Item 5. Other Events and Regulation FD Disclosure.

Dana Corporation has a 364-day revolving credit facility which was entered into on December 19, 2001, with Citibank, N.A., as administrative agent, on behalf of itself and 14 other banks. Currently, this facility has a maximum borrowing capacity of \$100 million. This facility is further described in the Liquidity and Capital Resources section of Management s Discussion and Analysis of Financial Conditions and Results of Operations in Dana s 2001 Annual Report to Shareholders and in Dana s reports on Form 10-Q for the quarters ended March 31, June 30 and September 30, 2002.

On December 9, 2002, Dana and the participating banks agreed to extend the maturity date of this 364-day facility from December 18, 2002, to February 17, 2003, so that the timing of the renewal discussions fits better with Dana s annual financial planning cycle.

As of December 9, 2002, no amount was outstanding under this facility.
