5. CORPORATE RISK MAP

Following the decisions of its leaders and through its Risk Vice Presidency, BANCOLOMBIA has set forth procedures that will integrate the risk concept into the strategic decision-making process.

In order to integrate risk analysis into BANCOLOMBIA's strategic planning process, the development of the Corporate Risk Map was initiated. This map assists in the identification of risks that would hinder or prevent BANCOLOMBIA from meeting its business objectives and facilitates the analysis and implementation of strategies to mitigate such risks.

The Corporate Risk Map is considered the main tool used by leading entities to:

- Identify the organization's risk profile;
- Identify the risks inherent in every new or existing business;
- Analyze the effectiveness and cost benefit ratio of the existing mitigation strategies;
- Select businesses based on their returns and their risks.

Given that one of the BANCOLOMBIA's main challenges is growth, which could lead to the penetration of new segments and businesses in which it lacks former experience, it is necessary that these initiatives analyze the risk-return ratio from the very beginning.

Consequently, the Bank's senior management and its affiliates are currently developing this Corporate Risk Map, which will enable us to obtain benefits by establishing an adequate balance of the assumed risk and the expected return, in such a way that it ensures the creation of shareholder value.

6. RECOGNITIONS AND OTHER DEVELOPMENTS

- In September 2003, BANCOLOMBIA was named for the second consecutive year as Bank of the Year in Colombia by the magazine The Banker.

Edgar Filing: BANCOLOMBIA SA - Form 6-K

- Last September, BANCOLOMBIA received from American Express, the international distinction "Exceptional Marketing Award" in recognition of BANCOLOMBIA's integral strategy in launching the AMERICAN EXPRESS Card.
- On November 1st, 2003, BANCOLOMBIA signed a collective bargaining agreement with the labor union, Sintrabancol, and the industry union, Uneb. This agreement will be effective from November 2003 until October 2005.
