Item 1.01 Entry into a Material Definitive Agreement

Item 1.01 Entry Into a Material Definitive Agreement.

On March 25, 2008, Tronox LLC (Tronox), a subsidiary of Tronox Incorporated (the Company), entered into a long-term Master Supply Agreement (the Agreement) with RTI Hamilton, Inc. (RTI). The Agreement, which calls for annual volumes of titanium tetrachloride ($TiCl_4$) to be supplied by Tronox and chlorine gas (Chlorine) to be supplied by RTI in a closed loop system, has an initial twenty-year term effective as of January 1 of the calendar year immediately following the date on which Tronox makes its first delivery of $TiCl_4$ to RTI.

In connection with the Agreement, Tronox intends to enter into separate agreements with RTI to lease certain property adjacent to Tronox's Hamilton, Mississippi, titanium dioxide plant for RTI's new titanium sponge facility (the RTI Sponge Facility). If required, Tronox will supply to RTI in 2009 a pre-determined quantity of $TiCl_4$ sufficient to facilitate the start of operations of the RTI Sponge Facility. In all other years covered by the Agreement, Tronox will reserve for supply to RTI pre-determined maximum quantities of $TiCl_4$ up to 45,000 short tons annually, with RTI agreeing to purchase pre-determined minimum quantities determined by the greater of 50% of the annual Capacity Reservation or 75% of the Annual Nomination. In return, each year, RTI will supply Chlorine to Tronox in quantities that are equivalent to the amount of Chlorine contained in the $TiCl_4$ delivered by Tronox to RTI. Pricing shall be set annually in accordance with a pre-determined base price and price adjustment schedule, and any other price adjustments are to be negotiated by the parties. The foregoing description does not purport to be complete and is qualified in its entirety by reference to the Agreement, a copy of which is attached to this report as Exhibit 10.1 and incorporated by reference herein.

Item 9.01 (d) Exhibit

10.1 Master Supply Agreement by and between Tronox LLC and RTI Hamilton, Inc., dated March 25, 2008.
