**INFORMATION STATEMENT
WE ARE NOT ASKING YOU FOR A PROXY AND
YOU ARE REQUESTED NOT TO SEND US A PROXY**

We are sending you this information statement to inform you of the actions to be taken by the holders of a majority of our outstanding common stock by written consent in lieu of our 2011 annual meeting of shareholders.

What actions are to be taken by the written consent in lieu of an annual meeting?

The holders of a majority of our outstanding common stock executed a written consent:

1. The election of a Board of Directors consisting of seven members, to hold office until their successors are duly elected and qualified at the next annual meeting of our shareholders to be held in 2012 or until the earlier of their death, resignation, or removal;
2. The advisory vote on executive compensation;
3. The advisory vote on the frequency of holding an advisory vote on executive compensation; and
4. The ratification of Eide Bailly LLP as our independent registered public accounting firm for fiscal year ending September 30, 2011.

How many shares were voted for the actions?

The approval and adoption of each of the actions taken by written consent in lieu of an annual meeting requires the consent of the holders of a majority of the shares of our outstanding common stock. On October 31, 2011, we had 19,927,204 outstanding shares of our common stock on the record date. Each share of our common stock is entitled to one vote. The nine holders of 12,403,537 shares of our common stock, representing 62.4% of our outstanding common stock shares entitled to vote on the record date, will execute a written consent in lieu of an annual meeting that will be effective on or following December 9, 2011. Under the Oklahoma General Corporation Act and our bylaws, shareholder action may be taken by written consent without a meeting of shareholders. The written consent of the holders of a majority of our outstanding common stock will be sufficient under the Oklahoma General Corporation Act and our articles of incorporation and bylaws to approve the actions described above. As a result, all actions described in this information statement will be effected on December 9, 2011, without any further action or vote by shareholders.

Action 1 Election of Directors

Our Bylaws provide that the Board of Directors consists of that number of members as the Board of Directors may from time to time determine by resolution or election, but not less than one. Our Board of Directors currently consists of seven members.

Action 2 Advisory Vote on Executive Compensation

In accordance with Section 14A of the Securities Exchange Act of 1934, as amended, our shareholders are exercising the opportunity to vote to approve, on a non-binding, advisory basis, the compensation of Danny C. Wright, Brett Wimberley, Bradley W. Denison, Rita W. McKeown and Susan Matthews (our Named Executive Officers). This voting opportunity is not intended to address any specific element of compensation; rather, the voting opportunity relates to the compensation of our Named Executive Officers, as described in this information statement in accordance with the compensation disclosure rules of the U.S. Securities and Exchange Commission.

Compensation Program Highlights

As described in greater detail under *Compensation Discussion and Analysis*, our compensation system is designed to:

- attract, retain and motivate our Named Executive Officers with the competence, knowledge, leadership skills and experience to grow our profitability;
- align the interests of our Named Executive Officers with the interests of our shareholders by basing a significant majority of each Named Executive Officer s total compensation on individual and corporate performance; and
- encourage both a short-term and long-term focus, while avoiding excessive risk taking.

To achieve these objectives, total compensation for the Named Executive Officers is weighted heavily toward incentive compensation rather than base salary, and a substantial majority of the incentive compensation of Mr. Denison and Ms. McKeown consists of stock option awards. We believe that the compensation of our Named Executive Officers for the fiscal year ended September 30, 2010 was appropriate and reasonable, and that our compensation programs are sound and in our best interest and that of our shareholders.

For the above reasons, nine holders of 12,403,537 shares of our common stock, representing 62.4% of the shares of our common stock entitled to vote on the record date, will execute a written consent in lieu of an annual meeting to indicate their support for the compensation of our Named Executive Officers. That consent and the ratification will be effective on or following December 9, 2011. Even though this vote is advisory and not binding on us or our Board of Directors in any way, we value the opinions of our shareholders expressed through their vote on this proposal. Accordingly, our Stock Option and Compensation Committee will consider this vote in making future compensation decisions with respect to our Named Executive Officers.

Table of Contents

Action 5 Advisory Shareholder Vote on the Frequency of Holding an Advisory Vote on Executive Compensation

We are providing our shareholders with the opportunity to vote, on a non-binding, advisory basis, for their preference as to how frequently we should seek future advisory votes on the compensation of our executive offices named in our executive officer compensation disclosure in accordance with the rules of the U.S. Securities and Exchange Commission. By voting with respect to this proposal, our shareholders may indicate whether they would prefer that we conduct future advisory votes on executive compensation every one, two or three years.

Our Board of Directors has determined that an annual advisory vote on executive compensation will allow our shareholders to provide timely, direct input on the executive compensation philosophy, policies and practices as disclosed in our either the information statement or proxy statement and annual report each year. Our Board of Directors believes that an annual vote is therefore consistent with our efforts to engage in an ongoing dialogue with our shareholders on executive compensation and corporate governance matters.

We recognize that some of our shareholders may have different views as to the best approach and although this vote is advisory and not binding on us or our Board of Directors in any way, our Board of Directors have concluded that it is in our best interests and those of our shareholders to hold an advisory vote on executive compensation each year. This same view is held by nine holders of 12,403,537 shares of our common stock, representing 62.4% of the shares of our common stock entitled to vote on the record date and will execute a written consent in lieu of an annual meeting to require this advisory shareholder vote annually rather than less frequently. That consent and the ratification will be effective on or following December 9, 2011.

Action 5 Ratification of Appointment of Independent Registered Public Accounting Firm

Nine holders of 12,403,537 shares of our common stock, representing 62.4% of the shares of our common stock entitled to vote on the record date, will execute a written consent in lieu of an annual meeting ratifying the appointment of Eide Bailly LLP, as our independent registered public. That consent and the ratification will be effective on or following December 9, 2011.

We have reviewed and discussed with management our audited financial statements as of and for the fiscal year ended September 30, 2010 included in our Annual Report on Form 10-K.

We discussed with Eide Bailly LLP the matters required to be discussed by Statement on Auditing Standards No. 61, *Communication with Audit Committees*, as amended. In addition to the review and pre-approval processes described above, in 2010 and beyond, as provided for in the Audit Committee Charter referred to below, the Committee pre-approved and intends to continue pre-approving all audit and non-audit services to be provided by the independent auditors by delegating to the Chairman of the Audit Committee the authority to pre-approve any audit or non-audit services to be performed by the independent auditors, provided that each approval be presented to the Audit Committee at its next scheduled meeting.

COMPENSATION DISCUSSION AND ANALYSIS

Overall Philosophy

Our Executive Compensation program is designed to attract, motivate and retain qualified executives, reward outstanding performance and results and align management's incentives with the interests of our shareholders. We believe that our executive officers should be motivated by our performance as well as their individual performance. To accomplish these objectives, our executive compensation program includes three underlying components: base salary, short-term cash incentives and long-term equity-based incentives. The following sections describe the process of setting executive compensation, the compensation elements, how these elements are determined, why we choose to pay each element and how each element relates to our overall compensation philosophy.

Base Salary Program

Our base salary program is based on a philosophy of providing base pay levels that are competitive with similarly situated companies in the industries in which we operate. We periodically review our executive pay levels to assure consistency with the external market. Annual salary adjustments are based on several factors including the general level of market salary increases, individual performance and long-term value to us, competitive base salary levels and our overall financial and operating results.

Long-Term Incentives

Long-term incentives consist of equity-based compensation including awards of stock options and restricted stock that vest over a period of time. We believe this vesting period motivates our executive officers to focus their efforts on our long-term goals and aligns the executives' interests with those of our shareholders because the ultimate value of the equity-based compensation is linked directly to the market price of our stock.

Table of Contents

We rely primarily on stock options to provide long-term incentive compensation because of the favorable tax treatment of stock options to employees. Stock options typically have a 10-year term before expiration and generally become exercisable or vest in 33% cumulative increments per year following the grant date. Executives must be employed by us at the time of vesting in order to exercise the options. The exercise price of the options is based on the closing stock price on the date of grant.

Employment Contracts and Termination of Employment

We have employment agreements with Danny C. Wright, Brett Wimberley and Susan Matthews.

Pursuant to the employment agreement with Danny C. Wright, he serves as the President and Chief Executive Officer of our subsidiary, AHC Benefit Marketing Acquisition, Inc. The initial term of the agreement commenced on March 1, 2007. The term of this agreement is automatically extended for an additional one-year term, unless either notice of termination is given on or before December 1 in the year of termination. We agreed to pay to Mr. Wright a base annualized salary of \$200,000. In addition to the base salary, Mr. Wright is eligible to be considered for annual bonuses to be determined by our Board of Directors. In May 2010 Mr. Wright's employment agreement was amended to increase his salary to \$325,000 annually.

Pursuant to the employment agreement with Brett Wimberley, he serves as the Chief Operating Officer of our subsidiary, AHC Benefit Marketing Acquisition, Inc. The initial term of this agreement commenced on March 1, 2007. The term of this agreement is automatically extended for an additional one-year term, unless either notice of termination is given not less than to the other on or before December 1 in the year of termination. We agreed to pay to Mr. Wimberley a base annualized salary of \$175,000. In addition to the base salary, Mr. Wimberley is eligible to be considered for annual bonuses to be determined by our Board of Directors. In May 2010 Mr. Wimberley's employment agreement was amended to increase his salary to \$300,000 annually.

Pursuant to the employment agreement with Susan Matthews, she serves as the Executive Vice President of our subsidiary, AHC Benefit Marketing Acquisition, Inc. The initial term of this agreement commenced on March 1, 2007. We agreed to pay to Ms. Matthews a base annualized salary of \$175,000. Effective October 1, 2010 Ms. Matthews' employment agreement was amended increasing her salary to \$200,000 annually. In addition to the base salary, Ms. Matthews is eligible to be considered for annual bonuses to be determined by our Board of Directors.

We do not maintain any key-man insurance covering the death or disability of any of our executive officers.

Retirement Plans

We offer each employee, including our executive officers, the opportunity to participate in our 401(k) plan.

Employees may contribute up to the maximum allowed by the Internal Revenue Service. The Company may elect to match a portion of their contributions. Effective August 1, 2007, we began matching 50% of the first 6% of our employees' compensation contributed to our 401(k) plan.

Perquisites

Other than the compensation elements described above, we do not provide any other benefits to our executive officers that would qualify as a perquisite for purposes of this Compensation Discussion and Analysis.

Table of Contents**Equity Compensation Plan**

The 2009 Stock Option Plan. For the benefit of our employees, directors and consultants we adopted the Access Plans,, Inc. 2009 Equity Compensation Plan (the 2009 Plan). The 2009 Plan was established to create equity compensation incentives designed to motivate our directors and employees to put forth maximum effort toward our success and growth and enable our ability to attract and retain experienced individuals who by their position, ability and diligence are able to make important contributions to our success. The 2009 Plan provides for the grant of stock options, including incentive stock options (within the meaning of Section 422 of the Internal Revenue Code of 1986, as amended (the Code)), restricted stock awards, performance units, performance bonuses and stock appreciation rights to our employees and the grant of nonqualified stock options, stock appreciation rights and restricted stock awards to non-employee directors, subject to the conditions of the 2009 Plan. The 2009 Plan is administered by our Stock Option and Compensation Committee. The number of shares of common stock authorized and reserved for issuance under the 2009 Plan is 2,550,000. As of September 30, 2010, options exercisable for the purchase of 2,270,111 common stock shares had been granted under the 2009 Plan.

The 2009 Plan consists of three separate plans, a Non-Executive Officer Participant Plan, an Executive Officer Participant Plan and a Non-Employee Director Participant Plan. Except for administration and the category of employees eligible to receive incentive awards, the terms of the Non-Executive Officer Participant Plan and the Executive Officer Participant Plan are identical. The Non-Employee Director Plan has other variations in terms and only permits the grant of nonqualified stock options and restricted stock awards. Each incentive award will be pursuant to a written award agreement. The 2009 Plan is designed to provide flexibility to meet our needs in a changing and competitive environment while minimizing dilution to our shareholders. We do not intend to use all incentive elements of the 2009 Plan at all times for each participant but will selectively grant the incentive awards and rights to achieve long-term goals.

The exercise price of qualifying incentive stock options may not be less than the fair market value of our common stock on the date of grant of the option. Upon the exercise of an option, the exercise price must be paid in full, in cash, in our common stock (at the fair market value thereof) or a combination thereof as permitted under the terms of the applicable stock option award agreement. Stock options awards, qualifying as incentive stock options, are exercisable only by an optionee during the period ending three months after the optionee ceases to be our employee. However, in the event of death or disability of the optionee, the incentive stock options awards are exercisable for one year following death or disability and in the event of the retirement of the optionee, the Board of Directors may designate an additional period for exercise. Stock option awards are generally not transferable except by will or by the laws of descent and distribution.

Our Board of Directors approved and adopted the 2009 Plan on October 13, 2009. The 2009 Plan became effective on December 4, 2009 and has a term ending October 30, 2019 during which incentive awards may be granted; the 2009 Plan will continue in effect until all matters relating to the payment of incentive awards and administration are settled. Upon the 2009 Plan becoming effective, the 1,601,787 stock options awarded and outstanding under our Alliance HealthCard, Inc. 2000 Stock Option Plan were reissued under the 2009 Plan and terminated. These reissued stock options have the same terms and conditions as those stock options awarded under the 2000 Stock Option Plan.

Accounting and Tax Considerations

Our stock-based awards are accounted for under the provisions of FASB ASC Topic 718-*Stock Compensation* using the modified prospective method. Under the modified prospective method, stock-based compensation cost is measured at the grant date based on the fair value of the award and is recognized as expense on a straight-line basis over the requisite service or vesting period.

As part of its role, our Stock Option and Compensation Committee reviews and considers the deductibility of executive compensation under Section 162(m) of the Internal Revenue Code, which provides that we may not deduct compensation of more than \$1,000,000 that is paid to certain individuals, unless the compensation is performance-based. We have no individuals with non-performance based compensation paid in excess of the Internal Revenue Code Section 162(m) tax deduction limit.

Officer and Director Liability and Indemnification

As provided by the Oklahoma General Corporation Act, each of our directors and officers is not liable to us or our shareholders for any action taken as a director or officer, or any failure to take any action, if the director or officer performed his or her duties in compliance with the Oklahoma General Corporation Act. A director is required to discharge his or her duties as a director, including those duties as a member of a committee, or an officer in a manner he or she believes in good faith to be in our best interests and with the care that an ordinarily prudent person in a like position would exercise under similar circumstances. In discharging his or her duties, a director or officer is entitled to rely on information, opinions, reports, or statements, including financial statements and other financial data, if prepared or presented by:

one or more of our officers or employees whom the director reasonably believes to be reliable and competent in the matters presented;

legal counsel, public accountants, investment bankers, or other persons as to matters the director reasonably believes are within the person's professional or expert competence; or

a committee of our Board of Directors of which he is not a member if the director reasonably believes the committee merits confidence.

However, neither a director nor an officer is entitled to rely on the foregoing if the director or officer has knowledge concerning the matter in question that makes reliance unwarranted.

The provisions of the Oklahoma General Corporation Act do not eliminate liability of a director or an executive officer for violations of federal securities laws, nor do they limit our and our shareholders' rights, in appropriate circumstances, to seek equitable remedies including injunctive or other forms of non-monetary relief. These remedies may not be effective in all cases.

The Oklahoma General Corporation Act requires us to indemnify all of our directors, officers, employees and agents. Under these provisions, when an individual in his or her capacity as an officer or a director is made or threatened to be made a party to any suit or proceeding, the individual may be indemnified if he or she acted in good faith. These indemnification provisions are not exclusive of any other rights to which the individual may be entitled. Insofar as indemnification for liabilities arising under the Oklahoma General Corporation Act or otherwise may be permitted to its directors and officers, we have been advised that in the opinion of the United States Securities and Exchange

Commission the indemnification is against public policy and is, therefore, unenforceable.

In connection with our annual meeting of shareholders to be held in 2012, if we do not receive notice of a matter or proposal to be considered by January 15, 2012 then the persons appointed by our Board of Directors to act as the proxies for that annual meeting (named in the form of proxy) will be allowed to use their discretionary voting authority with respect to any such matter or proposal at the annual meeting, if the matter or proposal is properly raised at the annual meeting and put to a shareholder vote.

Table of Contents**SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE**

Section 16(a) of the Securities Exchange Act of 1934 requires our directors, executive officers and persons who own more than 10% of our outstanding common stock to file with the U.S. Securities and Exchange Commission reports of changes in ownership of our common stock held by them. Officers, directors and greater than 10% shareholders are also required to furnish us with copies of all forms they file under this regulation.

The rules of the U.S. Securities and Exchange Commission require us to disclose late filings of stock transaction reports by our executive officers and directors. During the fiscal year ended September 30, 2010, some of our Directors and some of our executive officers failed timely to report their awards of stock options as detailed in the following chart:

Reporting Person	Transaction Date	Number of Securities	Type of Securities
Bradley Denison	8/2/2010	500,000	Common Stock Options
Russell Cleveland	8/2/2010	5,000	Common Stock Options
Larry Gerdes	8/2/2010	5,000	Common Stock Options
Larry Gerdes	2/9/2010	5,000	Common Stock Options
French Hill	8/2/2010	5,000	Common Stock Options
David Huguelet	8/2/2010	100,000	Common Stock Options
Mark Kidd	2/9/2010	5,000	Common Stock Options
Mark Kidd	8/2/2010	5,000	Common Stock Options
Rita McKeown	8/2/2010	50,000	Common Stock Options
John Simonelli	2/9/2010	5,000	Common Stock Options
John Simonelli	8/2/2010	5,000	Common Stock Options

Although the reporting for some of the above options was late with respect to the date our Board of Directors approved the awards, they were not late with regard to when the option agreements were delivered to the recipient. For the remainder of the options there was a clerical misunderstanding that has now been corrected. Other than the named directors and executive officers, based solely on a review of the copies of the reports furnished to us and representations that no other reports were required, all Section 16(a) filing requirements applicable to our directors, officers and greater than 10% shareholders were complied with during the fiscal year ended September 30, 2010. Although it is not our obligation to file reports of our directors and executive officers pursuant to Section 16 of the Securities Exchange Act of 1934, we have adopted a policy requiring all Section 16 reporting persons to report to our Chief Financial Officer all trading activity in our common stock and derivatives on the day of any trade to facilitate the timely filing of the reports of such trading activity with the U.S. Securities and Exchange Commission. The failure of any of our directors or executive officers to timely report trading activities in our common stock or the award of restricted stock or stock options is a violation of our Code of Conduct and subject to violation waivers by our Board of Directors.
