**Item 4. Description of Securities.**

Under the Sun Microsystems, Inc. U.S. Non-Qualified Deferred Compensation Plan, as amended and restated effective June 30, 2003 (the Plan ), the Registrant provides Eligible Employees and Board Members, as defined therein, the opportunity to enter into agreements for the deferral of a specified amount or percentage of their cash compensation derived from base salary and incentive bonus awards or, in the case of Eligible Board Members, from retainer payments. The Registrant has entered into a trust agreement with a trustee under an irrevocable trust (the Trust ), the amounts allocated to which and the earnings thereon shall be used to satisfy the obligations of the Company under such agreements (the Obligations ). The Trust is a grantor trust for state and federal income tax purposes, and the assets of the Trust shall at all times be subject to the claims of the general creditors of the Company.

The amount of compensation to be deferred by each participating Eligible Employee or Board Member (individually, a Participant and collectively, the Participants ) is determined in accordance with the Plan based on elections by each Participant. Each Obligation is payable on a date or dates selected by each Participant at the time of enrollment. The Obligations are indexed to two or more investment funds selected by a committee (the Committee ) appointed by the Leadership Development and Compensation Committee of the Board of Directors, which administers the Plan, and such selected investment funds may vary from time to time, but in no event more frequently than quarterly. A Participant may select his or her investment options for new deferrals or contributions once per calendar quarter to become effective as of the first day of the following quarter. Each Participant's Obligation will be adjusted to reflect the positive or negative investment result of the selected investment option.

Except pursuant to a Qualified Domestic Relations Order, a Participant's right or the right of any other person to the Obligations is not subject to option nor assignable by voluntary or involuntary assignment or by operation, including without limitation to bankruptcy, garnishment, attachment or other creditor's process.

The Obligations are not subject to redemption, in whole or in part, prior to the distribution dates specified by each Participant without application to the Committee, and any adjustment thereto shall be determined at the sole discretion of the Committee. A ten percent (10%) penalty will be assessed for any such adjustment, other than adjustments made in the event of a Participant's Total Disability or Unforeseeable Emergency, as defined in the Plan. The Registrant reserves the right to amend or terminate the Plan at any time; provided, however, that no such action shall reduce a Participant's account under the Plan without the Participant's written consent.

**Item 5. Interests of Named Experts and Counsel.**

Not applicable.

**Item 6. Indemnification of Directors and Officers.**

Section 145 of the General Corporation Law of the State of Delaware, as amended, provides that under certain circumstances a corporation may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding whether civil, criminal, administrative or investigative, by reason of the fact that he or she is or was a director, officer, employee or agent of the corporation or is or was serving at its request in such capacity in another corporation or business association, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by him or her in connection with such action, suit or proceeding if he or she acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests

of the corporation and, with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful.

Section 11 of the Restated Certificate of Incorporation of the Registrant provides in effect that, subject to certain limited exceptions, the Registrant shall indemnify its directors and officers to the extent authorized or permitted by the General Corporation Law of the State of Delaware. The directors and officers of the Registrant are insured under policies of insurance maintained by the Registrant, subject to the limits of the policies, against certain losses arising from any claims made against them by reason of being or having been such directors or officers. Like indemnification and insurance is also provided to those employees of the Registrant who serve as administrators of the Plan. In addition, the Registrant has entered into contracts with certain of its directors providing for indemnification of such persons by the Registrant to the full extent authorized or permitted by law, subject to certain limited exceptions.

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement to include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
