Item 1.01 Entry into a Material Definitive Agreement.

On March 14, 2008, PowerSecure International, Inc., a Delaware corporation (the Company), and its wholly-owned subsidiary Metretek, Incorporation, a Florida corporation (Metretek Florida), entered into an Asset Purchase Agreement (the Purchase Agreement) with Mercury Instruments LLC, an Ohio corporation (Mercury). Under the Purchase Agreement, Metretek Florida will sell substantially all of its assets and business to Mercury for a total purchase price of \$2,250,000. In addition, Metretek Florida will retain its cash, accounts receivables and most of its accounts payable and liabilities, other than those liabilities expressly assumed by Mercury in the Purchase Agreement. This sale is in furtherance of the action by the Board of Directors in December 2007 to discontinue to the operations of the automated energy data collection and telemetry business of Metretek Florida.

Mercury will assume most of the customer orders of Metretek Florida and its facilities lease. The Purchase Agreement contains customary representations, warranties and indemnification obligations by Metretek Florida and Mercury to each other, and includes a one year escrow of 20% of the purchase price to support the indemnity obligations of Metretek Florida. The Company reported an anticipated loss on sale of approximately \$1.2 million for its fiscal year ended December 31, 2007. The completion of the sale, which cannot be assured, is subject to customary closing conditions and is currently anticipated to occur in late March or early April 2008.

On March 17, 2008, the Company issued a press release announcing that it had entered into the Purchase Agreement, the full text of which is filed herewith as Exhibit 99.1 and incorporated herein by this reference.

The foregoing description of the Purchase Agreement is qualified in its entirety by reference to the full text of the Purchase Agreement, which is filed herewith as Exhibit 10.1 and incorporated herein by this reference.
