Item 4. Ownership.

See Items 5-9 and 11 of the cover page for each Filer. The number of shares held by the Filers includes (1) Common Stock that they hold directly and (2) Common Stock that they may acquire on conversion of shares of the Company's Series A Convertible Preferred Stock ("Series A Preferred") that they hold and exercise of warrants that they hold for the purchase of Series A Preferred, which may be immediately converted into Common Stock.

Each of Healthcare Master and Healthcare Master II hold shares of Common Stock as shown in the following table. Healthcare and Healthcare II hold shares of Common Stock indirectly through Healthcare Master and Healthcare Master II.

CUSIP 016259103

Holder	Shares of Series A Convertible Preferred Stock	Warrant to Purchase Shares of Series A Convertible Preferred Stock or Common Stock (right to buy)	Common Stock
Healthcare Master	2,926,582	877,975	1,216,563
Healthcare Master II	4,396,202	1,318,861	1,668,230

The figures in the columns entitled “Shares of Series A Convertible Preferred Stock” and “Warrant to Purchase Shares of Series A Convertible Preferred Stock or Common Stock” represent the number of shares of Common Stock that currently would be issuable on the conversion and exercise of those instruments.

If shares of Series A Preferred are voluntarily converted by any of the Filers to Common Stock on or before June 30, 2013, the conversion price is \$3.16. Accordingly, the amount of Common Stock reported as beneficially owned related to the Series A Preferred reflects a conversion price of \$3.16.

In addition, the conversion price of the Series A Preferred is subject to adjustment on the occurrence of certain events. The conversion price will be \$3.16 if the National Institute for Health and Clinical Excellence in the United Kingdom (“NICE”) issues final guidance (following the review of a Patient Access Scheme (as commonly used by NICE) if required) recommending ILUVIEN (a “Positive Guidance”) provided that such Positive Guidance is issued on or before June 30, 2013. The conversion price will be \$2.66 if (i) NICE does not issue Positive Guidance by June 30, 2013; (ii) NICE issues final unappealable guidance (following the review of a Patient Access Scheme) failing to recommend ILUVIEN (“Negative Guidance”); or (iii) if the Issuer ceases to seek NICE approval of ILUVIEN. The conversion price will remain \$2.91 if, before the issuance by NICE of Positive Guidance and the issuance by NICE of Negative Guidance by July 1, 2013, the shares of Series A Preferred are automatically converted or there is a liquidation transaction as provided in the Issuer’s Certificate of Designation filed on October 1, 2012.

The percentage of beneficial ownership of each Filer is based on 31,527,756 shares of Common Stock outstanding as of November 2, 2012 as disclosed the Issuer’s most recent Form 10-Q. In determining the percentage beneficial ownership of each of Healthcare Master, Healthcare Master II, Healthcare and Healthcare II, it is also assumed that only that fund has exercised its warrant to purchase additional shares of Series A Preferred and converted its shares of Series A Preferred. Accordingly, the outstanding shares of Common Stock also includes the following shares for such Filers: Healthcare Master, 3,804,557 shares, and Healthcare Master II, 5,715,063 shares. As noted above, Healthcare and Healthcare II hold their shares of Common Stock indirectly through Healthcare Master and Healthcare Master II.

Item 5. Ownership of Five Percent or Less of a Class.

If this statement is being filed to report the fact that as of the date hereof the reporting person has ceased to be the beneficial owner of more than five percent of the class of securities, check the following [].

Item 6. Ownership of More than Five Percent on Behalf of Another Person.

PAI LLC is a registered investment adviser and is the general partner and investment adviser of Healthcare Master, Healthcare Master II, Healthcare, Healthcare II and other investment limited partnerships, and is the investment adviser to other investment funds. PAI LLC's clients have the right to receive or the power to direct the receipt of dividends from, or the proceeds from the sale of, the Stock. No individual client, other than Healthcare Master, Healthcare Master II, Healthcare and Healthcare II, separately holds more than five percent of the outstanding Stock.

Item 7. Identification and Classification of the Subsidiary Which Acquired the Security Being Reported on By the Parent Holding Company.

Not applicable.

Item 8. Identification and Classification of Members of the Group.

Dr. Lee and Dr. Yun co-manage PAI LLC. As of January 1, 2013, they replaced Palo Alto Investors as PAI LLC's manager. William L. Edwards, PAI LLC's former chairman, chief executive officer and chief investment officer resigned those positions, but continues to serve as an equity analyst. Therefore, Palo Alto Investors and Mr. Edwards are not included as Filers on this Schedule 13G.

The Filers are filing this Schedule 13G jointly, but not as members of a group, and each of them expressly disclaims membership in a group. Each Filer disclaims beneficial ownership of the Stock except to the extent of that Filer's pecuniary interest therein. In addition, the filing of this Schedule 13G on behalf of Healthcare Master, Healthcare Master II, Healthcare and Healthcare II should not be construed as an admission that any of them is, and each disclaims that it is, a beneficial owner, as defined in Rule 13d-3 under the Securities Exchange Act of 1934, of any of the Stock covered by this Schedule 13G.

Item 9. Notice of Dissolution of Group.

Not applicable.

Item 10. Certification of PAI LLC, Dr. Lee and Dr. Yun:

By signing below I certify that, to the best of my knowledge and belief, the securities referred to above were acquired and are held in the ordinary course of business and were not acquired and are not held for the purpose of or with the effect of changing or influencing the control of the issuer of the securities and were not acquired and are not held in connection with or as a participant in any transaction having that purpose or effect.
