SOLICITATION AND REVOCATION OF PROXIES

A form of proxy is being furnished herewith by the Company to each stockholder and, in each case, is solicited on behalf of the Board of Directors of the Company (the Board) for use at the Meeting. Stockholders are requested to complete, date and sign the accompanying proxy and return it promptly to the Company. Your execution of the enclosed proxy will not affect your right as a stockholder to attend the Meeting and to vote in person. Any stockholder giving a proxy has the right to revoke it at anytime by either (i) a later-dated proxy, (ii) a written revocation sent to and received by the Secretary of the Company prior to the Meeting, or (iii) attendance at the Meeting and voting in person.

If your shares are registered directly in your name with Corporate Stock Transfer, Inc., our transfer agent, you are considered a stockholder of record. STOCKHOLDER S VOTING RIGHTS

Only holders of record of the Company s common stock, \$0.001 par value (Common Stock), at the close of business on the Record Date will be entitled to notice of, and to vote at, the Meeting or at any adjournment or postponements thereof. On the Record Date there were 33,117,498 shares of Common Stock outstanding, each with one vote per share.

Our bylaws provide that the holders of a majority of the shares of our Common Stock issued and outstanding and entitled to vote at the Meeting, present in person or represented by proxy, will constitute a quorum for the transaction of business at the Meeting. Abstentions and broker non-votes will be counted as present for the purpose of determining the presence of a quorum.

With respect to the election of directors, assuming a quorum is present, the affirmative vote of a plurality of the votes cast by the holders of the Company s common stock present in person or represented by proxy is required to elect each nominee. Election by a plurality means that the director nominee with the most votes for a particular Board seat is elected for that seat. On this item of business, withheld votes and broker non-votes will be deemed not to have been cast and will have no legal effect in the election of directors.

With respect to the proposal to ratify KPMG LLP as the Company s independent auditors for fiscal year ending December 31, 2011, or any other non-election matter that may come before the meeting, assuming a quorum

Edgar Filing: RODMAN & RENSHAW CAPITAL GROUP, INC. - Form DEF 14A

is present, the affirmative vote of holders of a majority of the shares present in person or represented by proxy at the Meeting and entitled to vote on the matter is required to approve the proposal. For purposes of the vote on any such proposal, abstentions are tantamount to a no vote, but broker non-votes will not be counted and therefore will have no impact on the outcome of the vote on such items of business.

We have retained our transfer agent, Corporate Stock Transfer, Inc., as independent inspector of election to receive and tabulate the votes. Our transfer agent will also certify the results and perform any other acts required by the Delaware General Corporation Law.

The Nominating and Corporate Governance Committee regularly reviews the composition of the Board in light of the Company's changing requirements, its assessment of the board's performance, and the inputs of stockholders and other key constituencies.

The Nominating and Corporate Governance Committee looks for certain characteristics common to all board members, including integrity, strong professional reputation and record of achievement, constructive and collegial personal attributes, and the ability and commitment to devote sufficient time and energy to board service.

In addition, the Nominating and Corporate Governance Committee seeks to include on the Board a complementary mix of individuals with diverse backgrounds and skills that can help the board to meet the broad set of challenges that it confronts. These individual qualities can include matters like experience in the company's industry, technical experience (for example, financial or technological expertise), experience gained in situations comparable to the company's (e.g., financial service companies, growth companies, and companies that grow through acquisitions), leadership experience, and relevant geographical experience.

Following is a brief description of the specific experience and qualifications, attributes or skills of each director that led to the conclusion that such person should serve as a director of Rodman:

General Clark's leadership in the U.S. Army and as NATO Supreme Allied Commander and Commander-in-Chief of the U.S. European Command and his experience in the investment banking sector provides the board with broad leadership and strategic skills and perspective, particularly with regard to interaction with government agencies in our heavily regulated industry and in the non-U.S. markets that we target.

Mr. Vasinkevich's knowledge regarding the capital markets and industries in which we compete provides a critical link between management and the board, enabling the board to provide its oversight function with the benefit of management's perspective of the business.

Mr. Rubin's knowledge regarding our operations and the markets in which we compete, including non-U.S. markets, provides a critical link between management and the board, enabling the board to provide its oversight function with the benefit of management's perspective of the business.

Mr. Churchill's experience in managing private equity and venture capital funds, his legal education and his hands-on experience in public company corporate governance provides the board with the perspective of an active investor and fund manager with a deep understanding of the financial markets and corporate governance matters.

Mr. Cohen's hands-on experience in public company corporate governance and corporate finance both through his current consulting practice and prior affiliation with Furman Selz provides the board with a unique perspective on corporate governance matters and corporate finance matters. Given his financial experience, Mr. Cohen has been determined by our board to be the Audit Committee financial expert.

Mr. Drake's depth of knowledge of the investment banking sector, and his having been a key player in the growth and sale of Vector to Prudential Securities, provides the board with a perspective on growth and acquisition strategies.

CORPORATE GOVERNANCE AND BOARD COMMITTEES

Board Composition

Currently, the Board consists of ten members. Our charter provides for the annual election of directors. At each annual meeting of stockholders, our directors will be elected for a one-year term and serve until their respective successors have been elected and qualified. The Annual Meeting to which this Proxy Statement relates is the Company's 2011 Annual Meeting.

Leadership Structure

The Board considers and establishes the appropriate leadership structure for the Company. The Board has concluded that the Company and its stockholders are best served by not having a formal policy on whether the same individual should serve as both chief executive officer and chairman of the Board. The Board believes that it is important to retain the flexibility to make this determination based on the circumstances at the time of the determination, recognizing that no single leadership structure will best serve the Company in all cases. This allows the Board to use its broad experience and knowledge to elect the most qualified director as chairman of the Board, while maintaining its ability to separate the roles of chairman and chief executive officer. In making this determination, the Board will consider the advantages that come from having leadership of the Board by a person other than the chief executive officer. Even if a single person were to fill both roles, the Board anticipates that it would appoint a director to serve separately as the presiding or lead non-management director in order to preserve those advantages.

General Wesley K. Clark serves as our chairman of the Board, and Edward Rubin serves as our chief executive officer and president. The chairman of the Board has the authority to call meetings of the non-management directors, provides input in setting the agenda for Board meetings, is the principal contact for receipt of communications to non-management directors from stockholders, acts as the key Board liaison with the chief executive officer, chairs meetings of the Board including executive sessions, and communicates the Board's feedback to the chief executive officer. This ensures full involvement in decision-making by the non-management directors. The chairman also approves meeting agendas and ensures that there is sufficient time for discussion of all agenda items.

The Board believes that General Clark's diverse work experience, his education, and his demonstrated leadership ability make him the best choice currently to serve as our chairman of the Board.

Director Independence

Six of our ten directors, Messrs. Cohen, Churchill, Drake, Dryden, Friedman and Haas, qualify as independent under the rules and regulations of the SEC and NASDAQ.

Board Meetings

The Board met seven times during 2010. A majority of the directors attended all of the meetings of the Board. All persons who were directors during 2010 attended at least 75% of the meetings of the Board and each Committee upon which he was then serving. Absent special circumstances, each director is expected to attend the annual meeting of stockholders. All of our directors attended the 2010 Annual Meeting.

Committees Established by the Board

The Board has established three standing committees: an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee. Each committee has three members, all of whom qualify as independent under the rules and regulations of the SEC and NASDAQ.

Audit Committee. The Board has appointed Richard Cohen, Winston Churchill and Peter F. Drake as the members of the Audit Committee. Mr. Cohen is the chairman of the committee and also qualifies as an audit committee financial expert within the meaning of the rules of the SEC and NASDAQ. The Audit Committee reviews and reports to the Board on our internal accounting and financial controls and on the accounting principles and auditing practices and procedures to be employed in preparing and reviewing our consolidated financial statements. The Audit Committee is also responsible for engaging and overseeing our independent public auditors, the scope of the audit to be undertaken by such auditors and the pre-approval of any audit and permitted non-audit services provided by such auditors. During 2010, the Audit Committee held five meetings. We have adopted a Charter establishing and governing the Audit Committee, a copy of which is posted on our website at www.rodman.com.

Compensation Committee. The Board has appointed Mark L. Friedman, Sam Dryden and Marvin I. Haas as the members of the Compensation Committee. Mr. Friedman serves as chairman of the committee. The Compensation Committee reviews and, as it deems appropriate, recommends to the Board policies, practices and procedures relating to the compensation of the officers and other managerial employees, including the determination in its discretion of the amount of annual bonuses, if any, for our executive officers and other professionals, and the establishment and administration of employee benefit plans. The Compensation Committee exercises all authority under our employee equity incentive plans and will advise and consult with our senior executives as may be requested regarding managerial personnel policies. During 2010, the Compensation Committee held six meetings. We have adopted a Charter establishing and governing the Compensation Committee, a copy of which is posted on our website at www.rodman.com.

Nominating and Corporate Governance Committee. The Board has appointed Winston Churchill, Peter F. Drake and Mark L. Friedman as the members of the Nominating and Corporate Governance Committee. Mr. Churchill serves as chairman of the committee. The Nominating and Corporate Governance Committee identifies and recommends nominees to the Board and oversees compliance with our corporate governance guidelines. During 2010, the Nominating and Corporate Governance Committee held one meeting. We have adopted a Charter establishing and governing the Nominating and Corporate Governance Committee, a copy of which is posted on our website at www.rodman.com.

Executive Session. The non-management directors of the Board meet in executive session at each meeting of the Board. The non-management directors have the authority to retain outside consultants and to schedule additional meetings in their discretion.

Stockholder Recommendation for Director Nominations

As noted above, the Nominating and Corporate Governance Committee considers and establishes procedures regarding recommendations for nomination to the board, including nominations submitted by stockholders. Recommendations of stockholders should be sent to us in a timely manner, either in person or by certified mail, to the attention of our Corporate Secretary. Any recommendations submitted to the Secretary should be in writing and should include whatever supporting material the stockholder considers appropriate in support of that recommendation but must include the information that would be required to be disclosed under the SEC's rules in a proxy statement soliciting proxies for the election of such candidate and a signed consent of the candidate to serve as our director if elected. The Nominating and Corporate Governance Committee will evaluate all potential candidates in the same manner, regardless of the source of the recommendation. Based on the information provided to the Nominating and Corporate Governance Committee, it will make an initial determination whether to conduct a full evaluation of a candidate. As part of the full evaluation process, the Nominating and Corporate Governance Committee may conduct interviews, obtain additional background information and conduct reference checks of the candidate, among other things. The Nominating and Corporate Governance Committee may also ask the candidate to meet with management and other members of the Board. Although the Nominating and Corporate Governance

Committee has not adopted a formal policy regarding diversity, it considers a broad range of factors in evaluating a candidate, including the advantages to Rodman that come from having a Board comprised of persons with diverse experiences and perspectives. Thus, the consideration of diversity is not limited to matters of race, gender or national origin, but encompasses the applicant's broad background and is evaluated in light of the existing composition of the Board.

Communications with Non-Management Members of the Board

The Company's Corporate Governance Policies set forth a process by which stockholders and other interested third parties can send communications to the non-management members of the Board. When interested third parties have concerns, they may make them known to the non-management directors by communication via <https://rodmanandrenshaw.silentwhistle.com/ethfeedback/index.jsp> or toll free number (866) 851-9745. All such correspondence is provided to the presiding chairman at, or prior to, the next executive session held at a regular Board meeting.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS AND DIRECTOR INDEPENDENCE

We were the representative of the underwriters in the initial public offering of Vector Intersect Security Acquisition Corp. (Vector) which was consummated in April 2007. Vector was a special purpose acquisition company (SPAC) targeting the homeland security, national security and/or command and control industries. Pursuant to the underwriting agreement, we agreed to deposit a portion of our underwriting fees into the SPAC trust account until the earlier of a business combination or the liquidation of the trust account. We also agreed to forfeit any rights to such fees unless Vector successfully consummated a business combination. In December 2008, Vector consummated a business combination transaction. In connection with that transaction, we agreed to lend to Vector approximately \$1.8 million of the funds held in the trust account for our benefit. The loan is evidenced by an unsecured promissory note bearing interest at the rate of 8% per annum and due on June 30, 2014. At December 31, 2010, the outstanding note balance was approximately \$2 million. Winston Churchill, who became a director of the Company in October 2007, was a director and principal stockholder of Vector at the time of the transactions described above.

Director and Officer Indemnification

We have entered into indemnity agreements with our directors and officers indemnifying them against all losses, damages, costs and expenses incurred by them arising out of their service in such capacity, subject to the limitations imposed by Delaware law. This agreement is in addition to our indemnification obligations under our bylaws.

Tax Indemnification Agreement

Prior to the July 10, 2007, we operated as a limited liability company (treated as a partnership for income tax purposes) and, as such, our former members, including Revere, generally, will be liable for adjustments to taxes (including federal and state income taxes) attributable to our operations prior to July 10, 2007. In connection with our conversion to a corporation which occurred on July 10, 2007, we entered into a tax indemnification agreement to indemnify our former members, including Revere, and their respective members and stockholders, including John J. Borer III, Edward Rubin and a trust for the benefit of the wife and children of Michael Vasinkevich, against increases in taxes that relate to our activities prior to becoming a corporation. The tax indemnification agreement includes provisions that permit us to control any tax proceeding or contest which might result in our being required to make a payment under the tax indemnification agreement.

Policies and Procedures for Related Party Transactions

We have adopted a code of business conduct and ethics, pursuant to which our executive officers, directors and principal stockholders, including their immediate family members and affiliates, are not permitted to enter into a

related party transaction with us without the prior consent of our Audit Committee, or other independent committee of the Board in the case where it is inappropriate for our Audit Committee to review such a transaction due to a conflict of interest. All of our directors, executive officers and employees are required to report to our Audit Committee any such related party transaction. In approving or rejecting the proposed transaction, our Audit Committee will consider the relevant facts and circumstances available and deemed relevant to the Audit Committee, including, but not limited to the risks, costs and benefits to us, the terms of the transaction, the availability of other sources for comparable services or products, and, if applicable, the impact on a director's independence. The Audit Committee will approve only those agreements that, in light of known circumstances, are in, or are not inconsistent with, our best interests, as the Audit Committee determines in the good faith exercise of its discretion.

COMPENSATION OF DIRECTORS

Each member of the the Board who is not an employee receives, as compensation for service on the board: (i) an annual retainer of \$20,000; (ii) \$1,000 for each meeting of the board attended either in person or telephonically; and (iii) \$750 for each committee meeting attended either in person or telephonically. In addition, each committee chairman receives an additional annual retainer as follows: (i) Audit Committee \$12,500; (ii) Compensation Committee \$7,500; and (iii) Nominating and Corporate Governance Committee \$5,000. Such additional compensation is intended to reflect special efforts of such board members. No equity awards were granted to non-employee directors in 2010. In 2009, each non-employee director received a RSU grant covering 30,000 shares of Rodman common stock, 10,000 of which vested on the date of grant, 10,000 of which vested on the first anniversary of the grant date in 2010 and 10,000 of which will vest on the second anniversary of the grant date in 2011, subject to forfeiture and accelerated vesting upon specified events. In addition, settlement of all of the RSUs generally is deferred for two years following the final vesting date. Board members are reimbursed for reasonable travel expenses associated with attending any board or committee meetings.

The following table sets forth the compensation paid to members of our Board who are not named executive officers for the year ended December 31, 2010.

Edgar Filing: RODMAN & RENSHAW CAPITAL GROUP, INC. - Form DEF 14A

Wesley K. Clark is employed as the Chairman of the Board and serves as a member of the Board. His employment commenced January 30, 2006. Under his current employment agreement, he receives an annual base salary of \$250,000. In addition, he is eligible to receive the following cash bonuses: (i) up to 15% of fees received by R&R, Rodman's broker-dealer affiliate, in connection with any transaction introduced by him; and (ii) a discretionary amount at the end of each calendar quarter. In addition, the agreement: (i) granted him options to purchase 425,980 shares of Rodman common stock at \$3.78 per share, all of which were vested at December 31, 2008; and (ii) provides for payment of an amount if there is a Change of Control Event during the period of employment. In general, the amount cannot exceed \$1,514,942, and would be reduced to the extent that the fair market value of a share of Rodman common stock is less than \$3.78 per share (as adjusted) on the date of the Change of Control Event. Rodman may make the payment, in its absolute discretion, in cash or other property, including the shares or other property which may have been received in the transaction which constituted the Change of Control Event. A Change of Control Event, in general, means the acquisition by any one person, or a group, of more than 50% of the total fair market value or total voting power of Rodman's capital stock or of substantially all of our assets.

(1) The stock-based compensation amounts reported in Stock Awards column for both years represent the aggregate grant-date fair value of the awards computed in accordance with FASB ASC Topic 718 (excluding estimated forfeitures based on service-based vesting conditions). Rodman determines the fair value of restricted stock and RSUs based on the closing price of its common stock on the date of grant, subject to a discount (reduction) in the case of RSUs that impose restrictions that delay settlement and thus preclude marketability of the underlying shares for periods extending after the lapse of the risk of forfeiture (vesting). Rodman calculates this discount using a protective put method model. In addition, in the case of RSUs that require achievement of a performance goal as a condition to vesting, the valuation shown above assumes achievement of the performance goal in full.

(2) Mr. Rubin became our Chief Executive Officer effective February 9, 2009.

Employment Arrangements with Named Executive Officers

On November 30, 2010 (the *Effective Date*), we entered into employment agreements (the *Employment Agreements*) with each of Michael Vasinkevich, Edward Rubin and John J. Borer III, for their continued employment with the company as senior managing director and vice chairman, chief executive officer and senior managing director, respectively. Upon execution of the *Employment Agreements*, their preexisting employment agreements, along with all rights and obligations of the parties thereunder, were immediately terminated. The *Employment Agreements* are substantially identical and provide, *inter alia*, as follows:

Term: Each of Messrs. Vasinkevich, Rubin and Borer are at will employees.

Base Salary: \$150,000 per annum, payable according to the company's prevailing payroll schedule.

Signing Bonus: Each of Messrs. Vasinkevich, Rubin and Borer were granted a signing advance (retention bonus) equal to \$850,000, \$850,000 and \$250,000, respectively. In the event that Messrs. Vasinkevich, Rubin and Borer terminates his employment with Rodman on or prior to November 30, 2011, other than for *Good Reason* (as defined), or his employment is terminated by Rodman for *Cause* (as defined), such executive has agreed to promptly reimburse Rodman for the full amount of such advance. The advance shall be fully earned and non-reimbursable (a) if the executive remains in the continuous employ of Rodman through November 30, 2011, (b) in the event that, on or prior to November 30, 2011, the executive terminates his employment with Rodman for *Good Reason* (as defined), (c) in the event that, on or prior to November 30, 2011, the executive employment is terminated by Rodman other than for *Cause* (as defined), or (d) in the event of the executive's death on or before November 30, 2011.

RSU Grant: Each of Messrs. Vasinkevich, Rubin and Borer received an RSU grant of 1.5 million, 1.5 million and 0.3 million shares, respectively, under Rodman's 2010 Stock Award and Incentive Plan, which RSU grant vests ratably, subject to the achievement of stated performance benchmarks, in fifths on February 28, 2012, 2013, 2014, 2015 and 2016, respectively. The RSU is subject to accelerated vesting and forfeiture upon the occurrence of stated events. The performance benchmarks for vesting in each year require that the Company have achieved non-GAAP net income before executive bonuses plus or minus adjustments for certain events related to non-cash principal transactions, non-recurring legal fees and the impairment of goodwill and other intangible assets, as calculated consistent with past practice, for the respective preceding calendar year.

Incentive Compensation: Each executive is eligible to receive a bonus, to be determined at the sole discretion of the Rodman board of directors and payable in accordance with Rodman's then prevailing policy, including the payment of a pro rata bonus based upon actual full year performance in the event of the executive's termination other than for *Cause* or the executive terminates his employment for *Good Reason*.

Benefits. Each individual is entitled to participate in any retirement plans, insurance, health, disability or other benefit plan or program that is maintained by Rodman.

In February 2008, we entered into an at-will employment agreement with Mr. David Horin, our vice president and chief financial officer. Mr. Horin's employment commenced on March 17, 2008. Pursuant to the agreement, Mr. Horin serves at the pleasure of the Board and is entitled to receive base compensation of \$200,000 per year plus an annual bonus to be determined in accordance with Rodman's prevailing compensation practices except that, for calendar years 2008 and 2009 the agreement provided that such bonus would not be less than \$350,000 per annum. Rodman is permitted to pay a portion of such bonus in the form of equity awards. In addition, in 2008 Mr. Horin was granted an equity award the form of which is 100,000 RSUs which vested or will vest in three annual installments on the first, second and third anniversary of the grant date, provided Mr. Horin has not been terminated for cause or voluntarily terminated prior to vesting, and which will be subject to accelerated vesting in the event of death, disability, termination without cause, termination for good reason, and termination upon a change in control.

2010 Stock Award and Incentive Plan

In 2010 the Board adopted and our stockholders approved the 2010 Stock Award and Incentive Plan (the 2010 Plan) to replace the Company's 2007 Stock and Incentive Plan (the 2007 Plan). The Board approved the 2010 Plan to:

- attract, retain, motivate and reward officers, employees, directors, consultants and advisors to Rodman and its subsidiaries and affiliates;
- strengthen Rodman's capability to develop and direct a competent management team;
- provide equitable and competitive compensation opportunities;
- authorize incentive awards that appropriately reward achievement of our goals and recognize individual contributions without promoting excessive risk; and
- promote creation of long-term value for stockholders by closely aligning the interests of participants with the interests of stockholders.

The 2010 Plan makes four million shares of common stock available for equity awards, representing approximately 12% of the shares of Rodman common stock outstanding at January 1, 2011. In addition, shares that remain available under the 2007 Plan are also available under the 2010 Plan. Shares subject to outstanding awards under the 2007 Plan may become available for further grant under the 2010 Plan if such shares are not delivered to the participant, in accordance with the share counting rules in the 2010 Plan. In addition, the 2010 Plan provides for cash incentive awards, including annual incentive awards, which previously were granted under our Executive Bonus Plan.

The 2010 Plan authorizes a broad range of awards, including:

- stock options
- stock appreciation rights (SARs)
- restricted stock, a grant of actual shares subject to a risk of forfeiture and restrictions on transfer
- deferred stock, a contractual commitment to deliver shares at a future date, which may or may not be subject to a risk of forfeiture (we generally refer to forfeitable deferred stock as restricted stock units)
- other awards based on Common Stock
- dividend equivalents
- performance shares or other stock-based performance awards (these include deferred stock or restricted stock awards that may be earned by achieving specific performance objectives)
- cash-based performance awards tied to achievement of specific performance objectives
- shares issuable in lieu of rights to cash compensation.

For 2010, the Compensation Committee authorized annual incentive awards to executive officers under the 2010 Plan. The annual incentive awards would become payable for fiscal 2010 performance only if a corporate performance goal is achieved, specifically that non-GAAP net income before payment of executive bonuses is a positive dollar amount. This non-GAAP net income amount is adjusted upward and downward to adjust for certain effects of non-cash principal transactions, non-recurring legal fees and the impairment of goodwill and other intangible assets. If the specified level of this performance measure is achieved, the level of achievement of certain other performance goals including goals relating to operating profit and net revenues from investment banking (placement transactions), merchant banking and principal investing transactions -- would also be considered by the Compensation Committee to determine the final amount of the annual incentive award. The payouts to those executives for 2010 reflecting the level of achievement of the performance goals, which are included in the Bonus column of the Summary Compensation Table, was \$2,139,182 for each of Messrs. Rubin and Vasinkevich, and \$602,533 for Mr. Borer.

For 2010, the Compensation Committee approved a discretionary bonus to Mr. Horin of \$350,000. This amount was the same level of bonus as paid in 2008 and 2009. The Committee approved this bonus based on their subjective judgment as to competitive compensation levels for the position of chief financial officer and in view of Mr. Horin's good performance in that capacity in 2010.

Equity Compensation Plan Information

The following table summarizes the options and restricted stock units outstanding and shares available for future grant of equity awards under the 2010 Plan and the 2007 Plan as of December 31, 2010. The shares covered by outstanding options and restricted stock units and the exercise prices of options are subject to adjustment for changes in capitalization stock splits, stock dividends and similar events.

Equity Compensation Plan Table

	Number of securities to be issued upon exercise of outstanding options, warrants and rights (a)	Weighted-average exercise price of outstanding options, warrants and rights (b)	Number of securities remaining available for future issuance under equity compensation plans (excluding securities reflected in column (a)) (c)
Equity Compensation Plans Approved By Security Holders	7,329,880(1)	\$0.04(2)	4,418,794(3)
Equity Compensation Plans Not Approved By Security Holders	4,046,812(4)	\$4.06	-0-
Total	11,376,692	\$1.47(5)	4,418,794

- (1) Includes options covering 60,000 shares having an exercise price of \$5.00 per share and restricted stock units covering 7,269,880 shares, but excludes outstanding restricted stock (which awards under SEC rules do not constitute options, warrants or rights).
- (2) Weighted average is calculated for both options and RSUs, in accordance with SEC rules, although RSUs do not have an exercise price. If only options were included in this calculation (i.e., excluding RSUs), the weighted average exercise price of the outstanding options would have been \$5.00.
- (3) Of the shares remaining available for future equity awards, all of such shares could be granted in the form of either stock options or restricted stock, restricted stock units, or other full value awards.
- (4) These are options granted prior to Rodman becoming a public reporting company.
- (5) Weighted average is calculated for both options and RSUs, in accordance with SEC rules, although RSUs do not have an exercise price. If only options were included in this calculation (i.e., excluding RSUs), the weighted average exercise price of the outstanding options would have been \$4.07.

Compensation Committee Interlocks and Insider Participation

None of our executive officers serves as a member of the board of directors or compensation committee of any entity that has one or more executive officers serving as a member of the Board or Compensation Committee.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our directors and executive officers, and persons who own more than 10% of our equity securities that are registered pursuant to Section 12 of the Exchange Act, to file with the SEC initial reports of ownership and reports of changes in ownership of our equity securities. Officers, directors and greater than 10% stockholders are required by SEC regulations to furnish us with copies of all Section 16(a) reports they file.

Based solely upon a review of the Forms 3, 4 and 5 (and amendments thereto) furnished to us for the fiscal year ended December 31, 2010, we believe that our directors, officers and greater-than-10% beneficial owners complied with all applicable Section 16 filing requirements.

**PROPOSAL NO. 2
RATIFICATION OF THE APPOINTMENT
OF INDEPENDENT AUDITORS**

KPMG LLP (KPMG) has been our independent auditor since 2008. Their audit report appears in our annual report for the fiscal year ended December 31, 2010.

The Sarbanes-Oxley Act of 2002 requires the Audit Committee to be directly responsible for the appointment, compensation and oversight of the audit work of the independent auditors. Selection of the independent accountants is not required to be submitted to a vote of our stockholders for ratification. However, the Board is submitting this matter to stockholders as a matter of good corporate practice. Our Audit Committee approved the engagement of KPMG as our independent accountants for the fiscal year ending December 31, 2011. If the stockholders fail to ratify the selection of KPMG, the Audit Committee will take that into consideration and may retain another firm without re-submitting the matter to the stockholders, to audit our accounts for the 2011 fiscal year. Even if stockholders ratify the selection of KPMG, the Audit Committee may, in its discretion, direct the appointment of different independent auditors at any time during the year if it determines that such a change would be in the best interests of the Company and its stockholders.

A representative of KPMG is expected to be present at the meeting to respond to appropriate questions of stockholders and will have the opportunity to make a statement if he or she so desires.

REPORT OF THE AUDIT COMMITTEE TO THE BOARD

The Audit Committee of the Board is responsible for providing oversight of our accounting and financial reporting functions. The Board appoints the Audit Committee and its chairman annually, with the committee consisting of at least three directors.

The Audit Committee received the written communications from KPMG LLP, the Company's independent registered public accounting firm, that are required by the Independence Standards Board Standard No. 1 (Independence Standards Board Standard No. 1, *Independence Discussions with Audit Committees*), as adopted by the Public Company Accounting Oversight Board in Rule 3600T. The disclosures described the relationships and fee arrangements between the firm and the Company. Consistent with Independence Standards Board Standard No. 1 and the rules and regulations of the SEC, the Audit Committee considered whether the provision of non-audit services by the independent registered public accounting firm to the Company for the fiscal year ended December 31, 2010 is compatible with maintaining KPMG LLP's independence and has discussed with KPMG LLP the firm's independence from the Company.

Management is responsible for the Company's financial reporting process including its system of internal controls, and for the preparation of the consolidated financial statements in accordance with generally accepted accounting principles. The Company's independent registered public accounting firm is responsible for auditing those financial statements and issuing a report thereon.

The Audit Committee reviewed and discussed with the Company's independent registered public accounting firm the matters required to be discussed by the Statement on Auditing Standards No. 61, as amended (AICPA, *Professional Standards*, Vo. 1 AU Section 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T. The Audit Committee reviewed and discussed with management and the Company's independent registered public accounting firm, the audited financial statements of the Company for the year ended December 31, 2010.

Based on the above-mentioned reviews and discussions with management and the Company's independent registered public accounting firm, the Audit Committee, exercising its business judgment, recommended to the Board that the Company's audited financial statements be included in the Annual Report on Form 10-K for the year ended December 31, 2010, for filing with the SEC.

This report is submitted on behalf of the members of the Audit Committee:

Richard Cohen, Chairman
Winston Churchill
Peter F. Drake

Notwithstanding anything to the contrary set forth in any of our previous filings under the Securities Act of 1933, or the Securities Exchange Act of 1934, that might incorporate future filings, including this Proxy Statement, in whole or in part, the foregoing Report of the Audit Committee shall not be incorporated by reference into any such filings.

Other Information

In addition to the use of mailings, proxies may be solicited by personal interview, telephone, email, fax, or other electronic communication by our directors, officers and regular employees without special compensation therefore. Householding

The SEC's rules permit companies and intermediaries such as brokers to satisfy delivery requirements for proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement and annual report addressed to those stockholders. This process, which is commonly referred to as "householding," potentially provides extra convenience for stockholders and cost savings for companies. Some brokers household proxy materials and annual reports, delivering a single proxy statement and annual report to multiple stockholders sharing an address, although each stockholder will receive a separate proxy card. Once you have received notice from your broker that they will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent. If at any time you no longer wish to participate in householding and would prefer to receive a separate proxy statement and annual report, please notify your broker.
