Item 1.01. Entry into a Material Definitive

*Agreement.*

On August 24, 2009, Solitario Exploration & Royalty Corp., a Colorado corporation ("Solitario"), entered into a definitive arrangement agreement (the "Arrangement Agreement") with Metallic Ventures Gold Inc., an Ontario corporation ("Metallic Ventures"), providing for the acquisition of all of the outstanding shares of Metallic Ventures pursuant to a statutory plan of arrangement under Canadian law (the "Arrangement").

Under the terms of the Arrangement Agreement, which has been approved by the boards of directors of both companies, in exchange for each Metallic Ventures common share held, Metallic Ventures shareholders (other than dissenting shareholders) will receive (assuming no outstanding options to purchase MVG common shares are exercised) (i) a cash payment in the amount of US\$0.298 and (ii) 0.326976 of a Solitario common share, with an aggregate maximum cash consideration of US\$15.5 million and an aggregate maximum issuance of 17 million Solitario common shares

As an inducement for each party to enter into the Arrangement Agreement, contemporaneously with the execution of the Arrangement Agreement, certain directors and officers of Metallic Ventures, representing approximately 65% of Metallic Ventures outstanding shares, entered into the shareholder support agreements, in substantially the forms attached hereto as Exhibits 10.1 and 10.2 (the "Support Agreements"). Pursuant to the Support Agreements, each of the parties thereto agreed, among other things, to vote all of his Metallic Ventures shares : (a) in favor of the adoption of the Arrangement Agreement; and (b) generally against any action or agreement that is intended, or would reasonably be expected, to delay, prevent or adversely affect the Arrangement. The Support Agreements become terminable upon any termination of the Arrangement Agreement in accordance with their terms and certain other circumstances set forth therein.

The Arrangement, which is expected to close in the fourth quarter of 2009, is subject to approval by shareholders of both companies and other customary conditions. The Arrangement Agreement also contains mutual representations and warranties of the parties covering customary matters. Each of the parties also makes various covenants in the Arrangement Agreement, including those requiring the parties to use reasonable efforts to consummate the transaction and prohibiting the parties from taking certain actions that would impede the consummation of the transaction.

The Arrangement Agreement may be terminated by either Solitario or Metallic Ventures under certain circumstances set forth in the Arrangement Agreement, including, among other circumstances, the failure of the Plan of Arrangement to be consummated on or before December 31, 2009, the failure of Metallic Ventures to satisfactorily complete its due diligence by August 31, 2009, and the failure of Solitario to satisfactorily complete its due diligence by August 31, 2009. If the Arrangement Agreement is terminated (a) in certain circumstances following the receipt by Metallic Ventures of a superior proposal, or (b) as a result of Metallic Ventures board of directors changing its recommendation in favor of the Plan of Arrangement, the Arrangement Agreement or the transactions contemplated by the Arrangement Agreement, Metallic Ventures will be obligated to pay a termination fee to Solitario in the amount of US\$1.5 million.

The foregoing description of the Arrangement Agreement does not purport to be complete and is qualified in its entirety by reference to the Arrangement Agreement, which is filed as Exhibit 2.1 hereto and incorporated into this report by reference.
