SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Edgar Filing: EVANS BANCORP INC - Form DEF 14A

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's executive officers and directors, and persons who beneficially own more than ten percent of the Company's stock, to file initial reports of ownership and reports of changes in ownership with the Securities and Exchange Commission. Executive officers, directors and greater than ten percent beneficial owners are required by SEC regulations to furnish the Company with copies of all Section 16(a) forms they file.

Based solely on a review of the copies of such forms furnished to the Company and written representations from the Company's executive officers and directors, the Company believes that during 2001 all Section 16(a) filing requirements applicable to its executive officers, directors and greater than ten percent beneficial owners were complied with by such persons, except that Mr. DeBacker filed one late report in 2001.

See "EMPLOYEE SAVINGS PLAN". Does not include personal benefits which did not exceed 10% of Mr. Tilley's, Mr. Glass', Mr. DeBacker's or Mr. Miller's salary and bonus in any year.

Employment Agreements

Mr. James Tilley, Mr. William Glass, and Mr. Mark DeBacker have each entered into an Employment Agreement with the Bank which runs through December 31, 2006. Each Employment Agreement provides that salary will be set annually by the Board of Directors. If the Bank terminates the Employment Agreement without

Edgar Filing: EVANS BANCORP INC - Form DEF 14A

cause, the Bank is obligated to continue to pay base salary for the longer of three months or the remainder of the term of the Employment Agreement.

Mr. Miller has entered into an Employment Agreement with M&W Agency, Inc. which runs through December 31, 2005. Under the Employment Agreement, he receives an annual salary of \$150,000 plus a bonus based upon the earnings before interest and taxes of M&W Agency, Inc. in excess of specific target amounts, up to \$100,000 annually. If M&W Agency, Inc. terminates the Employment Agreement without cause, it is obligated to pay his salary, plus benefits, for the longer of three months or the remainder of the term of the Employment Agreement.

Pension Plan

The Bank maintains a defined benefit pension plan for all eligible employees, including employees of its subsidiaries. An employee becomes vested in a pension benefit after five years of service. Upon retirement at age 65, vested participants are entitled to receive a monthly benefit. Prior to a May 1, 1994 amendment to the plan, the monthly benefit under the pension plan was 3% of average monthly compensation multiplied by years of service up to a maximum of fifteen years of service. In 1994, the pension plan was amended to change the benefit to 1% of average monthly compensation multiplied by years of service up to a maximum of thirty years of service. However, the benefits already accrued by employees prior to this amendment were not reduced by the amendment. Mr. Tilley, Mr. Glass, and Mr. Miller are participants in the pension plan, and as of December 31, 2001, Mr. Tilley had twelve years of credited service and his average monthly compensation under the plan was \$10,815; Mr. Glass had eight years of credited service and his average monthly compensation under the plan was \$10,055; Mr. DeBacker had no accrued benefit under the plan; and Mr. Miller had one year of credit service and his average monthly compensation under the plan was \$13,464.

Supplemental Executive Retirement Plans

During 2001, the Bank amended its existing Supplemental Executive Retirement Plans (SERPs) with Mr. Tilley and Mr. Glass. Under the SERPs, as amended, Mr. Tilley and Mr. Glass are entitled to additional annual pension payments of \$66,943 and \$30,000, respectively, for 20 years after retirement at age 65, unless their employment is terminated earlier. The SERPs, as amended, also provide death benefits in the same annual amounts in the event the executive dies prior to age 65, which are payable over 20 years. The Bank has purchased life insurance policies on Mr. Tilley and Mr. Glass to assist in funding its obligations under their SERPs.

Employee Savings Plan

8

The Bank also maintains a 401(k) salary deferral plan to assist employees, including employees of its subsidiaries, in saving for retirement.

All employees are eligible to participate on the first of the month following one year of service, provided they have completed 1,000 hours of service. Eligible employees can contribute up to a maximum of \$11,000 annually. An automatic 1% of base pay contribution is made by the Bank and in addition, the Bank makes a matching contribution at a rate of 25% of the first 4%

Edgar Filing: EVANS BANCORP INC - Form DEF 14A

contributed by a participant. Participants are always 100% vested in their own contributions and the Bank's matching contribution is also 100% vested.

Individual account earnings will depend on the performance of the investment funds in which the participant invests. Specific guidelines govern adjustments to contribution levels, investment decisions and withdrawals from the plan. The benefit is paid as an annuity unless the employee elects one of the optional forms of payment available under the plan. See "Summary Compensation Table" for a summary of the amounts contributed by the Bank to this Plan for the benefit of Mr. Tilley, Mr. Glass, and Mr. Miller.

COMPENSATION COMMITTEE INTERLOCKS

AND INSIDER PARTICIPATION

The Compensation Committee of the Board of Directors serves as the Compensation Committee of the Company. The members of the Compensation Committee are: Phillip Brothman, LaVerne G. Hall, William F. Barrett, David C. Koch, James Tilley, and Thomas H. Waring, Jr. Mr. Tilley is President and Chief Executive Officer of the Company and the Bank, Mr. Brothman is Chairman of the Board, and is a partner of the law firm of Hurst, Brothman & Yusick which served as general counsel to the Company and received legal fees, and Mr. Waring is the owner of Waring Financial Group which receives commissions on certain life insurance premiums paid by the Company. See "Certain Transactions."

There are no Compensation Committee Interlocks required to be disclosed in this Proxy Statement.

COMPENSATION COMMITTEE REPORT ON

EXECUTIVE COMPENSATION

The Compensation Committee has the responsibility of reviewing the overall compensation policies for the employees of the Bank and also establishes the compensation of Mr. Tilley, Mr. Glass, and Mr. DeBacker, the Named Executives of the Company. Mr. Miller's compensation was negotiated and approved at the time the Company acquired the business and assets of M&W Group, Inc.

The Bank uses a base salary/hourly rate and a bonus program to compensate its employees, including the Named Executives.

The Bank uses a system of salary grades and corresponding salary ranges to set base salary/hourly rates. Positions are assigned a salary grade on the basis of job descriptions and comparisons to benchmark positions in the industry. Annually, the Bank participates in a number of salary surveys provided by or endorsed by various bank trade association groups. The surveys summarize compensation information on a national, regional and local basis, with data furnished based upon bank asset size and geographic region. In January of each year,

Edgar Filing: EVANS BANCORP INC - Form DEF 14A

management presents recommendations to the Compensation Committee to adjust the salary ranges based upon this information, as well as recommended salary adjustments for the employees. Compensation recommendations are determined based upon individual job performance, experience, and position within the salary range. Mr. Tilley, as the President, makes recommendations for the compensation levels of the Senior Vice-President, Mr. Glass, and the Chief Financial Officer/Sr. Vice President, Mr. DeBacker. The Compensation Committee (excluding Mr. Tilley) develops recommendations for Mr. Tilley's salary based upon the same approach.

Also, in January of each year, the Compensation Committee establishes a bonus pool for the Bank's employees based upon the financial performance of the Bank for the previous year, including such factors as the operating results compared to the operating budget, net income, the return on average assets, the return on average equity and the earnings per share, growth in loans, and growth in deposits. The Compensation Committee (excluding Mr. Tilley) then determines what amount of the bonus pool will be paid to each of Mr. Tilley and the Senior Vice Presidents, Mr. Glass and Mr. DeBacker, based upon their evaluation of each person's performance and contributions to the financial results of the Bank for the prior year. Management then allocates the remainder of the bonus pool among other employees of the Bank based upon management's evaluation of individual job performance and contributions to the Bank.

In 2001, the Company paid approximately \$177,719 in life insurance premiums to Massachusetts Mutual. Waring Financial Group, which is owned by Thomas H. Waring, Jr., received commissions on such premium payments.
