Item 3. Source and Amount of Funds or Other Consideration.

The Shares purchased by Value and Opportunity Master Fund, Navigation Master Fund, ROIL and COIL were purchased with working capital (which may, at any given time, include margin loans made by brokerage firms in the ordinary course of business) in open market purchases, except as otherwise noted, as set forth in Schedule A, which is incorporated by reference herein. The aggregate purchase cost of the 3,725,000 Shares beneficially owned in the aggregate by Value and Opportunity Master Fund, Navigation Master Fund and ROIL is approximately \$15,119,142, excluding brokerage commissions.

Item 4. Purpose of Transaction.

The Reporting Persons originally purchased the Shares based on the Reporting Persons' belief that the Shares, when purchased, were undervalued and represented an attractive investment opportunity. Depending upon overall market conditions, other investment opportunities available to the Reporting Persons, and the availability of Shares at prices that would make the purchase or sale of Shares desirable, the Reporting Persons may endeavor to increase or decrease their position in the Issuer through, among other things, the purchase or sale of Shares on the open market or in private transactions or otherwise, on such terms and at such times as the Reporting Persons may deem advisable.

On July 7, 2010, Ramius delivered a letter to the Issuer's Chairman and CEO, Charles Kissner, the Issuer's Board of Directors (the "Board") and the Issuer's Chief Financial Officer, Thomas L. Cronan III (the "July 7 Letter"). In the July 7 Letter, Ramius expressed its belief that the Issuer's Shares are deeply undervalued and significant opportunities exist to improve the Issuer's operating performance based on actions within the control of management and the Board. Ramius stated that the Issuer's current market price clearly indicates that the public market is attributing essentially no value for the Issuer's operating business and reflects a lack of confidence in the Issuer's business strategy. Ramius also expressed its concern that the Issuer has taken little action, to date, to adjust the cost structure in-line with current business prospects, specifically noting that, while revenues have declined since fiscal year 2008, operating expenses have actually increased over the same period. Ramius further stated it believes a significant opportunity exists to adjust the cost structure of the Issuer to achieve acceptable operating margins, even at the current revenue run rate, and urged management and the Board to focus its attention on driving cost improvements by re-focusing on the Company's core businesses and de-emphasizing growth investments in non-core product lines such as WiMAX. Ramius concluded the July 7 letter by stating it has a strong vested interest in the performance of the Issuer as one of the largest shareholders and hopes to work constructively with management and the Board to unlock value for all shareholders. A copy of the July 7 Letter is attached hereto as Exhibit 99.1 and is incorporated herein by reference.

No Reporting Person has any present plan or proposal which would relate to or result in any of the matters set forth in subparagraphs (a) - (j) of Item 4 of Schedule 13D except as set forth herein or such as would occur upon completion of any of the actions discussed herein. The Reporting Persons intend to review their investment in the Issuer on a continuing basis. Depending on various factors including, without limitation, the Issuer's financial position and investment strategy, the price levels of the Shares, conditions in the securities markets and general economic and industry conditions, the Reporting Persons may in the future take such actions with respect to their investment in the Issuer as they deem appropriate including, without limitation, communications with management and the Board of the Issuer, engaging in discussions with third parties about the Issuer and the Reporting Persons' investment, making proposals to the Issuer concerning changes to the capitalization, ownership structure, board structure or operations of the Issuer, purchasing additional Shares, selling some or all of their Shares, engaging in short selling of or any

hedging or similar transaction with respect to the Shares, or changing their intention with respect to any and all matters referred to in Item 4.

CUSIP NO. 41457P106
