Thermo Electron Corporation hereby amends its statement on Schedule 13D relating to the shares (the "Shares") of common stock, par value \$0.01 per share, of Spectra-Physics, Inc. (the "Issuer") as set forth below.

Item 2. Identity and Background

Item 2 is hereby amended and restated to read as follows:

This Amendment is being filed by Thermo Electron Corporation (the "Reporting Person"), pursuant to Rule 13d-2, to reflect changes to information previously reported under Items 3, 4, and 5 of Schedule 13D. The Reporting Person holds the Shares of the Issuer that are the subject of this Amendment directly and through one or more wholly-owned subsidiaries. As of the date of this Amendment, 13,000,000 Shares were held by Spectra-Physics AB, which is a wholly-owned subsidiary of the Reporting Person, and 333,000 Shares were held directly by the Reporting Person.

The Reporting Person develops, manufactures and markets technology-based instruments, components and systems serving multiple markets, including, without limitation, life sciences, telecommunications and food, drug and beverage production. The Reporting Person also develops, manufactures and markets diagnostic and monitoring products serving the healthcare industry.

The principal business address and principal office address of the Reporting Person, a Delaware corporation, is 81 Wyman Street, Waltham, Massachusetts 02454-9046.

Appendix A attached to this Amendment sets forth with respect to each executive officer and director of the Reporting Person his or her (a) name; (b) residence or business address; (c) present principal occupation or employment and the name, principal business and address of any corporation or other organization in which such employment is conducted; and (d) citizenship. To the knowledge of the Reporting Person, there is no person who may be deemed to be a controlling person of the Reporting Person.

During the last five years, neither the Reporting Person nor (to the knowledge of the Reporting Person) any executive officer or director of the Reporting Person has been convicted in a criminal proceeding (excluding traffic violations and similar misdemeanors).

During the last five years, neither the Reporting Person nor (to the knowledge of the Reporting Person) any executive officer or director of the Reporting Person has been a party to a civil proceeding of a judicial or administrative body of competent jurisdiction which resulted in a judgement, decree or final order (i) enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or (ii)

finding a violation with respect to such laws.

Item 3. Source and Amount of Funds or Other Consideration.

Item 3 is hereby amended to add the following as the second paragraph thereof:

Any funds necessary for the proposed transaction described in Item 4 below will be paid out of the Reporting Person's working capital.

Item 4. Purpose of Transaction

The third, fourth and fifth paragraphs of Item 4 are hereby amended and restated in their entirety as follows:

On August 21, 2001, the Reporting Person issued a press release stating that the Reporting Person plans to make a cash tender offer by the end of September 2001 for any and all of the outstanding Shares of the Issuer held by minority stockholders at \$20 per Share in cash. The Reporting Person currently owns of record approximately 79.8% of the outstanding Shares.

The Reporting Person is seeking to receive acceptances from holders of enough Shares so that, when combined with its current ownership of Shares, the Reporting Person's ownership reaches at least 90%. If the Reporting Person achieves this 90% ownership threshold, it will acquire all remaining outstanding Shares through a subsequent short-form merger in Delaware, the timing of which will be announced at a later date. It is the current intention of the Reporting Person that stockholders who do not tender their Shares to the Reporting Person during the tender offer would also receive \$20 per Share in cash for their Shares in the short-form merger.

The Reporting Person has caused in the past and intends to continue to cause a majority of the members of the Issuer's board of directors to consist of the Reporting Person's designees. From time to time, the Reporting Person has loaned, and may continue to loan, money to the Issuer in such a manner and in such amounts as it and the Issuer determine to be appropriate.

Except as set forth in this Item 4, neither the Reporting Person nor, to the Reporting Person's knowledge, any of the executive officers or directors of the Reporting Person has any current plans or proposals which relate to or would result in any of the actions specified in clauses (a) through (j) of Item 4 of Schedule 13D, although the Reporting Person and such other persons do not rule out the possibility of effecting or seeking to effect any such actions in the future.

Item 5. Interest in Securities of the Issuer.

Item 5 is hereby amended and restated in its entirety as follows:

(a) The 13,333,000 Shares beneficially owned by the Reporting Person consist of 13,000,000 Shares owned by Spectra-Physics AB and 333,000 Shares owned directly by the Reporting Person, and represent approximately 79.8% of the outstanding Shares.
