INTRODUCTION

This proxy statement is furnished in connection with the solicitation of proxies for use at the annual meeting of stockholders of Hemispherx to be held on Wednesday, August 14, 2002, and at any adjournments.

The accompanying proxy is solicited by the Board of Directors of Hemispherx and is revocable by the stockholder by notifying Hemispherx's Corporate Secretary at any time before it is voted, or by voting in person at the annual meeting. OUTSTANDING SHARES AND VOTING RIGHTS

RECORD DATE; OUTSTANDING SHARES

Only stockholders of record at the close of business on June 17, 2002, are entitled to receive notice of, and vote at the annual meeting. As of June 17, 2002, the number and class of stock outstanding and entitled to vote at the meeting was 32,812,562 shares of common stock, par value \$.001 per share. Each share of common stock is entitled to one vote on all matters. No other class of securities will be entitled to vote at the meeting. There are no cumulative voting rights.

The nominees receiving the highest number of votes cast by the holders of common stock will be elected as Hemispherx's directors and constitute the entire board of directors of Hemispherx. The affirmative vote of at least a majority of the shares represented and voting at the annual meeting at which a quorum is present (which shares voting affirmatively also constitute at least a majority of the required quorum) is necessary for approval of Proposal No. 2. A quorum is representation in person or by proxy at the annual meeting of a majority of the outstanding shares of Hemispherx on the record date.

REVOCABILITY OF PROXIES

If you attend the meeting, you may vote in person, regardless of whether you have submitted a proxy. Any person giving a proxy in the form accompanying this proxy statement has the power to revoke it at any time before it is voted. It may be revoked by filing, with the

Edgar Filing: HEMISPHERX BIOPHARMA INC - Form DEFR14A

PA 19103, a written notice of revocation or a duly executed proxy bearing a later date, or it may be revoked by attending the meeting and voting in person.

VOTING AND SOLICITATION

Every stockholder of record is entitled, for each share held, to one vote on each proposal or item that comes before the meeting. There are no cumulative voting rights. By submitting your proxy, you authorize William A. Carter and Ransom W. Etheridge and each of them to represent you and vote your shares at the meeting in accordance with your instructions. Messrs. Carter and Etheridge and each of them may also vote your shares to adjourn the meeting from time to time and will be authorized to vote your shares at any adjournment or postponement of the meeting.

Hemispherx has borne the cost of preparing, assembling and mailing this proxy solicitation material. The total cost estimated to be spent and the total expenditures to date for, in furtherance of, or in connection with the solicitation of stockholders is approximately \$35,000 Hemispherx may reimburse brokerage firms and other persons representing beneficial owners of shares for their expenses in forwarding soliciting materials to beneficial owners. Proxies may be solicited by certain of Hemispherx's directors, officers and employees, without additional compensation, personally, by telephone or by facsimile.

We have hired the firm of MacKenzie Partners, Inc. to assist in the solicitation of proxies on behalf of the Board of Directors. MacKenzie has agreed to perform this service for a proposed fee of \$5,000.00 plus out-of-pocket expenses.

ADJOURNED MEETING

The chair of the meeting may adjourn the meeting from time to time to reconvene at the same or some other time, date and place. Notice need not be given of any such adjournment meeting if the time, date and place thereof are announced at the meeting at which the adjournment is taken. If the time, date and place of the adjournment meeting are not announced at the meeting which the adjournment is taken, then the Secretary of the Corporation shall give written notice of the time, date and place of the adjournment meeting not less than ten (10) days prior to the date of the adjournment meeting. Notice of the adjournment meeting also shall be given if the meeting is adjourned in a single adjournment to a date more than 30 days or in successive adjournments to a date more than 120 days after the original date fixed for the meeting.

TABULATION OF VOTES

The votes will be tabulated and certified by Hemispherx's transfer agent.

VOTING BY STREET NAME HOLDERS

If you are the beneficial owner of shares held in "street name" by a broker, the broker, as the record holder of the shares, is required to vote those shares in accordance with your instructions. If you do not give instructions to the broker, the broker will nevertheless be entitled to vote the shares with respect to "discretionary" items but will not be permitted to vote the shares with respect to "non-discretionary" items (in which case, the shares will be treated as "broker non-votes").

QUORUM; ABSTENTIONS; BROKER NON-VOTES

The required quorum for the transaction of business at the annual meeting is a majority of the shares of common stock entitled to vote at the annual meeting, in person or by proxy. Shares that are voted "FOR," "AGAINST" or "WITHHELD FROM" a matter are treated as being present at the meeting for purposes of establishing a quorum and are also treated as shares represented and voting the votes cast at the annual meeting with respect to such matter.

While there is no definitive statutory or case law authority in Delaware as to the proper treatment of abstentions, Hemispherx believes that abstentions should be counted for purposes of determining both: (i) the presence or absence of a quorum for the transaction of business; and (ii) the total number of votes cast with respect to a proposal (other than the election of directors). In the absence of controlling precedent to the contrary, Hemispherx intends to treat abstentions in this manner. Accordingly, abstentions will have the same effect as a vote against the proposal (other than the election of directors).

Under current Delaware case law, while broker non-votes (i.e. the votes of shares held of record by brokers as to which the underlying beneficial owners have given no voting instructions) should be counted for purposes of determining the presence or absence of a quorum for the transaction of business, broker non-votes should not be counted for purposes of determining the number of votes cast with respect to the particular proposal on which the broker has expressly not voted. Hemispherx intends to treat broker non-votes in this manner. Thus, a broker non-vote will make a quorum more readily obtainable, but the broker non-vote will not otherwise affect the outcome of the voting on a proposal.

DEADLINE FOR RECEIPT OF STOCKHOLDER PROPOSALS

Proposals of stockholders to be considered for inclusion in the Proxy Statement and proxy card for the 2003 Annual Meeting of Stockholders must be received by the Company's Secretary, at Hemispherx Biopharma, Inc., 1617 JFK Boulevard, Philadelphia, PA 19103 no

Provided, however, in the event that the stockholder proposal relates to the nomination of candidates for director and the number of directors to be elected to the Board of Directors of the Company at an annual meeting is increased and there is no public announcement by the Company naming all of the nominees for director or specifying the size of the increased Board of Directors at least one hundred days prior to the first anniversary of the preceding year's annual meeting, a stockholder's notice shall also be considered timely, but only with respect to nominees for any new positions created by such increase, if it shall be delivered to the Secretary at the principal executive offices of the Company not later than the close of business on the tenth day following the day on which such public announcement is first made by the Company. All stockholder proposals must contain all of the information required under the Company's Bylaws, a copy of which is available upon written request, at no charge, from the Secretary. Compensation Committee Report on Compensation

The Compensation Committee makes recommendations concerning salaries and compensation for employees of and consultant to Hemispherx. In general, the Compensation Committee seeks to link the compensation paid to each executive officer to the performance of such executive officer.

Within these parameters, the executive compensation that is competitive with companies of comparable size and with similar market and operating characteristics.

The Company's policy is that executive compensation should be directly and materially related to the short-term and long-term operating performance and objectives of the Company. As such, the Compensation Committee has determined that compensation of executive officers should include a mixture of short and long range compensation elements which are intended to attract, motivate and retain competent executive personnel, increase executive ownership

Edgar Filing: HEMISPHERX BIOPHARMA INC - Form DEFR14A

interests in the Company and improve operating performance of the Company.

There are three elements in Hemispherx's executive compensation program, all determined by individual and corporate performance:

- *Base salary
- *Annual incentive
- *Long-term incentive

Base Salary

In establishing base salary levels for individual executives, the Compensation Committee will consider factors such as the executive's scope of responsibility, current and future potential performance, and overall competitive positioning relative to comparable positions at other companies. The objective of the Company is to structure salaries that are competitive with those of similarly situated companies.

The Summary Compensation Table shows amounts earned during 2001 by our executive officers. The base salary compensation for each of Dr. William A. Carter and Robert E. Peterson is set by the terms of the employment engagement agreement entered into with each Executive Officer. Hemispherx established the base salary for its Chief Executive Officer, Dr. William A. Carter under an employment agreement dated December 31, 1998 for a base salary of \$361,586 until May 8, 2004. Hemispherx also extended its engagement agreement with Robert E. Peterson, Chief Financial Officer, which provides for a base salary of \$146,880 until December 31, 2002. Dr. Carter's and Mr. Peterson's agreements provide for annual cost of living

18

increases. Dr. Carter's compensation also includes funds previously paid to Dr. Carter by Hahnemann Medical University where he served as a professor until 1998. This compensation was continued by company and totaled \$79,826 in each of 1999, 2000 and 2001.

Annual Incentives

Annual incentive bonus awards are granted from time to time to executives in recognition of their contribution to the Company's business and operations, as measured against competitors of the company and the Company's internal budgets and operating plans.

Under the terms of their respective agreements with the Company, our Chief Executive Officer and President, Dr. William A. Carter, and our Chief Financial Officer, Robert E. Peterson, may receive an annual incentive bonus as determined by the Compensation Committee based on such executive officer's performance during the previous calendar year. The cash bonus awarded to the Company's Chief Executive Officer in 1999 and 2000 was determined on provisions of his employment agreement.

Long-Term Incentives

The Company grants long-term incentive awards periodically to align a significant portion of the executive compensation program with shareholder interests over the long-term through encouraging and facilitating executive stock ownership. Executives are eligible to participate in the Company's incentive stock option plans. In 2001 the Compensation Committee approved a grant of 376,650 warrants to our Chief Executive Officer and President, Dr. William Carter. This grant consists of 188,325 warrants to purchase common stock at \$6.00 per share and 188,325 warrants to purchase common stock at \$9.00 per share. All warrants expire on February 22, 2006 unless previously exercised. Also, our Chief Financial Officer, Robert E. Peterson was granted 30,000 warrants to purchase common stock at \$5.00 per share which expires April 30, 2006 unless previously exercised.

Chief Executive Officer Compensation

The Summary Compensation Table shows that during the year 2001 the Company's Chief Executive Officer and President, Dr. William A. Carter earned \$376,782 in base compensation pursuant to the terms of his employment agreement. In addition, Dr. Carter's compensation in 2001 also includes funds previously paid by Hahnemann University where he served as a Professor until 1998. In 2001, Dr. Carter also received an aggregate of \$21,949 in short term advances bearing interest at 6% per annum, of which the outstanding balance was repaid as of April 3, 2002.

The Compensation Committee believes that Dr. Carter's total compensation is consistent with the median compensation for CEO's in comparable companies. Factors reviewed by the Compensation Committee's assessment of the Company's and the CEO's performance include individual performance, growth in revenue and expense management and implementation of the Company's business strategy.

Compliance With Internal Revenue Code Section 162(m).

One of the factors the Compensation Committee considers in connection with compensation matters is the anticipated tax treatment to Hemispherx and to the executives of the compensation arrangements. The deductibility of certain types of compensation depends upon the timing of an executive's vesting in, or exercise of, previously granted rights. Moreover, interpretation of, and changes in, the tax laws and other factors beyond the Compensation Committee's control

19

also affect the deductibility of compensation. Accordingly, the Compensation Committee will not necessarily limit executive compensation to that deductible under Section 162(m) of the Code. The Compensation Committee will consider various alternatives to preserving the deductibility of compensation payments and benefits to the extent consistent with its other compensation objectives.

PROPOSAL NO. 2

RATIFICATION OF SELECTION OF AUDITORS

The Board of Directors, upon the recommendation of the Audit Committee, has appointed the firm of BDO Seidman,

Edgar Filing: HEMISPHERX BIOPHARMA INC - Form DEFR14A

LLP as independent auditors of Hemispherx for the fiscal year ending December 31, 2002 subject to ratification by the stockholders. BDO Seidman, LLP has served as Hemispherx's independent auditors since June, 2000.

The firm of KPMG LLP audited the consolidated balance sheets of Hemispherx and its subsidiaries as of December 31, 1999 and 1998, and the related consolidated statements of operations, stockholders' equity (deficit), and cash flows for each of the years in the three-year period ended December 31, 1999.

KPMG LLP informed the Company on May 3, 2000 that the client-auditor relationship was ceased. On May 3, 2000, with the prior approval of the Board of Directors, the Company informed KPMG that the client-auditor relationship with the Company had ceased and on May 10, 2000 filed a Form 8-K with the SEC, which Form 8-K is hereby incorporated by reference and a copy of which is available, at no charge, from the Secretary.

The reports of KPMG LLP on our financial statements for the years ended December 31, 1998 and December 31, 1999 contained no adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles. In connection with its audits for the years ended December 31, 1998 and 1999 and, prior to the disengagement of KPMG LLP, we had no disagreements with KPMG LLP on matters of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements if not resolved to the satisfaction of KPMG LLP would have caused them to make reference thereto in their report on the consolidated financial statement for such years.

On June 5, 2000, pursuant to a vote of the Board of Directors, the firm BDO Seidman, LLP was selected to audit the financial statements of Hemispherx for the year ending December 31, 2000, which was ratified by the stockholders of the Company at its 2000 Annual Meeting of Stockholders.

At the Annual Shareholder's Meeting on August 24, 2001 and pursuant to the recommendation of the Audit Committee of the Board of Directors, shareholders ratified the appointment of the firm of BDO Seidman, LLP, as independent accountants, to audit the financial statements of the Company for the year end December 31, 2001.

All audit services provided by BDO Seidman, LLP are approved by the Audit Committee. During 2001, BDO Seidman, LLP performed certain non-audit services for the Company. A summary of the audit and non-audit fees paid to BDO Seidman, LLP in 2001 is as follows:

Audit Fees - The aggregate fees billed by BDO Seidman, LLP for professional services rendered for the audit of the Company's financial statements for the year ending December 31, 2001 and limited reviews of the Company's quarterly filings with the SEC was approximately \$92,157.

Edgar Filing: HEMISPHERX BIOPHARMA INC - Form DEFR14A

All Other Fees - The aggregate fees billed to the Company by BDO Seidman, LLP for all other services, such as financing and taxes, was approximately \$6,407.

The Audit Committee has considered whether the provision by BDO Seidman, LLP of the non-audit services discussed above under "All Other Fees" is compatible with maintaining BDO Seidman LLP's independence and has concluded that providing such services is compatible with that firm's independence from the Company and its management.

The Board of Directors considers BDO Seidman, LLP to be well qualified to serve as the independent public accountants of the Company. If, however, the shareholders do not ratify the appointment of BDO Seidman, LLP, the Board of Directors may, but is not required to, reconsider the appointment. It is anticipated that a representative of BDO Seidman, LLP will be present at the Annual Meeting and will be available to respond to appropriate questions.

The affirmative vote of at least a majority of the shares represented and voting at the Annual Meeting at which a quorum is present (which shares voting affirmatively also constitute at least a majority of the required quorum) is necessary for approval of Proposal No. 2. Under Delaware law, there are no rights of appraisal or dissenter's rights, which arise as a result of a vote to ratify the selection of auditors.

THE BOARD OF DIRECTORS DEEMS PROPOSAL NO. 2 TO BE IN THE BEST INTERESTS OF HEMISPHERX AND ITS STOCKHOLDERS AND RECOMMENDS A VOTE "FOR" APPROVAL THEREOF.

26

GENERAL

Unless contrary instructions are indicated on the proxy, all shares of common stock represented by valid proxies received pursuant to this solicitation (and not revoked before they are voted) will be voted FOR the election of all directors nominated and FOR Proposal No. 2.

The Board of Directors knows of no business other than that set forth above to be transacted at the meeting, but if other matters requiring a vote of the stockholders arise, the persons designated as proxies will vote the shares of common stock represented by the proxies in accordance with their judgment on such matters. If a stockholder specifies a different choice on the proxy, his or her shares of common stock will be voted in accordance with the specification so made.

IT IS IMPORTANT THAT PROXIES BE RETURNED PROMPTLY. WE URGE YOU TO FILL IN, SIGN AND RETURN THE ACCOMPANYING FORM OF PROXY IN THE PREPAID ENVELOPE PROVIDED, NO MATTER HOW LARGE OR SMALL YOUR HOLDINGS MAY BE.

By Order of the Board of Directors,
Ransom W. Etheridge, Secretary
