Proposed Maximum

Edgar Filing: LOCKHEED MARTIN CORP - Form S-8

Title Of Securities To Be Registered	Maximum Amount To Be Registered	Offering Price Per Share	Aggregate Offering Price
Supplemental Savings Incentive			
Plan Payment Obligations(1) (2)	\$2,000,000	100%	\$2,000,000

(1) The Supplemental Savings Incentive Plan Payment Obligations are unsecured obligations of Lockheed Martin Corporation (the "Registrant") to pay deferred compensation in the future in accordance with the Lockheed Martin Global Telecommunications Supplemental Savings Incentive Plan (the "Plan").

(2) Participants of the Plan may elect to have deferred compensation treated as if such amount had been used to purchase the Registrant's Common Stock. For purposes of this Registration Statement, this investment option is referred to as Reference Units. The Reference Units will accrue earnings (or losses) on Supplemental Savings Incentive Plan Payment Obligations based on the performance of the Registrant's Common Stock. No additional consideration will be paid for the Reference Units.

PART I

INFORMATION REQUIRED IN THE SECTION 10(a) PROSPECTUS

The documents containing the information specified in Part I of Form S-8 will be sent or given to employees eligible to participate in the Plan as specified by Rule 428(b)(1) of the Securities Act of 1933, as amended (the "Securities Act"). In accordance with the instructions of Part I of Form S-8, such documents will not be filed with the Securities and Exchange Commission (the "Commission") either as part of this Registration Statement or as prospectuses or prospectus supplements pursuant to Rule 424 of the Securities Act. These documents and the documents incorporated by reference pursuant to Item 3 of Part II of this Registration Statement, taken together, constitute a prospectus that meets the requirements of Section 10(a) of the Securities Act.

PART II

INFORMATION REQUIRED IN THE REGISTRATION STATEMENT

Item 3. Incorporation Of Documents By Reference.

The following documents filed with the Commission are incorporated herein by reference:

- . the Registrant's Annual Report on Form 10-K for the year ended December 31, 2000; and
- . the description of Registrant's common stock, \$1.00 par value per share, contained in Registrant's Registration Statement on Form 8-B, filed with the Commission pursuant to Section 12 of the Securities Exchange Act of 1934, as amended (the "Exchange Act") (as amended on Form 8-B/A filed on March 9, 1995), and any amendment or report filed for the purpose of updating such description.

In addition, any and all documents filed by the Registrant pursuant to Sections 13(a), 13(c), 14 or 15(d) of the Exchange Act, subsequent to the date

Edgar Filing: LOCKHEED MARTIN CORP - Form S-8

of this Registration Statement and prior to the withdrawal (if any) of the Registration Statement shall, to the extent required by law, be deemed to be incorporated by reference into this Registration Statement and to be a part hereof.

Item 4. Description of Securities.

Under the Lockheed Martin Global Telecommunications Supplemental Savings Incentive Plan (the "Plan"), the Registrant will provide certain employees who are prohibited by Internal Revenue Code rules from fully contributing to the Lockheed Martin Global Telecommunications Savings Incentive Plan (the "Savings Plan") due to limitations imposed by the Savings Plan with the opportunity to defer a specified portion of their compensation. The obligation of the Registrant to distribute the compensation deferred, as adjusted by earnings or losses, if any, (the "Supplemental Savings Plan Payment Obligations") will be an unsecured general obligation of the Registrant to pay the deferred compensation in the future in accordance with the terms of the Plan, and will rank pari passu with other unsecured general obligations of the Registrant.

Under the Plan, participants may elect to invest deferred compensation in a manner such that the amount deferred will be treated as if such amount had been used to purchase shares of the Registrant's Common Stock. This is, however, only a bookkeeping entry and not an actual purchase of the Registrant's Common Stock. For purposes of this Registration Statement, these investments are referred to as "Reference Units." The value of Reference Units will fluctuate based on changes in the value of the Registrant's Common Stock. To the extent that dividends are paid on the Registrant's Common Stock, a like amount will be added to a participant's account and reinvested in Reference Units. This right to accrue earnings (or losses) based on the fluctuations in the value of the Registrant's Common Stock may be deemed to be a "security" under the Securities Act and, as such, is being registered on this Registration Statement on Form S-8.

Item 5. Interests of Named Experts and Counsel.

The Opinion of Counsel as to the legality of the securities being registered and as to compliance with the requirements of ERISA (constituting Exhibit 5) have been rendered by counsel who is a full-time employee of the Registrant. Such counsel is not eligible to participate in the Plan.

Item 6. Indemnification of Directors and Officers.

The Maryland General Corporation Law authorizes Maryland corporations to limit the liability of directors and officers to the corporation or its stockholders for money damages, except (a) to the extent that it is proved that the person actually received an improper benefit or profit in money, property or services, for the amount of the benefit or profit in money, property or services actually received, (b) to the extent that a judgment or other final adjudication adverse to the person is entered in a proceeding based on a finding that the person's action or failure to act was the result of active and deliberate dishonesty and was material to the cause of action adjudicated in the proceeding or (c) in respect of certain other actions not applicable to the Registrant. Under the Maryland General Corporation Law, unless limited by charter, indemnification is mandatory if a director or an officer has been successful on the merits or otherwise in the defense of any proceeding by reason of his or her service as a director unless such indemnification is not otherwise permitted as described in the following sentence. Indemnification is permissive unless it is established that (a) the act or omission of the director was material to the matter giving rise to the proceeding and was committed in bad faith or was the result of active and deliberate dishonesty, (b) the director actually received

an improper

2

personal benefit in money, property or services or (c) in the case of any criminal proceeding, the director had reasonable cause to believe his or her act or omission was unlawful. In addition to the foregoing, a court of appropriate jurisdiction may, under certain circumstances, order indemnification if it determines that the director or officer is fairly and reasonably entitled to indemnification in view of all the relevant circumstances, whether or not the director or officer has met the standards of conduct set forth in the preceding sentence or has been adjudged liable on the basis that a personal benefit was improperly received in a proceeding charging improper personal benefit to the director or officer. If the proceeding was an action by or in the right of the corporation or involved a determination that the director or officer received an improper personal benefit, however, no indemnification may be made if the individual is adjudged liable to the corporation, except to the extent of expenses approved by a court of competent jurisdiction.

Article XI of the Charter of the Registrant limits the liability of directors and officers to the fullest extent permitted by the Maryland General Corporation Law. Article XI of the Charter of the Registrant also authorizes the Registrant to adopt bylaws or resolutions to provide for the indemnification of directors and officers. Article VI of the Bylaws of the Registrant provides for the indemnification of the Registrant's directors and officers to the fullest extent permitted by the Maryland General Corporation Law. In addition, the Registrant's directors and officers are covered by certain insurance policies maintained by the Registrant.

Item 7. Exemption from Registration Claimed.

Item 9. Undertakings.

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

- (i) To include any prospectus required by Section 10(a)(3) of the Securities Act;
- (ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective

amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement;

- (iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement; provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the Registration Statement is on Form S-3 or Form S-8, and the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 (the "Exchange Act") that are incorporated by reference in the Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from the registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

- (b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
