TELMEX intends to delist from the NYSE, NASDAQ and Latibex and terminate its ADR programs

(Mexico City, Mexico, December 19, 2011)—Teléfonos de México, S.A.B. de C.V. (“TELMEX” or the “Company”) (BMV: TELMEX; NYSE: TMX; NASDAQ: TFONY; LATIBEX: XTMXL) intends to delist its American Depositary Shares (“ADSs”) from the New York Stock Exchange (“NYSE”) and the NASDAQ Capital Market (“NASDAQ”) and its L Shares from the Mercado de Valores Latinoamericanos en Euros in Madrid, Spain (“Latibex”) and to terminate its American Depositary Receipt (“ADR”) programs. TELMEX’s shareholders approved the decision at its general extraordinary shareholders’ meeting held today.

TELMEX will provide written notice to the NYSE and NASDAQ of its intent to delist. The main purpose of delisting is to obtain efficiencies in its financial reporting and administrative costs following the completion of the recent tender offer for TELMEX shares by América Móvil, S.A.B. de C.V. (“América Móvil”). TELMEX plans to file the related Form 25 with the SEC shortly thereafter and expects the delisting to become effective ten days after such filing, after which TELMEX’s ADSs will no longer be traded on the NYSE or NASDAQ. After the delisting, TELMEX shares will continue to be traded on the Bolsa Mexicana de Valores (the “Mexican Stock Exchange”). TELMEX and América Móvil have not yet determined whether or when they will seek to delist the shares from the Mexican Stock Exchange.

TELMEX will provide written notice to JPMorgan Chase Bank, N.A. (“JPMorgan”) of the termination of its ADR programs. Consequently and in accordance with the deposit agreements, JPMorgan will provide 30 days’ notice of termination to all holders of ADRs. Holders are entitled to surrender their ADSs to JPMorgan, as depositary, for cancellation and receive the underlying TELMEX shares. After the 30-day period following the termination of the ADR programs, the depositary may sell the underlying shares and hold the cash proceeds uninvested for delivery to an ADR holder against surrender of the ADR.

TELMEX will continue to be registered under the U.S. Securities Exchange Act of 1934 (the “Exchange Act”) for the time being, and the Company will continue to comply with its obligations under the Exchange Act. Once the delisting has become effective and the Company meets the criteria for terminating its reporting obligations under the Exchange Act, it intends to file Form 15F with the Securities and Exchange Commission (“SEC”) in order to deregister all classes of its registered securities. Immediately upon filing Form 15F TELMEX’s legal obligation to file reports under the Exchange Act will be suspended, and deregistration is expected to become effective 90 days later.

TELMEX reserves the right, for any reason, to delay these filings or to withdraw them prior to their effectiveness, and to otherwise change its plans in this regard.

About TELMEX

TELMEX and its subsidiaries provide telecommunications services in Mexico. The company’s service coverage comprises the operation of the nation’s most complete local and long distance networks. Additionally, TELMEX offers services like connectivity, Internet access, co-location, web hosting and interconnection services to other telecommunications operators. More information about TELMEX can be accessed on the Internet at www.telmex.com.
