The Reporting Persons initially acquired the Common Stock to which this Schedule 13D relates for investment purposes in the ordinary course of business. The Reporting Persons acquired the Common Stock because they believed that the Common Stock reported herein, when purchased, represented an attractive investment opportunity.

The Reporting Persons (other than SOA) and SpringOwl Asset Management LLC, a Delaware limited liability company and the sole member of SOA ("SOAM"), initially formed a group (the "Group") on November 6, 2014 and on November 13, 2014 entered into a Group Agreement (the "Group Agreement"), regarding certain conduct of the Group. The Group Agreement includes, but is not limited to, an agreement by the parties to (i) consult with each other with respect to all purchases and sales of Common Stock, (ii) to the extent the Group determines to do so, jointly deliver an advance notice of the Group's intention to nominate individuals for election as directors at the Issuer's 2015 annual meeting of stockholders in accordance with the Issuer's bylaws, and take any actions in furtherance thereof, and (iii) require the approval of each member of the Group of any filing with the Securities and Exchange Commission (the "SEC"), press release, white paper, stockholder communication or other public communication. Any party to the Group Agreement may terminate its obligations thereunder immediately upon written notice to all other parties. The description of the Group Agreement in this Schedule 13D is qualified in its entirety by reference to the full text of the Group Agreement, which is attached hereto as Exhibit 1 and is incorporated by reference herein.

In addition, the Reporting Persons and their representatives may have, from time to time, engaged in, and expect to continue to engage in, discussions with members of management and the board of directors of the Issuer (the "Board"), other current or prospective shareholders, industry analysts, existing or potential strategic partners or competitors, investment and financing professionals, sources of credit and other third parties regarding a variety of matters relating to the Issuer, which may include, among other things, the Issuer's business, management, capital structure and allocation, corporate governance, Board composition and strategic alternatives and direction, and may take other steps seeking to bring about changes to increase shareholder value as well as pursue other plans or proposals that relate to or could result in any of the matters set forth in clauses (a)-(j) of Item 4 of Schedule 13D.

On October 10, 2014, representatives of SOA met with James DeCosmo, President and Chief Executive Officer of the Issuer ("Mr. DeCosmo"), Chris Nines, Chief Financial Officer of the Issuer, and Anna Torma, Senior Vice President, Corporate Affairs, to give a presentation expressing SOA's concerns related to the Issuer's performance and recommending that the Issuer immediately pursue the following actions to maximize shareholder value: (i) review strategic alternatives available to the Issuer with respect to its oil and gas business; (ii) evaluate and refine the Issuer's capital allocation strategy; and (iii) initiate certain changes to the Issuer's governance structure and Board composition. Additionally, SOA requested the opportunity to present its analysis to the Board at the Board's next regularly scheduled meeting.

On October 15, 2014, representatives of SOA held a conference call with Kenneth Jastrow, II, Chairman of the Board ("Mr. Jastrow"), during which they reiterated SOA's concerns and recommendations presented at

the October 10, 2014 meeting. Later that day, SOA sent a follow-up letter to Mr. Jastrow and Mr. DeCosmo reiterating the concerns and recommendations expressed in prior communications

Since February 2014, representatives of CSC have held meetings and conference calls with, and have corresponded with, the Issuer's management and the Board regarding similar concerns and recommendations for the Issuer.

The Reporting Persons intend to review their investment in the Issuer on a continuing basis. Depending on various factors, including, without limitation, the outcome of any discussions referenced above, the Issuer's financial position, results and strategic direction, actions taken by the Issuer's management and the Board, price levels of the Common Stock, other investment opportunities available to the Reporting Persons, conditions in the securities market and general economic and industry conditions, the Reporting Persons may in the future take such actions with respect to their investment in the Issuer as they deem appropriate, including, without limitation, exchanging information with the Issuer pursuant to appropriate confidentiality or similar agreements; proposing changes in the Issuer's operations, governance or capitalization; acquiring additional Common Stock and/or other equity, debt, notes, instruments or other securities of the Issuer (collectively, "Securities") or disposing of some or all of the Securities beneficially owned by them, in public market or privately negotiated transactions; entering into financial instruments or other agreements that increase or decrease the Reporting Persons' economic exposure with respect to their investment in the Issuer and/or otherwise changing their intention with respect to any and all matters referred to in Item 4 of Schedule 13D.
