the 2005 annual meeting of stockholders must be received by the Company between January 18, 2005 and February 18, 2005. The Nominating and Governance Committee's process for identifying and evaluating nominees for director, including nominees recommended by stockholders, includes background and reference checks, together with personal interviews.

Each Nominating and Governance Committee member meets the independence standards of the Nasdaq Stock Market, Inc.

The Nominating and Governance Committee has a charter, a copy of which is available to stockholders at the Company's website <http://www.integrated.com> under the Investors' Relation Section thereof.

EMPLOYMENT CONTRACTS AND TERMINATION OF EMPLOYMENT AND CHANGE-IN-CONTROL ARRANGEMENTS

On February 14, 1994, Gerardo Canet entered into an employment agreement with the Company to serve as its President and Chief Executive Officer and was appointed as a director. Pursuant to the employment agreement, Mr. Canet receives an annual salary of \$215,000, subject to increases. Under Mr. Canet's employment agreement, the Company may terminate his employment without cause on thirty days' notice, in which event Mr. Canet will receive, as severance pay, twelve months' salary payable monthly. In the event Mr. Canet's employment is terminated by reason of his permanent disability or death, Mr. Canet (or his legal representative) will receive six months' base salary (reduced by any payments following termination received under any long-term disability policy maintained by the Company for Mr. Canet's benefit).

The employment agreement further provides that in the event that (i) within one year after a "Change of Control" (as defined therein) of the Company, Mr. Canet's employment terminates or there occurs a material reduction in his duties (other than by reason of his disability) or a material interference by the Company's Board of Directors with the exercise of his authority, or (ii) the Company is acquired for cash in excess of \$10.00 per share of Common Stock, the stock options granted to Mr. Canet under the employment agreement would accelerate and become exercisable as of the date of such termination, material reduction, material interference, or cash acquisition, or, with respect to the incentive stock options, the earliest date thereafter consistent with certain restrictions set forth in the agreement.

Under the employment agreement, Mr. Canet has agreed not to compete with the Company while employed by the Company and for a period of one year thereafter.

The Company is also a party to a Change in Control Severance Agreement with Mr. Canet entered into in August 1994.

The Company is also party to Executive Retention Agreements with each

Edgar Filing: INTEGRAMED AMERICA INC - Form DEF 14A

of Messrs. Higham and Wood (Sr. Vice Presidents) entered into in March 1995, and with Messrs. Cucchiara, (Vice President, Information Systems), Hlywak (Sr. Vice President) and White (Vice President, General Counsel and Secretary), entered into in July and August, 1999.

The Change in Control Severance Agreements and the Executive Retention Agreements (together referred to herein as the "Agreements") provide for certain severance payments and benefits to the named executives in the event of a termination of their employment, either by the Company without cause, or by the executive for "Good Reason" (as defined below), at any time within eighteen (18) months following a "Change in Control" (as defined below) of the Company (any such termination, a "Qualifying Termination"). More specifically, the Agreements provide the named executives with one additional year of salary, bonus (if applicable), and benefits (or equivalent), more than he or she would previously have been entitled to receive upon a termination without cause (or, additionally, in the case of Mr. Canet, certain terminations by Mr. Canet for Good Reason which would be deemed equivalent to a termination without cause under his current employment agreement). Accordingly, pursuant to the Agreements, in the event of a Qualifying Termination, Mr. Canet's severance has been increased to two years (from the one year severance provision which was contained in his employment agreement with the Company) and the named executives will be paid one year's severance. Pursuant to the terms of the Agreements, all incentive options granted to the respective executive would become fully vested upon a Qualifying Termination, subject to certain terms and conditions. Also, pursuant to the Agreements, the Company would be required to pay each respective executive for all reasonable fees and expenses incurred by the respective executive in litigating his or her rights, thereunder, to the extent the executive is successful in any such litigation.

"Change in Control" under the Agreements means either: (i) any one or more changes in the aggregate composition of the Company's Board of Directors as a result of which Mr. Canet and the other individuals constituting the Board of

11

Directors as of July 26, 1994 (the "Incumbent Board"), cease to constitute a majority of the Board of Directors, provided, however, that any individual elected to the Board by, or nominated for election by, a majority of the then-current Incumbent Board (except if such person assumes office by reason of an actual or threatened election contest) is deemed to be a member of the then-current Incumbent Board; or (ii) the closing of the cash acquisition in the event the Company is acquired for cash in excess of \$10.00 per share of Common Stock, except in either case (i) or (ii) if the executive is or was a member of the Board and approved such event in writing or by vote at a meeting of the Board.

"Good Reason" under the Agreements consists of any of the following grounds based on which the named executive terminates his or her own employment within eighteen (18) months following a Change in Control of the Company: (i) a material reduction in the Executive's duties, title(s) or offices, or a material interference with his or her authority or status by the Board of Directors; (ii) a relocation of the Company's principal executive offices to a location at least fifty (50) miles from the Company's current offices in Purchase, New York; (iii) in the case of Mr. Canet, a material breach of or default by the Company under his employment agreement; (iv) in the case of any of the Vice Presidents, in the event Mr. Canet's employment as President and Chief Executive Officer of the Company is terminated (other than due to the death or permanent disability of Mr. Canet) within the eighteen (18) month period following a Change in Control by either the Company (other than for cause) or Mr. Canet for Good Reason; (v) if the executive's total salary and cash bonus opportunities for a fiscal year

Edgar Filing: INTEGRAMED AMERICA INC - Form DEF 14A

(which includes any portion of the eighteen-month period following a Change in Control) are less than 90% of the total salary and cash bonus compensation opportunities made available to the executive in the then most recently completed fiscal year; (vi) the failure of the Company to continue in effect any material benefits or perquisites or insurance plans in which the executive was participating unless substituted for with substantially similar benefits, or in the event the Company takes actions which would adversely affect the executive's participation in, or materially reduce the executive's benefits under, such plans, or deprive the executive of a material fringe benefit; (vii) the Company (either in one transaction or a series of related transactions) sells or otherwise disposes of, not in the ordinary course of business, assets or earning power aggregating more than 30% of the assets or earning power of the Company (or the Company and its subsidiaries), unless the executive is or was a member of the Board and approved any of the foregoing either in writing or by vote at a meeting of the Board; (viii) a material breach of or default by the Company under the Agreements which is not cured by the Company within thirty (30) days after its receipt or prior written notice thereof from the executive; or (ix) a purported termination for cause by the Company of the executive's employment within the eighteen (18) month period following a Change in Control which is not effected in compliance with certain procedural requirements (such as notice and an opportunity for the executive to be heard, together with his counsel, before the Board).

In the event either of Messrs. Cucchiara, Higham, Hlywak, White or Wood is terminated without cause under circumstances outside a "Change in Control," each person would be paid ninety (90) days salary continuation.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended ("Exchange Act"), requires the Company's executive officers, directors and persons who beneficially own more than 10% of a registered class of the Company's equity securities to file with the Commission initial reports of ownership and reports of changes in ownership of Common Stock and other equity securities of the Company. Such executive officers, directors, and greater than 10% beneficial owners are required by Commission regulation to furnish the Company with copies of all Section 16(a) forms filed by such reporting persons.

To the Company's knowledge, based solely on the Company's review of copies of such reports furnished to the Company and written representations from certain reporting persons that no other reports were required, all of the Company's executive officers and directors, and greater than 10% beneficial owners complied with applicable Section 16(a) filing requirements during the year ended December 31, 2003.

COMMITTEE REPORT ON EXECUTIVE COMPENSATION 1

The goal of the Company's executive compensation policy is to ensure that an appropriate relationship exists between executive compensation and the creation of stockholder value, while at the same time attracting, motivating and retaining senior management. The Compensation Committee's informal executive compensation philosophy (which applies generally to all Company management, including the President and Chief Executive Officer, Gerardo Canet) considers a number of factors, which may include:

- o rewarding eligible employees who have achieved specific business and

Edgar Filing: INTEGRAMED AMERICA INC - Form DEF 14A

financial success during the fiscal year;

- o giving eligible employees the incentive to strive for higher productivity, efficiency and quality of service; and
- o encouraging the "best" people to join and stay with the Company.

Compensation structures for senior management generally include a combination of salary, bonuses stock options and restricted stock grants. Specific executive officer base salary is determined based on a range of measures and by comparison to the compensation of executive officers of comparable companies. For the fiscal year ended December 31, 2003, the bonuses of senior management were derived in accordance with a predetermined percentage of base salary. The actual bonuses were based on two components. The first component was based on the Company's performance during the fiscal year ended December 31, 2003 versus the 2003 budget. The second component was based on the achievement of specific individual milestones. The Compensation Committee also endorses the position that equity ownership by senior management is beneficial in aligning their interest with those of stockholders, especially in the enhancement of stockholder value. The Compensation Committee considers the Company's performance under these measures and uses its subjective judgment and discretion in approving individual compensation, including restrictive stock grants. Mr. Canet's base salary is established pursuant to an employment agreement, although his bonus is determined in the same fashion as other executive officers.

PROPOSAL 2

APPROVAL AND RATIFICATION OF THE AMENDMENT TO THE AMENDED AND RESTATED CERTIFICATE OF INCORPORATION

The Board of Directors of the Company has adopted and recommends to the stockholders approval of a proposed amendment to the Company's Amended and Restated Certificate of Incorporation ("Certificate") to decrease the authorized number of shares of Common Stock from 50,000,000 to 15,000,000. As of March 26, 2004 there were 3, 488,162 shares of the Company's Common Stock outstanding, The proposed decrease in the authorized number of shares of Common Stock has been recommended by the Board of Directors to reduce the costs incurred by the Company annually in connection with franchise taxes paid by the Company in various jurisdictions, including Delaware, the Company's state of incorporation.

If the amendment to the Certificate is approved, the Company would realize annual savings in excess of \$75,000 in franchise tax payments in the various jurisdictions where the Company is required to pay franchise taxes based on the Company's authorized shares.

Edgar Filing: INTEGRAMED AMERICA INC - Form DEF 14A

It is expected that the proposed amendment, if approved by the stockholders, will be made effective on or about May 19, 2004 by the filing and recording of an appropriate Certificate of Amendment as required under Delaware law. In addition, if the proposal is approved and the amendment becomes effective, the first sentence of Article IV of the Company's Certificate of Incorporation, which sets forth the Company's presently authorized capital stock, will be amended to read in its entirety as follows:

"The authorized capital stock of the Corporation shall consist of twenty million (20,000,000) shares, consisting of fifteen million (15,000,000) shares of Common Stock, each having a par value of \$.01 (the "Common Stock"), and five million (5,000,000) shares of Preferred Stock, each having a par value \$1.00 per share."

The Board of Directors recommends a vote FOR the proposed amendment, and the persons named in the accompanying proxy will vote in accordance with the choice specified thereon or, if no choice is properly indicated, FOR the amendment.

16

Receipt by the Company of any such proposal from a qualified stockholder in a timely manner will not guarantee its inclusion in the Company's proxy materials or its presentation at the 2005 Annual Meeting because there are other requirements in the proxy rules.

Pursuant to Rule 14a-4 under the Exchange Act, as amended, the Company intends to retain discretionary authority to vote proxies with respect to shareholder proposals for which the proponent does not seek inclusion of the proposed matter in the Company's proxy statement for our 2005 Annual Meeting, except in circumstances where (i) the Company receives notice of the proposed matter no earlier than January 18, 2005 and no later than February 18, 2005, and (ii) the proponent complies with the other requirements set forth in Rule 14a-4.
