ITEM 8.01 OTHER EVENTS

On January 18, 2013, AZZ incorporated (the “Company”) issued a press release titled “AZZ incorporated Board Declares Quarterly Cash Dividend and Issues Revenue and Earnings Guidance for Fiscal Year 2014.” This press release contained a typographical error relating to the percentage of revenue anticipated to be derived from each of the Company's operating segments. On January 18, 2013, the Company issued a corrected press release, in which the seventh sentence of the third paragraph of the original press release is corrected to state that “It is anticipated that 57 percent of our revenues will be derived from the Galvanizing Services Segment and 43 percent from the Electrical and Industrial Products Segment.” Other than correcting this typographical error, all other information included in the corrected press release filed as Exhibit 99.1 to this Current Report on Form 8-K is unchanged from the information included in the original press release.

Attached is Exhibit 99.2, Unaudited Financial and Other Statistical Information, and Guidance for Fiscal Year 2013 and Fiscal Year 2014. The guidance for the fiscal years to end February 28, 2013 and February 28, 2014, consists of either a projected range or management's estimate of most likely results. These projections involve risk and uncertainties, the outcome of which cannot be foreseen at this time and, therefore, actual results will vary from these forecasts. We undertake no obligation to affirm, publicly or revise any forward-looking statements, whether as a result of information, future events or otherwise.
