Item 1.01. Entry into a Material Definitive Agreement.

On August 5, 2008, Chicago Bridge & Iron Company N.V. (the Company) entered into amendments to its \$1.1 billion Second Amended and Restated Credit Agreement (between the Company, certain subsidiaries of the Company, JPMorgan Chase Bank, National Association, as administrative agent, and certain other lenders party thereto), \$200 million Term Loan Agreement (between the Company, Chicago Bridge & Iron Company, JPMorgan Chase Bank, National Association, as administrative agent, and certain other lenders party thereto) and \$275 million of Letter of Credit and Term Loan Agreements (between the Company, Chicago Bridge & Iron Company, CBI Services, Inc., CB&I Inc., CB&I Tyler Company, Bank of America, N.A., JPMorgan Chase Bank, National Association, and the other lenders party thereto) (the Agreements). The amendments cure the Company's previously announced non-compliance of the maximum leverage ratio and minimum fixed charge ratio under the Agreements. The fees associated with utilizing the Agreements are dependent on the Company's trailing 12-month leverage ratio as of each quarter-end. The amended Agreements increase the utilization fees for letter of credit and cash borrowings by 0.375% to 1.00%, depending on the Company's quarterly leverage ratio.

The foregoing summary description of the amendments is qualified in its entirety by reference to the actual terms of the amendments, which are attached hereto as Exhibits 10.1, 10.2, and 10.3 and incorporated herein by reference. On August 6, 2008, the Company issued a press release announcing that it has finalized amendments to its senior lending agreements. The amendments provide the Company with continued access to the lending facilities for performance letters of credit, working capital and other corporate uses. A copy of the press release is attached as Exhibit 99.1 to this Current Report on Form 8-K and is incorporated herein by reference.
