CONTROLS AND PROCEDURES

Disclosure controls and procedures are defined by the Securities and Exchange Commission as controls and other procedures of an issuer that are designed to ensure that information required to be disclosed by the issuer in the reports that it files or submits under the Exchange Act is recorded, processed, summarized and reported within the time periods specified in the Securities and Exchange Commission's rules and forms. Disclosure controls and procedures include, without limitation, controls and procedures designed to ensure that information required to be disclosed by an issuer in the reports that it files or submits under the Exchange Act is accumulated and communicated to the issuer's management, including its principal executive and principal financial officers, or persons performing similar functions, as appropriate to allow timely decisions regarding required disclosure.

The Registrant's principal executive and principal financial officers (its Chief Executive Officer and Chief Financial Officer) evaluated the effectiveness of the Registrant's disclosure controls and procedures as of the end of the period covered by this annual report on Form 40-F. Based upon that evaluation, the Chief Executive Officer and Chief Financial Officer concluded that the Registrant's disclosure controls and procedures are effective as of December 31, 2009.

Internal control over financial reporting is a process designed by, or under the supervision of, the Registrant's Chief Executive Officer and Chief Financial Officer, management and other personnel, to provide reasonable assurance regarding the reliability of financial reporting and preparation of the Registrant's consolidated financial statements for external purposes in accordance with Canadian generally accepted accounting principles (GAAP), including a reconciliation to United States GAAP. Internal control over financial reporting includes policies and procedures that:

- pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Registrant;

- provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with GAAP, and that receipts and expenditures are being made only in accordance with authorizations of management and directors of the Registrant; and

- provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use or disposition of the Registrant's assets that could have a material effect on the financial statements.

There have been no changes during the year ended December 31, 2009 to internal control over financial reporting that have materially affected, or are reasonably likely to materially affect, internal control over financial reporting.

The design of any system of controls and procedures is based in part upon certain assumptions about the likelihood of future events. There can be no assurance that any design will succeed in achieving its stated goals under all potential future conditions, regardless of how remote.

INTERNAL CONTROL OVER FINANCIAL REPORTING

Management's Report on Internal Control over Financial Reporting is provided on page 45 of the Registrant's Management's Discussion and Analysis in Exhibit 99.2.

AUDIT COMMITTEE FINANCIAL EXPERT

The Registrant's Board of Directors has determined that it has at least one audit committee financial expert serving on its Audit, Finance and Risk Committee (Audit Committee). Mr. A. Terence Poole has been determined to be such Audit Committee financial expert and is independent, as that term is defined by Nasdaq's corporate governance standards applicable to the Registrant. The Commission has indicated that the designation of Mr. Poole as an audit committee financial expert does not make Mr. Poole an expert for any other purpose, impose any duties, obligations or liability on Mr. Poole that are greater than those imposed on members of the Audit Committee and board of directors who do not carry this designation or affect the duties, obligations or liability of any other member of the Audit Committee.

CODE OF ETHICS

The Registrant has adopted a code of ethics that applies to directors, officers and employees including the Registrant's principal executive officer, principal financial officer and principal accounting officer. A copy of the Registrant's code, entitled "Code of Business Conduct", can be found on the Registrant's website at www.methanex.com. No waivers from or material amendments to the provisions of the Code were made in 2009.

PRINCIPAL ACCOUNTANT FEES AND SERVICES

The Audit Committee oversees the Audit and Non-Audit Pre-Approval Policy, which sets forth the procedures and the conditions under which permissible services proposed to be performed by KPMG LLP, the Registrant's external auditors, are pre-approved. The Audit Committee has delegated to the Chair of the Audit Committee pre-approval authority for any services not previously approved by the Audit Committee. All such services approved by the Chair of the Audit Committee are subsequently reviewed by the Audit Committee.

All non-audit service engagements, regardless of the cost estimate, are required to be coordinated and approved by the Chief Financial Officer to further ensure that adherence to this policy is monitored.
