Use of Proceeds

The net proceeds of this offering after deducting the underwriting discounts and commissions and estimated offering expenses payable by us, are expected to be approximately \$1.98 billion. We intend to use the net proceeds from this offering to repay all or a portion of Affiliated Computer Services, Inc.'s (ACS) senior credit facility upon completion of the merger and any remaining amounts to fund a portion of the cash consideration for our acquisition of ACS and to pay certain fees and expenses relating to the merger.

Underwriting

We estimate that our total expenses of this offering will be approximately \$1.80 million.

Affiliates of each of the underwriters have committed to provide us with interim financing in the aggregate amount of \$3.00 billion. These commitments will be reduced to approximately \$1.02 billion upon consummation of this offering.

This information updates and supersedes the information in our Preliminary Prospectus Supplement, Subject to Completion dated December 1, 2009 (To Prospectus Dated December 1, 2009).
