Item 3. Source and Amount of Funds or Other Consideration.

Impact is the holder of the Warrant which was originally issued on April 26, 2003. The Warrant was amended effective May 26, 2004 in connection with a transaction by which Impact sold its seventy-two percent (72%) limited partnership interest in Reef Ventures, L.P. to the Issuer pursuant to a Purchase and Sale Agreement effective as of May 25, 2004 (the "Purchase and Sale Agreement"). The final conditions to closing of the Purchase and Sale Agreement were satisfied on June 18, 2004.

Under the amended terms of the Warrant, the number of shares that remain issuable under the Warrant is 8,000,000 shares of Common Stock of the Issuer ("Shares"), and the exercise price is \$0.335 per Share. Pursuant to the terms of

Edgar Filing: TIDELANDS OIL & GAS CORP - Form SC 13D/A

the Warrant as amended, the Issuer agreed to use its best efforts to file a registration statement (the "Registration Statement") with the Securities and Exchange Commission under the Registration Rights Agreement between the Issuer and Impact dated April 16, 2003, as amended relating to the Shares acquired by Impact under the Warrant as amended. The Issuer has agreed to utilize Form S-3 for such registration if eligible, and if not, then the Issuer will file the Registration Statement on a Form SB-2 or other appropriate form. The Issuer also agreed to use its best efforts to cause the registration to become effective within ninety (90) days following the date of the amendment if filed on a Form S-3 or within one hundred eighty (180) days if filed on a Form SB-2 or other registration form. The Issuer agreed to keep the registration effective as long as necessary to effect the disposition of the Shares issued under the Warrant.

Under certain provisions of the Warrant as amended, if the Issuer does not meet the registration requirements on a timely basis, the Issuer would issue the Shares under the Warrant on a cashless basis. In such event, adjustment would be made such that the total number of shares to be issued on a net basis would be 9,500,000. If the Issuer satisfies the registration requirements, Impact would be obligated to exercise the Warrant on a cash basis only. If the Warrant is exercised on a cash basis, the purchase price would be payable by means of a promissory note payable by Impact to the Issuer (the "Note"). Impact's obligations under the Note would be immediately cancelled in exchange for an amendment to the promissory note given by the Issuer to Impact pursuant to the Purchase and Sale Agreement whereby the principal sum owed by the Issuer would be reduced and offset by the amount owed by Impact under the Note. Under the terms of the Warrant as amended, if the Issuer did not complete the registration by July 14, 2004, it was required to issue 500,000 shares under the Warrant on a cashless basis, which it did on July 30, 2004. Additionally, under the terms of the Warrant, the Issuer must issue to Impact 500,000 shares under the Warrant on a cashless basis for each ninety-day period in which registration has not been completed. Pursuant to these terms, the Issuer issued Impact 500,000 shares effective on November 1, 2004 and on February 1, 2005.

Item 4. Purpose of Transaction.

The purpose of Impact's acquisition of the Shares and the Warrant is to obtain an equity interest in the Issuer as an investment. Impact has no present plans or proposals relating to or that would result in any extraordinary corporate transaction such as a merger, reorganization or liquidation involving the Issuer; any sale or transfer of a material amount of assets of the Issuer; any change in the board of directors or management of the Issuer or in the number or term of directors of the Issuer or to fill any existing vacancies on the Board; any material change in the capitalization or dividend policy of the Issuer; any other material change in the Issuer's business or corporate structure; or any change in the Issuer's certificate of incorporation, by-laws, or other actions that may impede the acquisition of control of the Issuer by any person. Furthermore, Impact has no plans to cause any class of securities of the Issuer to be delisted from a national securities exchange or to cease to be authorized to be quoted in an inter-dealer quotation system of a registered national securities association or to become eligible for termination of registration pursuant to Section 12(g)(4) of the Securities Exchange Act of 1934, as amended. However, Impact reserves the right to consider from time to time the desirability of any of the actions described in this paragraph, depending upon future business and financial considerations.

Item 5. Interest in Securities of the Issuer.

- (a) As of April 13, 2005, Impact owned an aggregate principal amount of 1,239,480 shares of the Issuer's Common Stock and a Warrant to purchase an additional 8,000,000 shares of the Issuer's Common Stock. Although the Manager, General Partner, Robert A. Hefner III and Robert S. May may be deemed to be beneficial owners of the Common Stock and

Edgar Filing: TIDELANDS OIL & GAS CORP - Form SC 13D/A

the Warrant under Section 13 of the Securities Exchange Act of 1934, as amended, by reason of their position with Impact, the Manager or the General Partner, each disclaims any such beneficial ownership.

- (b) Impact has the sole power to direct the disposition and direct the vote of all 1,239,480 shares of Common Stock which it owns and all 8,000,000 shares of Common Stock into which the Warrant is convertible.
- (c) Impact has effected the following transactions in the Issuer's Common Stock in the last sixty (60) days:
 - i. Cashless exercise of Warrant on March 8, 2005 for the acquisition of 500,000 shares of the Common Stock;
 - ii. Sale of 2,000 shares of Common Stock on February 18, 2005 at a price per share of \$1.67;
 - iii. Sale of 6,500 shares of Common Stock on February 18, 2005 at a price per share of \$1.68;
 - iv. Sale of 2,000 shares of Common Stock on February 18, 2005 at a price per share of \$1.70;
 - v. Sale of 3,500 shares of Common Stock on February 18, 2005 at a price per share of \$1.72; and
 - vi. Sale of 8,000 shares of Common Stock on February 18, 2005 at a price per share of \$1.71.
- (d) None.
- (e) None.

Item 6. Contracts, Arrangements, Understandings or Relationships With Respect to Securities of the Issuer.

Impact, the Manager, Impact Energy Services, L.L.C. ("Impact Energy") and Impact Partners, L.L.C. have entered into an agreement pursuant to which all of Impact's income in 2004 is allocated to Impact Energy until the amount of income so allocated equals the amount of losses allocated to Impact Energy for 2003. Thereafter, for 2004 and all future periods, all items of income, gains, deductions, credits and losses of Impact shall be allocated one hundred percent (100%) to the Manager.

The Manager advanced certain funds to Impact to pursue a joint venture with the Issuer which was evidenced by a promissory note from Impact in favor of the Manager (the "Note"). The amended operating agreement of Impact provides that once Impact has repaid all amounts owed under the Note, Impact will distribute substantially all of its assets, including the Issuer's Common Stock, to the Manager and Impact Partners, L.L.C. in proportions of seventy-five percent (75%) and twenty-five percent (25%), respectively.
