Edgar Filing: STERLING CHEMICALS INC - Form 8-K

On February 28, 2005, the Board of Directors of Sterling Chemicals, Inc., a Delaware corporation ("Sterling"), authorized the payment of annual bonus awards to each of its employees, including each of Sterling's executive officers in respect of the year ended December 31, 2004. The annual bonus awards were discretionary in that Sterling has not attained the financial performance goals under its Bonus Plan. The Board of Directors considered various factors in setting the amounts of the bonus awards, including the significant efforts of management and other employees in achieving substantial cost reductions over the course of the year, competitive pay practices, job scope and responsibility and Sterling's need to attract, retain and reward executive talent. In addition, the Board of Directors evaluated each executive's leadership by considering a variety of factors, including, among others, developing effective cost reduction strategies, driving results and maintaining environmental, health and safety performance. The following table sets forth cash payments in respect of annual bonus awards for 2004 and 2003 to each of Sterling's executive officers who will be included as the Named Executive Officers in Sterling's 2005 proxy statement:
