Item 1.01 Entry Into a Material Definitive Agreement

**Sprung Construction Inc.**

On April 6, 2005, CC Tollgate LLC entered into an agreement with Sprung Construction, Inc (“Sprung”). The agreement relates to the construction of the Company’s casino project in Central City, Colorado. For work performed under this agreement, Sprung is entitled to receive compensation for the cost of work plus an additional 5% fee. The maximum contract price is \$9.9 million, consisting of a fixed price of \$1.2 million and a budgeted amount of \$8.7 million for change orders. If at the conclusion of the project, the final price of the project is less than the adjusted maximum contract price, Sprung and the Company shall share the savings on the project with 50% to Sprung and 50% to the Company. The estimated total cost of the project, after accounting for all change orders, is \$9.9 million. The change orders were anticipated and budgeted by the Company and did not increase the Company’s total budgeted cost of \$39.5 million in the casino project, including the parking garage, in Central City. The estimated completion date of the project has been extended to September 11, 2006.

The summary of the terms of these agreements are qualified in their entirety by their text, copies of which are attached to this Form 8-K as exhibit 10.161 and is incorporated herein by reference.

**CFC Construction Inc.**

On July 21, 2005, CC Tollgate LLC entered into an agreement with CFC Construction, Inc (“CFC”). The agreement relates to the second phase of construction on the Company’s casino parking garage in Central City, Colorado. For work performed under this agreement, CFC is entitled to receive compensation for the cost of work plus an additional fee of \$0.4 million. The additional fee will be adjusted by 4% on all additive change orders. The maximum contract price is \$9.1 million, subject to additions and deductions by change orders provided by the Company. As of the date of this filing, the Company has not approved any change orders that increased the maximum contract price. If at the conclusion of the project, the final price of the project is less than the adjusted maximum contract price, CFC and the Company shall share the savings on the project with 50% to CFC and 50% to the Company. The work on the contract is expected to be completed or substantially completed on or before 280 days from commencement of the project.

The summary of the terms of this agreement is qualified in its entirety by its text, a copy of which is attached to this Form 8-K as exhibit 10.162 and is incorporated herein by reference.

### **Chandos**

On December 2, 2005, Century Resorts Alberta Inc. entered into an agreement with Chandos Construction Ltd. ("Chandos"). The agreement relates to the construction on the Company's casino, hotel and parking facility in Edmonton, Alberta, Canada. For work performed under this agreement, Chandos is entitled to receive total compensation, inclusive of value added taxes of approximately 7%, of 24.1 million CAD (approximately \$20.7 million). The work on the contract is expected to be substantially completed by November 30, 2006.

The summary of the terms of this agreement is qualified in its entirety by its text, a copy of which is attached to this Form 8-K as exhibit 10.163 and is incorporated herein by reference.
