TDN:
Where Your Passion Lives

Mexico City, July 21, 2009 - Grupo Televisa, S.A.B. (“Televisa”; NYSE:TV; BMV:TLEVISA CPO) today announced that Televisa Networks and Televisa Deportes will offer a new option in pay-TV initially in Mexico, Latin America and the Caribbean: Televisa Deportes Network (TDN).

A new pay-TV channel, TDN will offer 24-hour-a-day programming 365 days a year. TDN will feature more than 8 hours a day of proprietary content, including exceptional editorial content, story coverage, commentary, and transmission of national and international soccer tournaments, American football, basketball, baseball, golf, wrestling, boxing, and extreme sports. The content will be available in Standard Definition and includes the exclusive transmission and retransmission of certain matches of the Mexican first division soccer tournament, as well as additional matches broadcast simultaneously; the Spanish soccer cup, including exclusive transmission of two matches per week; Noticiero Televisa Deportes; the 2010 Soccer World Cup; the UFC (Ultimate Fighting Championship); and much more.

This pay-TV channel resulted from the experience and leadership of Televisa Deportes and a licensing agreement that Televisa has entered into with Barra Deportiva, the new independent producer formed from the association of Televisa and Deportes y Medios Panamericana, a company owned by Juan Carlos Rodríguez, one of the creators of Estadio TV.

The channel will launch with an experienced team of commentators, including those from Televisa Deportes and Estadio TV, who are well-known for their passion, commitment, familiarity with our audiences, and experience.

Emilio Azcárraga Jean, President of Grupo Televisa, said: “To maintain our position at the forefront of our industry, Televisa expands its 360-degree multimedia platform by adding a specialized sports channel for the pay-TV audience. This channel complements our existing offer of free-to-air television, internet, and radio. I am confident that TDN will position itself quickly as a leader in the market.”

The channel will be available in Mexico July 23 and in Central America and the Caribbean August 1, 2009.
