PROXY STATEMENT
INFORMATION CONCERNING SOLICITATION AND VOTING**

Our Board of Directors is soliciting proxies for our 2005 Annual Meeting of Stockholders (the Annual Meeting). This Proxy Statement contains important information for you to consider when deciding how to vote on the matters brought before the Annual Meeting. Please read it carefully.

This Proxy Statement, a Proxy Card and the 2004 Annual Report to Stockholders will be mailed to stockholders on or about May 9, 2005.

Q: What is the record date for the Annual Meeting and how many shares of our common stock were outstanding on the record date?

A: Our Board of Directors has set April 25, 2005 as the record date for the Annual Meeting. On April 25, 2005 approximately 30,919,068 shares of our common stock were outstanding.

Q: Who is entitled to vote and how many votes do I have?

A: All stockholders who owned shares of our common stock on April 25, 2005 are entitled to vote at the Annual Meeting. Every stockholder is entitled to one (1) vote for each share of common stock held.

Q: How do I vote?

A: You may vote in person by attending the Annual Meeting or by completing and returning your proxy by mail or electronically using the Internet or by telephone. To vote your proxy by mail, mark your vote on the enclosed Proxy Card, then follow the directions on the Proxy Card. To vote your proxy using the Internet, see the instructions on the Proxy Card, and have the Proxy Card available when you access the Internet website. The home page will prompt you to enter your control number, then follow the instructions to record your vote. To vote your proxy using the telephone, see the instructions on the Proxy Card and have the Proxy Card available during the call. If you send in your card but do not mark any selections, your shares will be voted as recommended by our Board of Directors. Whether you plan to attend the Annual Meeting or not, we encourage you to vote by proxy as soon as possible.

Q: Can I change my vote?

A: You can revoke your proxy before the time of voting at the Annual Meeting in several ways:
by mailing a revised proxy dated later than the prior proxy;

by voting again at the Internet website;

by voting again using the telephone;

by voting in person at the Annual Meeting; or

by notifying our corporate secretary in writing that you are revoking your proxy. Your revocation must be received before the Annual Meeting to be counted.

Q: What constitutes a quorum for the Annual Meeting?

A: At least a majority of the shares of our common stock outstanding as of the record date must be present at the Annual Meeting in person or by proxy in order to hold the Annual Meeting and conduct business. This is called a

quorum. Your shares are counted as present at the Annual Meeting if you are either (i) present and vote in person at the Annual Meeting or (ii) have properly submitted a proxy via mail, Internet or telephone. Abstentions, broker non-votes and votes withheld from director nominees are considered as shares present at the Annual Meeting for the purposes of determining a quorum. A broker non-vote occurs when a broker or other nominee who holds shares for the owner of the shares does not vote on a particular proposal because the nominee does not have discretionary voting authority for that proposal and has not received voting instructions from the owner of the shares.

Table of Contents

Q: What is the voting requirement to approve each of the proposals?

A: For Proposal I, the election of directors, the two (2) individuals receiving the highest number of FOR votes will be elected. To pass, Proposal II, the ratification of the appointment of the independent registered public accounting firm, requires the affirmative FOR vote of at least a majority of the shares of our common stock present or represented by proxy at the Annual Meeting and entitled to vote.

Q: How are votes counted?

A: For Proposal I, you may vote FOR all of the nominees or you may elect to have your vote WITHHELD with respect to one or more of the nominees. Votes that are withheld will be excluded entirely and will have no effect in the election of directors. Similarly, if you hold your shares in a brokerage account in your broker's name (this is called street name) and you do not vote or instruct the broker how to vote the shares, or your broker does not have discretionary authority to vote in the election of directors, your shares will have no effect in the election of directors.

For Proposal II you may vote FOR, AGAINST or ABSTAIN. If you abstain from voting on Proposal II, it has the same effect as a vote against the proposal. If you hold your shares in a street name and you do not vote or instruct the broker how to vote the shares, or your broker does not have discretionary authority to vote, your shares will not be counted in the tally of the number of shares cast on Proposal II and therefore may have the effect of reducing the number of shares needed to approve the Proposal.

Finally, if you just sign and return your Proxy Card with no further instructions, your shares will be counted as a vote FOR each director nominee and FOR the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2005.

Q: Who is soliciting my vote and who pays for the solicitation of proxies?

A: This Proxy Statement is furnished in connection with the solicitation of your vote by our Board of Directors. We pay the costs of soliciting proxies from stockholders. We may reimburse brokerage firms and other persons representing beneficial owners of shares for their expenses in forwarding the voting materials to the beneficial owners. Directors, officers and regular employees may solicit proxies on our behalf personally, by telephone or by facsimile, without additional compensation.

Q: How does the Board of Directors recommend voting on the proposals?

A: Our Board of Directors recommends that you vote your shares FOR each of the nominees to the Board of Directors and FOR the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for the current fiscal year ending December 31, 2005.

Q: When are the stockholder proposals for the 2006 Annual Meeting of Stockholders due?

A: We anticipate holding our 2006 Annual Meeting of Stockholders on or about June 15, 2006. Stockholder proposals for our 2006 Annual Meeting of Stockholders, whether intended for inclusion in the Proxy Statement for such meeting or for presentation directly at such meeting, must be received at our principal executive offices by the close of business on January 9, 2006. In addition, notice of any stockholder proposals must be given in accordance with our Bylaws and all other applicable requirements including the rules and regulations of the United States Securities and Exchange Commission. If a stockholder fails to give notice of a stockholder proposal as required by our Bylaws or other applicable requirements, then the proposal will not be included in the Proxy Statement for the 2006 Annual Meeting and the stockholder will not be permitted to present the proposal to the stockholders for a vote at the 2006 Annual Meeting.

Q: Where are Introgen's principal executive offices?

A: Our principal executive offices are located at 301 Congress Avenue, Suite 1850, Austin, Texas 78701. Our telephone number is (512) 708-9310.

Board Meetings and Committees

Our Board of Directors held a total of six meetings during the calendar year ended December 31, 2004. During such period, the Board of Directors had a standing Audit Committee, Compensation Committee, Nominating and Corporate Governance Committee and Executive Committee. Each director attended at least 75% of his Board of Directors and Board committee meetings, except S. Malcolm Gillis, Ph.D., who attended 60% of the Board of Directors meetings for which he was a director and 100% of his Board committee meetings.

Audit Committee

The Audit Committee, which, during the calendar year ended December 31, 2004, consisted of directors William H. Cunningham, Ph.D. (Chairman), Charles E. Long and S. Malcolm Gillis, Ph.D., met four times and acted by written consent twice during the year. The Audit Committee monitors our system of internal controls, provides our Board of Directors with the results of its examinations and recommendations derived therefrom, outlines to the Board of Directors improvements made, or to be made, in internal accounting controls, monitors the qualifications and independence of our independent registered public accounting firm, pre-approves non-audit services of our independent registered public accounting firm, oversees our compliance with legal and regulatory requirements and provides to our Board of Directors such additional information and materials as it may deem necessary to make our Board of Directors aware of significant financial matters that require their attention. In discharging its duties, the Audit Committee is expected to:

- have the sole authority to appoint, retain, compensate, oversee, evaluate and replace the independent registered public accounting firm;

- review and approve the scope of the annual internal and external audit;

- review and pre-approve the engagement of our independent registered public accounting firm to perform audit and non-audit services and the related fees;

- meet independently with our internal auditing staff, independent registered public accounting firm and senior management;

- review the integrity of our financial reporting process;

- review our financial statements and disclosures in Securities and Exchange Commission filings;

- monitor compliance with our corporate codes of ethics; and

- review disclosures from our independent registered public accounting firm regarding Independence Standards Board Standard No. 1.

The Board of Directors believes that each member of the Audit Committee is an independent director as that term is defined by the Nasdaq listing standards and Rule 10A-3 of the Securities Exchange Act of 1934. The Board of Directors has determined that S. Malcolm Gillis, Ph.D. is an audit committee financial expert, as defined by the Securities and Exchange Commission guidelines. The Second Amended and Restated Audit Committee Charter is attached hereto as Exhibit A and can be accessed free of charge electronically on our website at www.introgen.com or by writing to us at Introgen Therapeutics, Inc., 301 Congress Avenue, Suite 1850, Austin, Texas 78701, Attention: Investor Relations.

Compensation Committee

The Compensation Committee, which currently consists of directors William H. Cunningham, Ph.D. and Charles E. Long (Chairman), met three times and acted by written consent three times during the calendar year ended December 31, 2004. The Compensation Committee administers our 1995 Stock Plan and 2000 Stock Option Plan, reviews compensation to be provided to our officers, employees and consultants, including stock compensation, grants options to purchase our common stock to our employees, executive officers, directors and consultants, and reviews and makes recommendations to the Board of Directors regarding all forms of compensation to be provided to the members of the Board of Directors, including stock compensation. The Compensation Committee is governed by a charter, which can be accessed free of charge electronically on our website at www.introgen.com or by writing to us at Introgen Therapeutics, Inc., 301 Congress Avenue, Suite 1850, Austin, Texas 78701, Attention: Investor Relations.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee consists of directors William H. Cunningham, Ph.D. and Charles E. Long. The Nominating and Corporate Governance Committee met once and acted by written consent twice during the calendar year ended December 31, 2004. The Nominating and Corporate Governance Committee proposes a slate of directors for election by our stockholders at each annual meeting and nominates candidates for appointment by the Board of Directors to fill any vacancies on the Board of Directors. It is also responsible for determining the appropriate Board of Directors size, composition and committee structure and developing and reviewing applicable corporate governance principles. We believe that each of the members of the Nominating and Corporate Governance Committee meets the director independence requirements set forth in the Nasdaq Marketplace Rules. The Nominating and Corporate Governance Committee is governed by a charter, which can be accessed free of charge electronically on our website at www.introgen.com or by writing to us at Introgen Therapeutics, Inc., 301 Congress Avenue, Suite 1850, Austin, Texas 78701, Attention: Investor Relations.

The Nominating and Corporate Governance Committee will consider nominees recommended by stockholders provided that the recommendations are made in accordance with the procedures described in Article II, Section 2.5 of our Bylaws and in this proxy statement under Information Concerning Solicitation and Voting. To be considered timely, such stockholder's recommendation must be delivered to or mailed and received at our principal executive offices as set forth below not less than one hundred twenty (120) calendar days in advance of the first anniversary date of mailing of our proxy statement released to stockholders in connection with the previous year's annual meeting of stockholders. Stockholder recommendations for candidates to the Board of Directors must be directed in writing to the Nominating and Corporate Governance Committee, c/o Corporate Secretary of Introgen Therapeutics, Inc., 301 Congress Avenue, Suite 1850, Austin, Texas 78701, and must include the candidate's name, biographical data and qualifications. It is our policy that stockholder nominees nominated in compliance with these procedures will receive the same consideration that the Nominating and Corporate Governance Committee's nominees receive.

The Nominating and Corporate Governance Committee identifies director nominees through a combination of referrals, including by management, existing board members and stockholders, third party search firms and direct solicitations, where warranted. The Nominating and Corporate Governance Committee may request references and additional information from the candidate prior to reaching a conclusion. The Nominating and Corporate Governance Committee is under no obligation to formally respond to recommendations, although as a matter of practice, every effort is made to do so.

To be considered by the Nominating and Corporate Governance Committee, a director nominee must meet the following minimum criteria: (i) the highest personal and professional integrity; (ii) a record of exceptional ability and judgment; (iii) the ability and willingness to devote the required amount of time to the Company's affairs, including attendance at Board and committee meetings; (iv) the interest, capacity and willingness, in conjunction with the other members of the Board, to serve the long-term interests of our stockholders; (v) freedom from any personal or professional relationships that would adversely affect his or her ability to serve the best interests of Introgen and our stockholders.

The Nominating and Corporate Governance Committee also takes into account that the Board as a whole shall have competency in the following areas: business judgment, industry knowledge, accounting and finance, leadership, corporate governance, business strategy, management and crisis management.

Any of our stockholders who wish to communicate with the Board of Directors, a committee of the Board, the non-management directors as a group or any individual member of the Board, may send correspondence to Mr. Rodney Varner, Corporate Secretary of Introgen Therapeutics, Inc., 301 Congress Avenue, Suite 1850, Austin, Texas 78701. The Corporate Secretary will compile and submit on a periodic basis all stockholder correspondence to the entire Board of Directors, or, if and as designated in the communication, to a committee of the Board, the non-management directors as a group or an individual Board member. The independent directors of the Board review and approve the stockholders' communication process periodically to ensure effective communication with stockholders.

Statement on Corporate Governance

We have had formal corporate governance standards in place since our inception in 1993. We have reviewed internally and with the Board the provisions of the Sarbanes-Oxley Act of 2002 (Sarbanes-Oxley Act), the rules of the SEC and the Nasdaq National Market's new corporate governance listing standards regarding corporate governance policies and processes, and we believe that we are in compliance with the rules and listing standards. You can access our corporate governance principles and our committee charters for our Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee free of charge on our website at www.introgen.com or by writing to us at Introgen Therapeutics, Inc., 301 Congress Avenue, Suite 1850, Austin, Texas 78701, Attention: Investor Relations. We encourage, but do not require, our board members to attend the annual stockholders meeting. Last year, three of our directors attended the annual stockholders meeting. We have adopted the following standards for director independence in compliance with the Nasdaq National Market corporate governance listing standards:

No director qualifies as independent if such person has a relationship, which, in the opinion of the Board, would interfere with exercise of independent judgment in carrying out the responsibilities of a director;

A director who is an officer or employee of us or our subsidiaries, or one whose immediate family member is an executive officer of us or our subsidiaries is not independent until three years after the end of such employment relationship;

A director who accepts, or whose immediate family member accepts, more than \$60,000 in compensation from us or any of our subsidiaries during any period of twelve consecutive months within the three years preceding the determination of independence, other than certain permitted payments such as compensation for board or board committee service, payments arising solely from investments in the our securities, compensation paid to a family member who is a non-executive employee of us or a subsidiary of ours, or benefits under a tax-qualified retirement plan, is not independent until three years after he or she ceases to accept more than \$60,000 during any period of twelve consecutive months within the three years preceding the determination of independence;

A director who is, or who has a family member who is, a partner in, or a controlling stockholder or an executive officer of, any organization in which we made, or from which we received, payments for property or services that exceed 5% of the recipient's consolidated gross revenues for that year, or \$200,000, whichever is more, is not independent until three years after falling below such threshold;

A director who is employed, or one whose immediate family member is employed, as an executive officer of another company where any of our or any of our subsidiaries' present executives serve on that company's compensation committee is not independent until three years after the end of such service or employment relationship; and

A director who is, or who has a family member who is, a current partner of our independent registered public accounting firm, Ernst & Young LLP, or was a partner or employee of Ernst & Young LLP who

worked on our audit is not independent until three years after the end of such affiliation or employment relationship.

The Board has determined that William H. Cunningham, Ph.D., Charles E. Long, S. Malcolm Gillis, Ph.D. and Peter Barton Hutt meet the aforementioned independence standards. David G. Nance does not meet the aforementioned independence standards because he is our current President and Chief Executive Officer and is an employee of Introgen. John N. Kapoor, Ph.D. does not meet the aforementioned independence standards because of his relationship with EJ Financial Enterprises, Inc., which is detailed below in Certain Relationships and Related Transactions.

Executive Committee

The Executive Committee currently consists of directors David G. Nance and John N. Kapoor, Ph.D. The Executive Committee held one meeting during the calendar year ended December 31, 2004. The Executive Committee acts on behalf of our Board of Directors to the extent permitted under Delaware law.

Board Compensation

Each non-employee director is granted an option to purchase 33,600 shares of our common stock (exercisable at the fair market value on the date of grant) upon first becoming a director. The option vests ratably each month after the date of grant of such option, so that the entire option is fully vested three years after the date of grant. Each incumbent director is annually granted an option to purchase 20,000 shares of our common stock (exercisable at the fair market value on the date of grant) on the date of each annual meeting of stockholders. That option vests ratably each month after the date of grant of such option, so that the entire option is fully vested one year after the date of grant. In addition, the chairman of each of the Audit Committee, Compensation Committee, Nominating and Corporate Governance Committee and the designated audit committee financial expert on the Audit Committee are all granted annually a fully-vested option to purchase 5,000 shares of our common stock. Directors do not receive any cash or other additional compensation, other than reimbursement of their out-of-pocket expenses, for services provided as a director.

The Board of Directors recommends that the stockholders vote FOR the election of both nominees to the Board of Directors named above.

Employment Contracts and Change-In-Control Arrangements

We have an employment agreement with David G. Nance, entered into on August 1, 2003, under which Mr. Nance serves as our President and Chief Executive Officer. The employment agreement with Mr. Nance continues through July 31, 2006, and thereafter renews automatically for one-year terms until either party gives timely written notice of non-renewal. Mr. Nance's base salary under the employment agreement is \$520,000 per annum effective August 1, 2004. His compensation under the employment agreement is subject to review annually. Under the terms of his employment agreement, Mr. Nance may receive bonuses in the form of cash, stock options, restricted stock or other consideration as determined by our Compensation Committee, which reviews his compensation annually. Mr. Nance has also received bonuses from time to time in the form of options to purchase our common stock, as contemplated in his employment agreement. The terms of such options, such as the exercise price and vesting dates, are determined by the administrator of our 2000 Stock Option Plan. In the event of Mr. Nance's termination by the Company other than for cause, the Company may be required to continue to pay Mr. Nance compensation otherwise payable to him under the employment agreement.

All of the options granted under our 1995 Stock Plan and the 2000 Stock Option Plan shall immediately vest and become exercisable upon our merger with or into another corporation, entity or person, or the sale of all or substantially all our assets to another corporation, entity or person, unless such options are assumed or an equivalent option or right substituted by the successor corporation or a parent or subsidiary of the successor corporation.

Certain Relationships and Related Transactions

Pursuant to a purchase agreement executed on June 30, 2001, we sold and issued 100,000 shares of a new class of Series A Non-Voting Convertible Preferred Stock, \$.001 par value per share, convertible into 2,343,721 shares of our common stock, to Aventis Pharmaceuticals Inc. for \$25,000,000. We received the cash payment and issued the shares on July 2, 2001. Aventis Pharmaceuticals Inc., formerly known as Aventis Pharmaceuticals Products Inc., is an affiliate of Aventis Holdings Inc., which recently merged with Sanofi-Synthelabo to form Sanofi-Aventis, which holds greater than five percent of our outstanding common stock.

John N. Kapoor, Ph.D., the Chairman of our Board of Directors, is the sole stockholder of EJ Financial Enterprises, Inc. We have a consulting agreement with EJ Financial Enterprises pursuant to which EJ Financial Enterprises provides services to us for \$175,000 per year. The agreement provides for the assistance of EJ Financial Enterprises with our business development, license negotiation, market analysis and general corporate development. This agreement is automatically renewable each July 1 for one-year terms, unless either party gives 30 days advance notice of termination.

David Parker, Ph.D., J.D., our Vice President, Intellectual Property, is a partner with the law firm Fulbright & Jaworski LLP, which provides legal services to us as our primary outside counsel for intellectual property matters.

In October 2004, we acquired all of the outstanding capital stock of Magnum Therapeutics Corporation (Magnum), a company for which Dr. Robert Sobol, our Senior Vice President, Medical and Scientific Affairs, was the sole stockholder. We paid approximately \$1.75 million for the Magnum stock by (1) issuing approximately 252,000 shares of our common stock valued at approximately \$1.48 million at the acquisition date and (2) assuming liabilities of approximately \$272,000. With respect to the common stock we issued pursuant to the acquisition, 50% of the shares are held by an independent escrow agent for a period of one year subsequent to the acquisition date to satisfy the indemnification obligations of the selling shareholder under terms of the purchase agreement. The shares were issued to Dr. Sobol, as the sole stockholder of the Company, pursuant to Section 4(2) under the Securities Act of 1933. Magnum's primary asset is the right to receive funding under a grant from the National Institutes of Health. During the year ended December 31, 2004, we earned approximately \$1.1 million of revenue under this grant. In the event certain of Magnum's

technologies result in commercial products, we may be obligated to pay royalties related to the sales of those products to certain third parties. Our Audit Committee reviewed and approved the acquisition of Magnum.

Compensation Committee Interlocks and Insider Participation

None of the members of the Compensation Committee is currently, or has ever been at any time since our formation, one of our officers or employees. No member of the Compensation Committee serves as a member of the board of directors or compensation committee of any entity that has one or more officers serving as a member of our Board of Directors or Compensation Committee.

Table of Contents**REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION**

The Compensation Committee is composed of two independent directors and operates under a written charter adopted by the Board of Directors. Introgen believes that each member of the Compensation Committee meets the independence requirements set forth in the Nasdaq Marketplace Rules. The members of the Compensation Committee are Charles E. Long (Chairman) and William H. Cunningham, Ph.D. The Compensation Committee administers our 1995 Stock Plan and 2000 Stock Option Plan, reviews forms of compensation to be provided to our officers, employees and consultants, including stock compensation, grants options to purchase our common stock to our employees, executive officers and consultants, and reviews and makes recommendations to the Board of Directors regarding all forms of compensation to be provided to the members of the Board of Directors, including stock compensation. The Compensation Committee believes it has fulfilled its responsibilities under its charter for the fiscal year ended December 31, 2004.

Compensation Philosophy and Objectives. Our basic philosophy is to align executive compensation with increases in stockholder value through achievement of certain milestones, including milestones related to the pre-clinical and clinical development of our product candidates. This is primarily accomplished through the use of stock options, which provide compensation in direct proportion to increases in stockholder value. In addition, we believe it is important to emphasize teamwork, entrepreneurship and active participation by all employees. This is accomplished through providing options to a majority of full-time domestic employees and similarly situated international employees, and through cash incentives, through which both executives and employees may receive cash bonuses based on company-wide financial goals.

Executive Compensation Programs. Our executive compensation programs consist of three principal elements: base salary, cash bonus and stock options. We emphasize incentive compensation in the form of stock options and bonuses, rather than base salary. The Compensation Committee has adopted a guideline that executives should be paid competitive base salaries. The Board of Directors sets the initial compensation for executives after consideration of the recommendations of the Compensation Committee. The Compensation Committee annually reviews and in some cases adjusts compensation for executives. Prior to making its recommendations and determinations, the Compensation Committee reviews historical compensation levels of the executives, evaluations of past performance, assessments of expected future contributions of the executives, competitive pay levels and programs provided by other comparable companies, and general industry pay practices. In making its recommendations and determinations, the Committee does not utilize any particular indices or formulae to arrive at each executive's recommended pay level.

Total compensation for executive officers also includes long-term incentives in the form of stock options, which are generally provided through initial stock option grants at the date of hire and periodic additional stock option grants. Stock options are instrumental in promoting the alignment of long-term interests between our executive officers and stockholders due to the fact that executives realize gains only if the stock price increases over the fair market value at the date of grant and the executives exercise their options and sell the shares. In determining the amount of such grants, the Committee evaluates the job level of the executive, responsibilities of the executive, and competitive practices in the industry. Options are generally granted at 100% of fair market value at the date of grant or at 110% of fair market value at the date of grant for stockholders who hold greater than 10% of Introgen's combined voting power. Options generally vest ratably over a period of four years on each anniversary of the grant date.

In 2004, executive compensation was also based on the achievement of the Company's 2004 corporate goals including, but not limited to, the furtherance of the Company's clinical trial activities, the execution of its research and development programs, the protection of its intellectual property, and the attainment of financial goals.

Chief Executive Officer Compensation. The compensation of our chief executive officer is determined using the same philosophy and policies as for all executive officers as well as by the terms of his employment agreement. The compensation includes base salary, cash bonus and stock options as compensation for his services as an officer and director. Our chief executive officer currently has an employment agreement that is described under "Executive Compensation - Employment Contracts and Change-In-Control Arrangements." The annual compensation for Mr. Nance for his service as our chief executive officer was based upon

Table of Contents

the written employment agreement we executed with Mr. Nance and as adopted by the Board of Directors in the year 2003. Mr. Nance's base salary under the current employment agreement is \$520,000 per annum effective August 1, 2004. The Compensation Committee evaluates the employment agreement in relation to Introgen's achievement of corporate goals, Mr. Nance's performance on an annual basis and salary surveys. In 2004, Mr. Nance demonstrated leadership in establishing Introgen's long-term and short-term strategic, clinical, operational and financial goals. The Compensation Committee expects to review Mr. Nance's compensation again in August 2005.

Section 162(m). Section 162(m) of the Internal Revenue Code of 1986, as amended, imposes a limit on tax deductions for annual compensation in excess of one million dollars paid by a corporation to its chief executive officer and the other four most highly compensated executive officers. Deductions are, however, permitted if certain conditions are met, including a requirement that the plan under which such compensation is paid be re-approved by stockholders every five years. None of the compensation paid by us in the fiscal year ended December 31, 2004 was subject to the limitation on deductibility. The Compensation Committee will continue to assess the impact of Section 162(m) on its compensation practices and determine what further action, if any, is appropriate.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee is composed of three independent directors in compliance with the Marketplace Rules of the Nasdaq Stock Market and operates under a written charter adopted by the Board of Directors, as amended in 2005, a copy of which is attached hereto as Exhibit A. The members of the Audit Committee are William H. Cunningham, Ph.D. (Chairman), Charles E. Long and S. Malcolm Gillis, Ph.D. During the fiscal year ended December 31, 2004, in accordance with Section 407 of the Sarbanes-Oxley Act, Introgen identified Dr. Gillis as the audit committee financial expert. We believe that each member of the Audit Committee meets the director independence requirements set forth in the applicable SEC and Nasdaq Marketplace Rules. The Audit Committee believes it has fulfilled its responsibilities under its charter for the fiscal year ended December 31, 2004.

Our management is responsible for our internal controls and the financial reporting process. Our independent registered public accounting firm is responsible for performing an independent audit of our consolidated financial statements in accordance with the standards of the Public Company Accounting Oversight Board (United States) and for issuing a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes.

The Audit Committee has reviewed and discussed our audited financial statements for the fiscal year ended December 31, 2004 with our management and our independent registered public accounting firm who performed such audit, Ernst & Young LLP. The Audit Committee also discussed with Ernst & Young LLP the matters required to be discussed by Statement on Auditing Standards No. 61, Communication with Audit Committees, as amended. The Audit Committee has also received the written disclosures and the letter from Ernst & Young LLP required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the Audit Committee has discussed the independence of Ernst & Young LLP with that firm.

Based upon the Audit Committee's review and discussions referred to in the immediately preceding paragraph, the Audit Committee recommended that the Board of Directors include the audited consolidated financial statements in our Annual Report on Form 10-K for the fiscal year ended December 31, 2004, filed with the Securities and Exchange Commission on March 15, 2005. Each of the services rendered by Ernst & Young LLP was pre-approved by the Audit Committee.

Respectfully submitted,

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act of 1934, as amended, requires our officers and directors, and persons who own more than 10% of a registered class of our equity securities, to file reports of ownership on Form 3 and changes in ownership on Form 4 or Form 5 with the Securities and Exchange Commission. Such officers, directors and 10% stockholders are also required by the Securities and Exchange Commission rules to furnish us with copies of all Section 16(a) forms they file. Based solely on our review of the copies of such forms we received, we believe that, during the fiscal year ended December 31, 2004, all Section 16(a) filing requirements applicable to our officers, directors and 10% stockholders were satisfied.

A copy of each of the codes of ethics is available on our website at www.introgen.com.

We intend to post on our website any amendment to, or waiver from, a provision of our codes of ethics within four business days following the date of such amendment or waiver.
